## GFI Group to provide the RHB Banking Group with FENICS Professional™

### Leading Malaysian bank to adopt market-leading FX options system

The RHB Banking Group, a leading Malaysian Bank, has licensed FENICS Professional™ from GFI Group, Inc. (NYSE: GFIG). The bank has deployed FENICS Professional version 12.1 which includes the new functionalities: FENICS<sup>SM</sup> Sales, FENICS Trader™ and the latest version of FENICS<sup>SM</sup> Exotic Maths Models.

FENICS Professional provides the RHB Banking Group with capabilities such as volatility surface management, internal RFQ (request for quote) and automatic term sheet generation.

Mr. Johari Muid, Managing Director, RHB Bank, commented, “Licensing FENICS Professional is a step further in our relationship with GFI FENICS. At RHB, we work to be on top of the market with the range and depth of services and products we can offer our clients.”

**“Licensing FENICS Professional is a step further in our relationship with GFI FENICS. At RHB, we work to be on top of the market with the range and depth of services and products we can offer our clients.”**

**Mr. Johari Muid, Managing Director, RHB Bank**

“We are very happy that the RHB Banking Group has chosen to deploy FENICS Professional and that they have decided to expand their usage of our capabilities”, said Elliott Hann, Head of Sales for GFI FENICS<sup>SM</sup> in Asia. “RHB is now equipped with the latest version of our system which provides a broader range of tools for their FX derivatives business”.

RHB Banking Group is currently the fourth largest fully integrated financial service group in Malaysia and has been a client of GFI FENICS since 2008.

FENICS Professional is a suite of pricing, trading, risk management and STP (straight-through processing) components allowing customers to control, monitor and oversee a comprehensive range of FX option trading and lifecycle management from one single interface.

GFI FENICS has been providing leading FX derivatives software since 1987. Its products are licensed to over 350 institutions worldwide with thousands of users benefiting from its solutions. Clients include banks, multinational corporations, brokers, and hedge funds.

FENICS Professional is provided by GFI FENICS, a part of GFI Group.

#### Forward-looking statement

Certain matters discussed in this press release contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. When used in this press release, the words “anticipate,” “believe,” “estimate,” “may,” “might,” “intend,” “expect” and similar expressions identify such forward-looking statements. Actual results, performance or achievements could differ materially from those contemplated, expressed or implied by the forward-looking statements contained herein. These forward-looking statements are based largely on the expectations of GFI Group Inc. (the “Company”) and are subject to a number of risks and uncertainties. These include, but are not limited to, risks and uncertainties associated with: economic, political and market factors affecting trading volumes; securities prices or demand for the Company’s brokerage services; competition from current and new competitors; the Company’s ability to attract and retain key personnel, including highly-qualified brokerage personnel; the Company’s ability to identify and develop new products and markets; changes in laws and regulations governing the Company’s business and operations or permissible activities; the Company’s ability to manage its international operations; financial difficulties experienced by the Company’s customers or key participants in the markets in which the Company focuses its brokerage services; the Company’s ability to keep up with technological changes; uncertainties relating to litigation and the Company’s ability to assess and integrate acquisition prospects. Further information about factors that could affect the Company’s financial and other results is included in the Company’s filings with the Securities and Exchange Commission. The Company does not undertake to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
