

## GLOBAL REACH PARTNERS SELECTS FENICS PRO

**LONDON – December 12<sup>th</sup>, 2016** -- FENICS® Software Ltd. announced that Global Reach Partners, a leader in global foreign exchange, has licensed FENICS PRO, the award-winning FX derivatives workflow solution.

FENICS PRO has been implemented to enable Global Reach Partners to further boost its robust risk management and mark-to-market capability. The solution will be deployed alongside and integrated with the existing proprietary risk system at Global Reach Partners, delivering a seamless solution.

**Richard Brunt**, Managing Director of FENICS, said: “We are delighted Global Reach Partners has chosen to use FENICS PRO. We look forward to supporting their European team, as they work to provide deeper analytical services for themselves and their customers.” Brunt added: “FENICS has become widely deployed among the MSB (Money Service Business) participants, and it is an area in which we expect to see continued growth.”

**Richard Chunn**, Head of Technology & Partner at Global Reach Partners, commented: “Our first priority is to provide excellent service to our clients. We are growing our business and our solutions to meet growing needs around the world, which is why working with the right partners is crucial. Specifically, FENICS’s ability to provide the right solution, with deep integration capability, was essential for us.”

FENICS PRO is a suite of pricing, trading, risk management and STP (straight-through processing) components allowing customers to control, monitor and oversee a comprehensive range of FX option trading and lifecycle management from one single interface.

Global Reach Partners is a company with a worldwide capability in financial services, combined with expertise and experience in foreign exchange. It provides services for institutions, large corporates, SMEs and consumers.
