Notice to Participants

Notice No.:	14-11
Issue Date:	June 11, 2014
Effective Date:	June 25, 2014
Subject:	Announcement of Error Trade Policy governing classes of Credit Default Swaps listed by GFI Swaps Exchange LLC

Summary: Announcement of Error Trade Policy governing classes of Credit Default Swaps listed by GFI Swaps Exchange LLC

1. Introduction

In an effort to strike an appropriate balance between trade certainty and erroneous price discovery, GFI Swaps Exchange LLC (the “Company”) has introduced an Error Trade Policy (the “Policy”) to promptly address transactions that are executed at clearly erroneous prices substantially inconsistent with the last trade price of the contract or alternative determination of the contract’s fair value. Market integrity is enhanced when exchanges that operate electronic trading systems have in place well-defined policies and procedures pursuant to which requests to cancel clearly erroneous trades may be promptly considered and resolved.

2. The Policy

Unless otherwise stated below, capitalized terms shall have the meaning ascribed to such term in the Company rulebook (the “Rules”), which now contains changes to Rules 101, 401, 405, 525, 538 and 541 to accommodate the Policy. A full copy of the submission to the CFTC can be found at <http://www.gfigroup.com/markets/swaps-exchange/overview.aspx>. This Policy supplements and clarifies the Rules regarding erroneous trades. This Policy shall only govern those classes of credit default swaps listed by the Company, and for the avoidance of doubt, shall not govern Brokered Trades or trades executed using the assistance of a GFI employee. The Company is providing the following guidance on the manner in which it intends to handle alleged error claims by

Participants and Sponsored Access Firms utilizing the Trading Platform or transactions reviewed under the Company's own motion pursuant to the Policy. Any alleged error claims made by Customers should be directed to the Participant that has handled the Customer transaction or with whom such Customer carries an account. The Company's Policy has been designed to preserve the integrity of transactions transacted on the Trading Platform by creating an appropriate balance between trade certainty and erroneous price discovery.

I. **Overview of the Policy.**

Only transactions with an execution price substantially inconsistent with the market price at the time of execution (as further described herein) will be eligible for consideration as an error by the Company under the Policy. The Company will make the determination taking into account the circumstances at the time of the transaction, the preservation of the integrity of the market and the maintenance of a fair and orderly marketplace. The Rules provide the Company with discretion to delete Orders, cancel trades, or suspend the market in conjunction with this Policy. In exceptional circumstances, for any trades or Orders that fall outside of this Policy, the Company may, in its sole discretion, cancel or let such trade or Order stand, and shall endeavor for such determination to be made within 60 minutes after the trade or Order is executed. In making this determination, the Company may consider the following: general volatility of market conditions, reasons for the error or market disruption events.

Block and Brokered Trades submitted to the Trading Platform will not be subject to this Policy, and may be cancelled upon mutual agreement of and per the instructions of the two counterparties to such Block or Brokered Trade. Additionally, bilateral transactions submitted to the Trading Platform will not be subject to this Policy. Rather, those transactions may be cancelled upon mutual agreement of and per the instructions of the two counterparties to such transaction. Notwithstanding the foregoing, in exceptional circumstances, the counterparties to a disputed bilateral transaction may appeal to the Company for a final determination of such transaction, such determination being final and binding upon the counterparties with no liability to the Company and enforceable by the aggrieved party solely via the alternative dispute resolution provisions contained in the Rules.

Under normal market conditions, the Company will only cancel transactions in such circumstances that the transaction price is not representative of the market value of the respective transaction at the time such transaction is effected. Any transactions where the only error is the quantity of the contract traded, as opposed to the price at which such contracts were traded, will not be subject to cancellation under this Policy. Users of the Trading Platform are responsible for ensuring the accuracy of the price, size, side, type and all other material terms of the Order entered into on the Trading Platform. Simple assertion by a Participant or Sponsored Access Firm that it made a mistake in entering an order or a quote, or that it failed to pay attention or to update a quote, will not alone be sufficient to establish that a transaction was erroneous and/or subject for consideration as an error under this Policy.

II. Determination to Review a Trade.

The Company may determine to review a trade based on its independent analysis of market activity or upon request for review by a user of the Trading Platform. A request for review must be made within five minutes of the execution of the trade, and the Company shall determine whether to review a trade promptly after such a request has been received. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news, or in any other circumstance in which the Company deems it to be appropriate, the Company may determine, in its sole discretion, that a trade shall not be subject to review. Upon deciding to review a trade, the Company will promptly issue an alert to involved Participants and Sponsored Access Firms via the Trading Platform or electronic mail indicating that the trade is under review.

A. Non-Reviewable Range.

In reviewing a trade, the Company will first determine whether the price of the trade is in the Non-Reviewable Range. “**Non-Reviewable Range**” means, with respect to a Swap, any transaction executed within a price range that will not, under normal market conditions, be cancelled. A component of market integrity is the assurance that once executed, other than in exceptional circumstances, a transaction will stand and not be subject to cancellation. The Company determines parameters above or below a Company set anchor price (defined herein) for each contract, agreement or transaction within which a transaction alleged as an error transaction may not be cancelled. Such parameters define the Non-Reviewable Range. The anchor price (which is set by the Company and is based on the most liquid contract maturity date, which is typically the “5 year” maturity date as commonly used in the market) may be, at the Company’s discretion: (A) the prior day’s settlement price, or (B) if the price described in clause (A) occurred more than one Business Day before the date of the Swap that is being reviewed, the price for such Swap or an economically equivalent swap most recently reported by a Swap Data Repository. The Non-Reviewable Range applicable to each contract, agreement or transaction will be listed in a table on the Company’s website, which may be updated from time to time by the Company.

The determination as to when to shift the anchor price will be made by the Company. If the Company determines that the anchor price is not representative of the current market price, or was not representative of the market price at the time that a trade error was alleged, then the Company reserves the right at its sole discretion to update the relevant anchor price(s).

Based on and subject to the procedure outlined above, if the Company determines that the price of a trade is inside the Non-Reviewable Range, the trade shall stand as executed and shall not be considered erroneous. If the Company determines that a transaction price is outside the Non-Reviewable Range, the trade shall be cancelled. The decision of the Company is final.

B. Consequential transactions.

Consequential Transactions shall be defined herein as trades that result in “packaged trades” as such term is commonly known in the market based on applicable CFTC guidance. Where Consequential Transactions based on the price of the alleged error transaction are executed simultaneously with the alleged error transaction or before the Company has notified the market of the alleged error transaction, the Policy and the determination will apply to the original alleged error transactions and all Consequential Transactions to the extent that such Consequential Transactions were also executed on the Trading Platform.

Where Consequential Transactions based on the price of the alleged error transaction are executed after the Company has notified the market of the alleged error transaction, and where the Company, after consultation, subsequently determines that the alleged error transaction is cancelled, these Consequential Transactions, other than in exceptional circumstances, shall be cancelled. The decision of the Company will be final. The Company may take into consideration whether the alleged error transaction triggered contingent Orders or resulted in the execution of spread transactions or whether another user of the Trading Platform relied on the price to execute Consequential Transactions.

C. Company’s unilateral right with respect to clearly erroneous trades.

The Company has the unilateral right to cancel any trade that is clearly erroneous, even where there has been no request from a user of the Trading Platform, in the interest of maintaining a fair and orderly market. The Company may consider numerous factors in making this determination, including:

1. Numerical factors (i.e. volume and volatility)
2. Material news impacting the instrument
3. Suspicious trading activity
4. System malfunctions or disruptions
5. Locked or crossed market
6. Volume and volatility for the product
7. General volatility of market conditions
8. Reason for the error
9. Market disruption events

All decisions of the Company are final.

III. Trade Cancellation Procedures.

Upon a determination by the Company that a trade shall be cancelled, the Company shall take such reasonable steps to ensure that the decision will be implemented. The cancelled trade price will be reflected as cancelled in the Company’s official records and shall be reported by the Company to the Swap Data Repository.

IV. Contact Information.

All requests to cancel transactions and all materials submitted pursuant to this Policy shall be submitted within the time parameters specified herein via email to control@gfexchange.com. The Company, in its sole and absolute discretion, reserves the right to reject or accept any requests or material that is not received within the time parameters specified herein.

(b) The Board will determine which Swaps are available from time to time for trading subject to the Rules, and will approve Rules containing specifications for such Swaps; provided that the Board may delegate the authority to approve such Rules to a Company committee or to one or more officers of the Company; provided, further, that certifications or applications with respect to such Rules will be submitted to the CFTC as required by Applicable Law and any regulations thereunder.

205. Conflicts of Interest

(a) *Named Party in Interest Conflict.*

ongoing business relationship with a named party in interest, or (D) has a family relationship with a named party in interest. (B) information provided by such member pursuant to clause (ii) above; and

(C) any other information reasonably available to the Company, taking into consideration the exigency of the significant action being contemplated.

In making its determination, the deliberating body will consider:

(A) whether such member's participation in the deliberations is necessary to achieve a quorum; and

(B) whether such member has unique or special expertise, knowledge or experience in the matter being considered.

In reviewing appeals of staff denials of Participant applications, the Participation Committee shall not uphold any staff denial if the relevant application meets the standards and requirements prescribed by such Committee. The Participation Committee shall not, and shall not permit the Company to, restrict access or impose burdens on access in a discriminatory manner, within each category or class of Participants or between similarly situated categories or classes of Participants.

(e) One-half of the members, including the ex officio members, shall constitute a quorum of each committee provided for in this Chapter, except for the Regulatory Oversight Committee. For the Regulatory Oversight Committee, a quorum for the transaction of business shall consist of one-half of the committee members, including not less than 50 percent of the Public Directors serving as members of such committee. If at least 50 percent of the Public Directors committee members (i) are present at or (ii) have filed a waiver of attendance for a meeting after receiving an agenda prior to such meeting, the requirement that not less than 50 percent of the Public Directors committee members be present to constitute the quorum shall be deemed satisfied.

(ii) fails to meet any condition placed by the Company on such Trading Privileges; or

(iii) violates any agreement with the Company, a Clearing Firm or a Derivatives Clearing Organization; or

(iv) is a Participant or Sponsored Access Firm through which a Customer trades and, in any such case, any such Customer maintains a position in any Swap that, when considered in light of the other positions maintained by the Participant through which such Customer trades and any other factors that the Company reasonably deems relevant, including, as applicable –

(A) the positions maintained by such Participant or Sponsored Access Firm, such Participant or Sponsored Access Firm's Registered Traders and other Customers,

(B) financial information provided by such Participant or Sponsored Access Firm, and

(C) the Company reasonably believes, after using reasonable efforts to consult with relevant Derivatives Clearing Organizations, that insufficient margin is maintained by such Participant or Sponsored Access Firm at its Clearing Firm,

could jeopardize the financial safety of such Participant or Sponsored Access Firm or any of such Participant or Sponsored Access Firm's other Customers.

For the avoidance of doubt, any limitation, suspension or revocation of Trading Privileges pursuant to paragraph (iv) may, in the sole discretion of the Company, (A) take the form of (x) a full suspension or revocation of Trading Privileges, (y) a requirement that the positions at issue be immediately liquidated in full or reduced to a reasonable level to be set by the Company as a condition to the Trading Privileges remaining in effect provided that the Company will use reasonable efforts to coordinate any such requirement with the relevant Derivatives Clearing Organizations, or (z) a prohibition on the use of such Trading Privileges in respect of the trades of any Customer identified by the Company, and (B) be applied to the Trading Privileges of the Participant at issue, its Registered Traders and Sponsored Access Firms, in each case, as deemed reasonably necessary by the Company for the protection of such Persons and other Participants of the Company.

(d) In the case of any suspension, revocation or limitation of the Trading Privileges of a Participant pursuant to this Rule 309, the Company, in its sole discretion, may also suspend, revoke or limit the Trading Privileges of such Participant's

Registered Traders and Sponsored Access Firms as the Company deems necessary to protect other Participants, Customers and the integrity of the Company.

310. Limitations

Upon notice that a Clearing Firm has revoked any authorization granted and guarantee made by it to a Participant or Sponsored Access Firm pursuant to Rule 1002, the right of such Participant or Sponsored Access Firm and its Registered Traders to access the Company will be automatically terminated unless and until such Participant or Sponsored Access Firm has obtained an authorization and guarantee from another Clearing Firm.

311. Application of Rules and Jurisdiction

(a) Any Person initiating or executing a transaction pursuant to the Rules, directly or through a Participant or Sponsored Access Firm, expressly consents to the jurisdiction of the Company and agrees to be bound by and comply with the Rules in relation to such transactions, including, but not limited to, Rules relating to investigatory and disciplinary processes.

(b) Any Participant, Sponsored Access Firm or Registered Trader whose right to access the Company is revoked or terminated, whether pursuant to Rule 302, Rule 306 or Chapter 7, will remain bound by the Rules and Applicable Law, in each case to the extent applicable, and subject to the jurisdiction of the Company with respect to any and all matters arising from, related to, or in connection with, the status, actions or omissions of such Participant, Sponsored Access Firm or Registered Trader prior to such revocation or termination.

312. Notices from the Company

The Company will publish a notice with respect to each addition to or modification or clarification of the Rules at the time the Company files such Rules with the CFTC, as required by CFTC Regulations, and notice of any action taken to implement any Rule of the Company. Such notices will be published on the Company's website. Where such a Rule amendment could reasonably be expected to require technological, operational or systems changes by Participants, Sponsored Access Firms or Clearing Firms, the Company will (except where such Rule amendment is being adopted in connection with an Emergency) seek to provide advance email notice in a manner that is reasonably designed to enable Participants, Sponsored Access Firms and Clearing Firms, as applicable, to become aware of and familiar with, and to implement any necessary preparatory measures to be taken with respect to, such addition, modification or clarification prior to the effective date thereof.

313. Withdrawal of Participant

(a) To withdraw from the Company, a Participant must notify the Company, following such procedures as may be established by the Company.

(b) The Company will ordinarily grant such a request promptly but may, in its reasonable discretion, postpone the effective date of a Participant's withdrawal if the Company's Participation Committee or Chief Executive Officer considers it necessary for the protection of other Participants or otherwise in the interests of the Company.

(c) Based on the information provided to, and other information gathered by, the Company regarding a Participant's withdrawal request, the Company will determine whether to (i) accept the withdrawal request; (ii) postpone the effective date of the withdrawal; or (iii) impose any terms or conditions before or after the effective date of withdrawal.

(d) If the Company refuses to accept a Participant's withdrawal request or postpones the effective date of withdrawal of a Participant, the Company may waive the obligation to pay some or all of the fees, costs and charges that the Company would have imposed during the period after the date on which the requested withdrawal would have otherwise taken effect.

(e) When the Company accepts the withdrawal of a Participant, all rights and privileges of such Participant terminate (including the Trading Privileges and ability to access the Company). The accepted withdrawal of a Participant shall not affect the rights of the Company under the Rules or relieve the former Participant of its Obligations (including any contractual obligations relating to any Swaps entered into by such Participant, or the payment of any Company fees, costs, or charges incurred prior to such withdrawal). Notwithstanding the accepted withdrawal of a Participant, the withdrawn Participant remains subject to the jurisdiction of the Company for acts done and omissions made while a Participant, and must cooperate in any disciplinary proceeding under Chapter 7 as if such withdrawal had not taken place.

CHAPTER 4 BUSINESS CONDUCT

401. Duties and Responsibilities of Participants

- (a) Each Participant shall, and shall cause its Sponsored Access Firms to:
- (i) use the Trading Platform and effect transactions in Swaps in a responsible manner and not for any improper purpose;
 - (ii) use the Trading Platform only to conduct business that is subject to the Rules and in a manner consistent with the Rules and Company Requirements;
 - (iii) comply with the Rules and Company Requirements and act in a manner consistent with the Rules and Company Requirements;
 - (iv) comply with the rules of the Derivatives Clearing Organization that accepts for clearing a Cleared Swap traded by such Person, to the extent applicable to such Person and such Cleared Swap;
 - (v) observe high standards of fair dealing and just and equitable principles of trade while conducting or seeking to conduct any business connected with or concerning the Company;
 - (vi) not knowingly mislead or conceal any material fact or matter in any dealings or filings with the Company or in connection with a Company Proceeding;
 - (vii) cooperate promptly and fully with the Company in any investigation, inquiry, audit, examination or proceeding regarding compliance with the Rules or any Company disciplinary or arbitration proceeding;
 - (viii) comply with any Order issued by the Company;
 - (ix) keep all Trader IDs, account numbers and passwords related to the Trading Platform confidential; and
 - (x) keep, or cause to be kept, complete and accurate books and records, including but not limited to records of their trading in Swaps, in the instruments underlying any such Swaps or in any instrument or index used as a reference price for a Swap, or in any related derivatives markets, for at least five years, and make such books and records available for inspection by a representative of the Company, the Regulatory Services Provider, the CFTC or the U.S. Department of Justice.
- (b) In addition to the requirements of Rule 401(a), each Participant shall employ practices to monitor and enforce compliance with its internal risk limits and, subject to the limitations set forth in any Error Trade Policy, shall be responsible for all

Orders and transactions effected on the Company by or for the account of such Participant, its Sponsored Access Firms or by any Person using its or their Trader IDs.

(c) Each Participant or Sponsored Access Firm that is registered, or required to be registered, with the CFTC as a swap dealer or a major swap participant is responsible for compliance with the mandatory trading requirement of Section 2(h)(8) of the CEA when such Participant or Sponsored Access Firm enters into a Swap that is made available to trade within the meaning of Section 2(h)(8) of the CEA.

402. Inspections by the Company

(a) The Company may require a Participant or Sponsored Access Firm to furnish, to the extent not prohibited by Applicable Law, such information concerning the Participant or Sponsored Access Firm's business that is subject to the Rules and Company Requirements, including information relating to (i) Swaps executed pursuant to the Rules and in related derivatives markets, including in the products underlying those Swaps, as the Company deems necessary to enable the Company to perform its obligations under Applicable Law; and (ii) information requested by a Regulatory Authority relating to the Company's business as a swap execution facility and/or the Company's compliance with Applicable Law that the Company believes is maintained by, or otherwise in the possession of, a Participant or Sponsored Access Firm.

(b) A Participant or Sponsored Access Firm that is prohibited by Applicable Law from providing such information shall so notify the Company promptly after being asked to do so. The Company may, in such a case, require the Participant or Sponsored Access Firm to provide an opinion of counsel confirming the existence and effect of such prohibition.

403. Minimum Financial and Related Reporting Requirements

(a) Each FCM Participant and each IB Participant shall comply with the provisions of CFTC Regulation 1.17.

(b) Each FCM Participant and each IB Participant shall provide to the Company and to the Regulatory Services Provider, if any, a copy of such FCM Participant's Form 1-FR or FOCUS Report, reasonably contemporaneously with, and substantially in the form such report is filed with a Regulatory Authority. A Participant that is not subject to such filing requirements shall provide the Company with such financial information as the Company may require from time to time.

(c) Each Participant must notify the Company immediately upon becoming aware that it fails to satisfy minimum financial requirements applicable to such Participant and established pursuant to Applicable Law. A Participant that is unable to demonstrate to the Company that it is in compliance with such minimum financial requirements shall not engage in transactions subject to the Rules except for the purpose of closing open positions.

404. Restrictions on Activity

If the Company determines that the financial or operational condition of a Participant or one of its Affiliates is such that to allow that Participant to continue to have access to the Company would adversely affect the Company or the financial markets (including but not limited to such Participant being subject to the notification requirements of CFTC Regulation 1.12 or similar requirements of another Regulatory Authority to which such Participant is subject), the Company may limit or restrict the number or type of Swaps that may be traded by such Participant pursuant to the Rules or terminate the Participant's Trading Privileges.

405. Customers

(a) No Participant or Sponsored Access Firm may solicit or accept an Order from a Customer for the purchase or sale of a Swap unless: (i) such Participant or Sponsored Access Firm is registered with or exempt from registration with the CFTC as necessary; (ii) such Customer is an Eligible Contract Participant; (iii) to the best of its knowledge, such Customer is organized and located in an Authorized Jurisdiction; and (iv) such Participant or Sponsored Access Firm has entered into an agreement with the Customer containing such terms as may from time to time be prescribed by the Rules.

(b) Each Customer shall be the principal to all Swaps resulting from any Order or RFQ submitted on behalf of the Customer. Where a Participant or Sponsored Access Firm is acting on behalf of a Customer, the Participant or Sponsored Access Firm shall have no liability to any other party for the performance of any Swap effected on behalf of such Customer.

(c) Subject to Rule 538, disputes arising out of errors made in the transmission or execution of a Customer Order or RFQ shall be resolved by the Customer and Participant or Sponsored Access Firm in accordance with the provisions of Chapter 8.

(d) Without prejudice to the generality of paragraph (a), a Participant or Sponsored Access Firm's agreement with a Customer must provide that the Customer agrees that all Swaps shall be governed by the Rules and, to the extent applicable to a Swap effected for the account of the Customer, the CEA and CFTC Regulations.

406. Confirmations

(a) The Company shall provide each counterparty to a Swap with a written record of all of the terms of the Swap which shall serve as a confirmation of the Swap. The economic terms specific to the transaction agreed by Participants and/or Sponsored Access Firms with respect to an Uncleared Swap shall be reflected by the Company in a written communication (the "**Trade Communication**") sent to the applicable Participants and/or Sponsored Access Firms that are party to such Uncleared Swap. The Trade Communication, together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master confirmation agreements, and incorporated industry definitions) governing such

Uncleared Swap existing at the time of such commitment to which such Participants and/or Sponsored Access Firms are party (the “**Terms Incorporated by Reference**”) shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such transaction and serve as a confirmation of such transaction (the Trade Communication and Terms Incorporated by Reference, together, the “**Confirmation**”).

(b) In satisfaction of the obligations imposed on the Company under CFTC Regulation 37.6(b), (i) each Trade Communication is deemed to incorporate the Terms Incorporated by Reference set forth in this Rule 406, and (ii) the Participants and/or Sponsored Access Firms that are party to the Uncleared Swap referenced in such Trade Communication hereby agree that the provisions of paragraph (c) shall govern any conflicting terms.

(c) In the event of any conflict between (x) the Trade Communication and (y) the Terms Incorporated by Reference, the Trade Communication shall prevail to the extent of the inconsistency.

(d) A Swap that is effected as a Block Trade shall be confirmed by the Company promptly after it is reported to the Company pursuant to Rule 601.

(e) Each Customer authorizes the Company to send confirmations of Swaps that are effected through a Participant or Sponsored Access Firm to such Participant or Sponsored Access Firm and authorizes such Participant or Sponsored Access Firm to accept such confirmations on behalf of the Customer.

407. System Security

(a) Each Participant must at all times have at least one employee or agent (the “**Responsible Person**”) designated as its administrator with respect to the use of the Trading Platform by such Participant (including its Sponsored Access Firms). The Company may prescribe such qualification standards for Responsible Persons as it may from time to time determine necessary or advisable. Among other things, each Responsible Person shall (i) control access to the Trading Platform by the Participant (including its Sponsored Access Firms) and (ii) be able to access, directly or through the Company and, if required, modify and withdraw, any and all Orders placed, or purported to be placed, by such Participant (including its Sponsored Access Firms). The Responsible Person or Responsible Persons of any Participant will also be solely responsible for any and all communications between the Company and such Participant, and any and all notices or other communications sent to such Responsible Person or Responsible Persons by the Company will be binding on such Participant. Each Participant must notify the Company promptly of any change regarding any of its Responsible Persons.

(b) Each Participant shall be responsible for controlling and monitoring all Trader IDs, other user identification codes and passwords used to access the Trading Platform (collectively, “**Trader Information**”) that are issued to such Participant by the Company and must notify the Company promptly upon becoming aware of any

unauthorized disclosure or use of Trader Information or access to the Company and any other reason for deactivating Trader Information. Except in any case where there has been a final adjudication by a court of competent jurisdiction in which the Company has been found to have failed to safeguard or control the use of such Trader Information and that such failure was grossly negligent or the result of willful misconduct by the Company (in which case the provisions of Rule 914 shall not apply), each Participant shall be bound by any actions taken through the use of its Trader Information, including the execution of transactions, whether or not such actions were authorized by such Participant or any of its Registered Traders.

(c) To the extent necessary to ensure the operational integrity of the Trading Platform, the Company may at any time restrict or limit the access of Persons to specified locations, and each Participant must ensure prompt compliance by itself and its Sponsored Access Firms with any such limitation.

408. Information Regarding Orders

(a) The Company will make information regarding Orders (including prices bid or offered), trades and any other matters it may deem appropriate available to Participants and other Persons at such times and in such manner (whether through the Trading Platform, the Company's website, market data providers or otherwise) as it may consider necessary or advisable from time to time.

(b) Each Participant or other Person receiving any such information through the Trading Platform shall not redistribute such information other than to the extent and in the manner as may be expressly permitted by the Company in writing from time to time. The foregoing limitation shall not apply to Participant Data.

409. Publication of Trade Information

The Company shall publish information on its website daily regarding volume, price ranges, open interest and settlement prices (based on non-cancelled bids, non-cancelled offers, and sales) subject to such prices accurately reflecting market conditions within the discretion of the Company. The Company shall also publish on its website on a daily basis the total quantity of Block Trades that are included in the total volume of trading. Information on settlement prices and open interest shall be provided, as applicable, by the relevant Derivatives Clearing Organization.

(b) Each Order entered into the Trading Platform must contain a Trader ID that identifies the Registered Trader that entered the Order. Each Participant must

specify, and must ensure that its Sponsored Access Firms and Registered Traders specify, the applicable Trader ID for every Order.

(c) No Person may use a Trader ID to place any Order except as permitted by these Rules, nor may any Person knowingly permit or assist the unauthorized use of a Trader ID. Each Participant and Sponsored Access Firm, on behalf of itself and each of its Registered Traders shall ensure that no Trader ID is used by any Person not authorized by these Rules. Each Participant and Registered Trader must have in place policies and procedures acceptable to the Company to ensure the proper use and protection of Trader IDs.

(d) Each Participant shall ensure the accuracy of the registration information of its Registered Traders, and those of its Sponsored Access Firms, at all times.

(e) Each Participant shall notify the Company promptly upon becoming aware of:

(i) any unauthorized disclosure or use of any Trader ID assigned to it or any of its Registered Traders and of any other reason for deactivating a Trader-ID; and

(ii) any unauthorized access to the Trading Platform by any Person using a Trader ID assigned to such Participant, its Registered Traders and Sponsored Access Firms.

(f) Each Participant and Sponsored Access Firm shall be bound by any actions taken through the use of a Trader ID assigned to such Person's Registered Traders (other than any such actions resulting from the fault or negligence of the Company), including the submission of Orders and/or execution of transactions, whether or not such actions were taken or authorized by such Participant, Sponsored Access Firm or Registered Trader, as the case may be.

505. Orders

(a) As applicable, Orders may be entered electronically or, as agreed in advance with an employee of the Company, submitted by telephone, email, instant message or through such other medium as may be agreed from time to time.

(b) Depending on the method by which an Order is submitted, an Order may contain one or more of the following designations:

(i) *Limit Orders* – Limit Orders are Orders to buy or sell a stated quantity at a specified price, or at a better price, if obtainable. Unless otherwise specified, any residual volume from an incomplete limit Order that is not withdrawn or executed is retained in the Order Book until the end of the day. All Limit Orders are removed from the Order Book at the end of the trading session.

(ii) *All or None (AON)* – A Limit Order where only the entire submitted size is available for execution.

(iii) *Time-in-Force (TiF) Orders* – Limit Orders that will be held within a specified time frame.

506. Order Entry

(b) Audit Trail Requirements.

(i) Participants that provide connectivity to the Trading Platform are responsible for maintaining or causing to be maintained a routing/front end audit trail (“**Audit Trail**”) for all electronic Orders, which shall include Order entry, modification, cancellation and responses to such messages. Audit Trail information shall be entered into the Trading Platform through any gateway to the

Trading Platform, including the times of each message to the highest level of precision achievable by the Participant's operating system, but at least to the hundredth of a second. Times that are so captured must not be capable of being modified by the Person entering the Order. Audit Trail data must contain, in addition to the information required by paragraph (a), all required FIX Tag information and fields including, as applicable, a record of all fields relating to Order entry, including transaction date, product, exchange code, expiration, quantity, Order type, price, buy/sell indicator, stop/trigger price, Order number, unique swap identifier, legal entity identifier, Trader ID, Clearing Firm, account designation, CTI code and timestamps. For executed Orders, the Audit Trail must record the execution time of the trade along with all fill information.

(ii) Participants shall maintain Audit Trail information as required by Applicable Law and must have the ability to produce Audit Trail data in a reasonably useable format upon request of the Company.

(iii) A Participant whose Customer is itself a Participant or Sponsored Access Firm may agree with such Customer that it is the Customer's obligation to maintain the Audit Trail for such Customer's Orders. Any such agreement shall be in writing, and a copy of such agreement shall be provided to the Company.

(c) In addition to the requirements set forth in paragraphs (a) and (b), each Participant, Sponsored Access Firm and Registered Trader that submits an Order to buy or sell a Swap shall include with each such Order the following information (to the extent such information is not pre-populated by the Trading Platform):

Post-allocation Swaps shall be respectively effected and reported in accordance with the rules of the Derivatives Clearing Organization and Swap Data Repository and in accordance with CFTC Regulations.

(d) *Customer Type Indicator (CTI) Codes.*

Each Participant must include the correct CTI code with each transaction executed or submitted for execution on the Trading Platform to the extent not already reflected by the Trading Platform. The CTI codes are as follows:

A suspense account may also be used at the time of Order entry for bunched Orders that are eligible for post-trade allocation and that are executed and allocated in accordance with CFTC Regulation 1.35(b)(5).

507. Matching of Orders

(a) Except as otherwise provided in these Rules, Orders entered for electronic execution on the Trading Platform will, depending on the Swap, be matched in accordance with an algorithm, the detailed operation of which may vary between the electronic systems utilized by the Trading Platform for transactions in different Swap asset classes and which shall be set out in notices issued by the Company.

(b) For certain Swaps, a workup (“**Join the Trade**” or “**JTT**”) session may commence after a transaction is executed in the Order Book. During a JTT session, Participants and Sponsored Access Firms in the triggering transaction and other Participants and Sponsored Access Firms are invited to participate in the transaction to buy or sell additional quantities of the same instrument at the previously executed price level. The Company may provide the initial counterparties to a Swap execution exclusivity or priority during a JTT session. The operation of the Order Book may or may not be suspended with respect to a Swap that is subject to a JTT session, but any pre-existing orders in the Order Book that are equal to or better than the price of a triggering transaction will be automatically included in the JTT session. Orders in the Order Book that are not filled during the JTT session will remain in the Order Book unless and until cancelled or expired. The Company will provide notice prior to the commencement of a JTT session, which notice will include the starting time and duration (if not subsequently extended by the Company) of the JTT session.

508. Request for Quote

(a) Participants and Sponsored Access Firms may initiate and respond to RFQs for Required Transactions and for Permitted Transactions.

(b) The provisions of this paragraph (b) shall apply to an RFQ that is utilized in connection with a Required Transaction.

(i) A Participant or Sponsored Access Firm may submit an anonymous or disclosed request for quote to all Participants and Sponsored Access Firms and in any case to not fewer than the minimum number of Participants and Sponsored Access Firms required under CFTC Regulations.

(ii) Participants and Sponsored Access Firms receiving such an RFQ that are Affiliates of the requester shall not be counted toward the minimum required number of market participants. In the event that Participants or Sponsored Access Firms receiving such an RFQ are Affiliates of each other, only one such Participant or Sponsored Access Firm shall be counted toward the minimum required number of market participants.

(iii) In the event a Participant or Sponsored Access Firm does not specify the other Participants or Sponsored Access Firms to whom a RFQ is to be sent, the Company’s representative shall select and communicate the RFQ to not fewer than the minimum required number of eligible Participants and/or Sponsored Access Firms in a manner consistent with such instructions as may have been given by the Participant or Sponsored Access Firm and otherwise in accordance with what the Company’s representative believes to be the best sources of liquidity to achieve high-quality execution.

(iv) At the time that the requester receives the first responsive bid or offer, the Company shall communicate to the requester any firm bid or offer pertaining to the same instrument resting on an Order Book and shall provide the

requester with the ability to execute against such firm resting bids or offers along with any responsive responses to the Request for Quote.

(v) The Trading Platform may offer the party initiating an RFQ the ability to make a counteroffer to any quotes that it receives. A requester that, upon receipt of a response to an RFQ, desires to make such a counteroffer must submit such counteroffer to not fewer than the minimum required number of eligible Participants and/or Sponsored Access Firms.

(c) Except as may be necessary to respond to an RFQ, an employee or agent of a Participant or Sponsored Access Firm that has knowledge of or that has received one or more responses to an RFQ that it submitted on behalf of any Person, other an Affiliate of such Participant or Sponsored Access Firm, shall not disclose such responses to any Person, including other employees and agents of such Participant or Sponsored Access Firm, other than the Person on whose behalf the RFQ has been submitted, the Company or a Regulatory Authority.

(d) The Company may, for certain asset classes and with notice given pursuant to Rule 915(b), permit a Participant or Sponsored Access Firm that has initiated an RFQ to accept more than one of the responses to such RFQ.

(e) The parties to a Swap that results from an RFQ shall provide the Company with such Required Swap Creation Data as is known by the parties at the time the Swap is reported to the Trading Platform.

(f) The Company shall reflect an RFQ that is not executed solely by electronic means in the Company's audit trail promptly after the execution of such RFQ.

509. Voice Execution; Brokered Trades

(a) In addition to the methods of execution set forth in Rule 507 and in Rule 508, directions to effect a Required Transaction may be given to an employee of the Company. Subject to the requirements of CFTC Regulations relating to the execution of Required Transactions and instructions that may be given by a Participant or Sponsored Access Firm, such directions may be effectuated as such employee deems appropriate, taking into account liquidity, the size and price of the Order or RFQ, the credit arrangements of the Parties to the trade (where applicable), and such other factors as such employee deems relevant in the circumstances.

(b) A Participant acting as Broker shall be entitled to enter Orders and execute transactions on the Trading Platform or pursuant to the Rules on behalf of another Participant or on behalf of a Sponsored Access Firm or Customer where such other Participant, Sponsored Access Firm or Customer has so authorized the Broker and notified the Company in the form and manner specified by the Company from time to time. A Broker that is so authorized may enter any Order, initiate or respond to an RFQ or Indication of Interest, submit a Block Trade or Brokered Trade, and enter into a Swap on behalf of such Participant, Sponsored Access Firm or Customer. In engaging in any such activity, a Broker shall comply with the Rules and be subject to the jurisdiction of

the Company to the same extent as the Participant, Sponsored Access Firm or Customer for which it acts.

(c) A Broker may arrange a Permitted Transaction between two parties that is to be submitted to the Company for execution pursuant to the Rules (a “**Brokered Trade**”). The terms of a Brokered Trade must be acknowledged by the parties to the trade before it is submitted to the Company by the Broker in a manner, and subject to the deadlines, prescribed from time to time by the Company. A Brokered Trade will not be deemed to have been effected pursuant to the Rules, or to create a binding obligation between the parties thereto, until it is received, accepted and affirmed by the Company. The Broker may, but is not required to be, be a party to such Brokered Trade, but each party must be a Participant, Sponsored Access Firm or Customer.

510. Rule Violations

It shall be prohibited for a Participant or any of its Sponsored Access Firms or Registered Traders to violate any Rule of the Company or any agreement made with the Company, or to engage in fraud, dishonorable or dishonest conduct, or conduct which is inconsistent with just and equitable principles of trade. No Person shall take action or direct another to take action based on nonpublic information regarding Orders, however acquired. The mere statement of opinions or indications of the price at which a market may open or resume trading does not constitute a violation of this Rule.

511. Fraudulent Acts Prohibited

No Participant or any of its Sponsored Access Firms or Registered Traders shall engage in any fraudulent act or any scheme to defraud, deceive, trick or mislead in connection with or related to any Company activity.

512. Fictitious or Noncompetitive Transactions Prohibited

No Participant or any of its Sponsored Access Firms or Registered Traders shall create a fictitious transaction or a noncompetitive transaction (except, in the case of a noncompetitive transaction, as otherwise authorized by the Rules) or execute such an Order with knowledge of its nature.

513. Fraudulent or Misleading Communications

No Participant or Sponsored Access Firm shall make any fraudulent or misleading communications relating to any transaction in a Swap.

514. Market Disruption Prohibited

Orders entered into the Trading Platform for the purpose of upsetting the equilibrium of the market in any Swap or creating a condition in which prices do not or will not reflect fair market values are prohibited, and a Participant or any of its Sponsored Access Firms or Registered Traders who makes or assists in entering any such Order with knowledge of its purpose or who, with such knowledge, in any way assists in

carrying out any plan or scheme for the entering of any such Order shall be deemed to have engaged in an act detrimental to the Company.

515. Market Manipulation Prohibited

No Participant or any of its Sponsored Access Firms or Registered Traders shall manipulate or attempt to manipulate the market in any Swap.

516. Disruptive Trading Practices Prohibited

No Person shall engage in any trading practice or conduct that constitutes a “disruptive trading practice,” as such term is described in Section 4c(a)(5) of the CEA or in interpretive guidance issued by the CFTC. A Participant, Sponsored Access Firm, Registered Trader or Broker shall not be deemed to be violating bids or offers, as used in Section 4c(a)(5) of the CEA or in interpretive guidance issued by the CFTC, to the extent such Person: (i) initiates or responds to an RFQ in accordance with Rule 508, or (ii) enters or executes an Order to buy a Cleared Swap specified for a particular DCO at a price that is higher than the lowest available offer or to sell a Cleared Swap specified for a particular DCO at a price that is lower than the highest available bid, if such lower offer or higher bid is for a Swap that is not a Cleared Swap or for a Cleared Swap that is to be cleared by another DCO.

517. Adherence to Law

No Participant or any of its Sponsored Access Firms or Registered Traders shall engage in conduct in violation of the Rules or the rules of the Derivatives Clearing Organization (insofar as the rules of the DCO relate to the reporting or clearance of any transaction in Swaps).

518. Good Faith Bids and Offers

No Participant or any of its Sponsored Access Firms or Registered Traders shall knowingly enter, or cause to be entered, bids or offers into the Trading Platform other than in good faith for the purpose of executing bona fide transactions.

519. Disciplinary Procedures

All access denials, suspensions, expulsions and other restrictions imposed upon a Participant or any of its Sponsored Access Firms or Registered Traders by the Company pursuant to Company disciplinary procedures shall restrict, with equal force and effect, access to, and use of, the Trading Platform.

520. Termination of Connection

(a) The Company, at its sole discretion, shall have the right to summarily terminate the Trading Privileges of any Participant or the access of any Trader ID to the Trading Platform. Additionally, the Company, at its sole discretion, shall have the right

to direct a Participant to immediately terminate access to the Trading Platform of any of such Participant's Sponsored Access Firms or Registered Traders.

(b) A Participant, Sponsored Access Firm or Registered Trader whose Trading Privileges are revoked or terminated, shall remain bound by the Rules and Applicable Law and subject to the jurisdiction of the Company with respect to any and all matters arising from, related to, or in connection with, the status, acts or omissions of such former Participant arising prior to such revocation or termination. Such former Participant, Registered Trader or Sponsored Access Firm must also cooperate in respect of any disciplinary proceeding arising under Chapter 7 as if such former Participant, Sponsored Access Firm, Registered Trader were still a Participant, Sponsored Access Firm or Registered Trader.

521. Prohibition of Misstatements

No Participant or any of its Sponsored Access Firms or Registered Traders shall make any knowing misstatement of a material fact to the Company, any Company Official, or any committee or Company panel.

522. Acts Detrimental to Company Prohibited

No Participant or any of its Sponsored Access Firms or Registered Traders shall engage in any act that is detrimental to the Company or access the Trading Platform in any way which could be expected to bring disrepute upon such Participant, Sponsored Access Firm or Registered Trader, or the Company. Without limiting the generality of the foregoing, it shall be deemed an act detrimental to the Company to (i) permit unauthorized use of the Trading Platform; (ii) assist any Person in obtaining unauthorized access to the Trading Platform; (iii) trade on the Trading Platform without an agreement and an established account with a Clearing Firm (with the exception of Uncleared Swaps); (iv) alter the equipment associated with the Trading Platform (except with the Company's consent); (v) interfere with the operation of the Trading Platform; (vi) intercept or interfere with information provided thereby; or (vii) in any way use the Trading Platform in a manner contrary to the Rules.

523. Supervision

A Participant shall establish, maintain and administer supervisory procedures that are reasonably designed to monitor the compliance of its Sponsored Access Firms and Registered Traders with the Rules, and such Participant may be held accountable for the actions of such Sponsored Access Firms and Registered Traders.

524. Liquidity Provider Programs

The Company, in order to provide liquidity and orderliness in a market, may from time to time adopt programs granting one or more Participants, designated as Liquidity Providers, benefits in return for assuming and adequately performing obligations. Any such program may contain:

(a) The qualifications to become a Liquidity Provider, including without limitation any minimum net capital requirements;

(b) The procedure by which a Participant may seek and receive designation as a Liquidity Provider;

(c) The obligations of a Liquidity Provider, including without limitation, maximum bid/offer spread and minimum quote size; and/or

(d) The benefits accruing to a Liquidity Provider, including without limitation, reduced transaction fees and/or the receipt of compensatory payments from the Company.

525. Responsibility for Customer Orders

(a) A Participant or Sponsored Access Firm who inadvertently fails to execute a Customer Order at the time it should have been executed may, upon discovery of such error or omission, execute such Order at the best obtainable price. Unless the Customer that has placed the Order agrees otherwise, such Order shall be executed as promptly as practicable and shall be reported to the Customer at the price at which actually executed. A Participant or Sponsored Access Firm may not adjust the price at which an Order was executed other than in accordance with instructions issued pursuant to Rule **Error! Reference source not found.** A Participant or Sponsored Access Firm that agrees to compensate a Customer for such an error shall document all such payments, including the amount of any payment and the reason therefor. Such records must be provided to the Company upon request.

(b) A Participant or Sponsored Access Firm may execute an Order to rectify an error as provided in paragraph (a) without prior instructions from the Customer, but this Rule 525 shall not be construed to contravene any instructions received from a Customer respecting any such Order prior to its execution.

526. Withholding of Customer Orders Prohibited

No Participant or Sponsored Access Firm shall withhold or withdraw from the market any Customer Order, or any part of an Order, for the benefit of any Person other than the Customer for whom the Participant is placing the Order.

527. Priority of Customer Orders

(a) No Participant or Sponsored Access Firm shall knowingly enter an Order into the Trading Platform for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority, including, without limitation, an Order allowing discretion as to time and price, when such Participant or Sponsored Access Firm is in possession of a Customer Order that can be but has not been submitted to the Trading Platform.

(b) For purposes of this Rule 527, a Participant or Sponsored Access Firm will not be deemed to knowingly buy or sell a Swap or execute a discretionary Order if (i) such Participant or Sponsored Access Firm is a corporate or other legal entity consisting of more than one individual trader, (ii) such Participant or Sponsored Access Firm has in place appropriate “firewalls” or separation of function procedures, and (iii) the Registered Trader buying or selling the Swap or executing the discretionary Order in question has no direct knowledge of the Order to buy or sell the same Swap for any other Person at the same price or at the market price or of the Customer Order for the same Swap, as the case may be.

(c) Nothing in this Rule 527 limits the ability of an “eligible account manager” to bunch Orders in accordance with CFTC Regulation 1.35(b)(5).

528. Trading Against Customer Orders

(a) *General Prohibition.* No Participant or Sponsored Access Firm in possession of a Customer Order shall knowingly take, directly or indirectly, the opposite side of such Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority.

(b) *Exceptions.* The foregoing restriction does not prohibit permissible Pre-Execution Communications conducted in accordance with Rule 533(b) and shall not apply to the following:

(i) Transactions executed pursuant to Rule 601;

(ii) A trade knowingly made by a Participant or Sponsored Access Firm in the Order Book against a Customer Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority if, in any such case, the Customer Order has first been exposed in the Order Book for a minimum of five seconds; or

(iii) Permitted Transactions.

529. Simultaneous Buying and Selling Orders

(a) Opposite Orders for different beneficial owners that are simultaneously placed by a Participant or Sponsored Access Firm with discretion (including time and price discretion) over both accounts may be entered into the Trading Platform, as long as one Order is exposed for a minimum of five seconds.

(b) Independently initiated Orders on opposite sides of the market for different beneficial account owners that are immediately executable against each other may be entered without delay provided that the Orders did not involve Pre-Execution Communications.

(c) This Rule 529 shall not apply to Permitted Transactions.

530. Disclosing Orders Prohibited

Except as permitted by Rule 533(b), no Participant or Sponsored Access Firm shall disclose an Order to buy or sell, except to a designated Company Official or the CFTC or as necessary to efficiently execute the Order, and no Participant or Sponsored Access Firm shall solicit or induce another Person to disclose Order information.

531. Wash Sales Prohibited

No Person shall buy and sell a Swap, place or accept buy and sell Orders in the same Swap, or knowingly execute or accommodate the execution of such Orders by direct or indirect means, if the Person knows or reasonably should know that the purpose of the transactions is to avoid taking a bona fide market position exposed to market risk. Buy and sell Orders for different accounts with common beneficial ownership that are entered with the intent to negate market risk or price competition shall also be deemed to violate this Rule.

532. Modification and Cancellation of Orders

Any Order that has been entered into the Trading Platform may be modified or cancelled unless and until it has been executed or has otherwise expired. Any such modification or cancellation requires that a modification Order or cancellation Order, as the case may be, with respect to the original Order be entered into the Trading Platform. Such modification or cancellation will become effective upon receipt by the Trading Platform of the modification Order or cancellation Order. Every Order automatically expires at the end of the Trading Hours on the calendar day such Order is placed, in the event of any suspension or curtailment of trading, or in the case of any failure of the Trading Platform.

533. Money Passing, Prearranged, Pre-Negotiated and Noncompetitive Trades Prohibited

(a) No Person shall prearrange or pre-negotiate any purchase or sale or noncompetitively execute any Order, except as provided in paragraph (b) below. The foregoing restriction shall not apply to Block Trades effected pursuant to Rule 601 or to Permitted Transactions.

(b) Participants, Sponsored Access Firms, Registered Traders and Customers may engage in Pre-Execution Communications with regard to Required Transactions executed or to be executed in the Order Book if one party (the first party) wishes to be assured that a contra party (the second party) will take the opposite side of the first party's Order, subject to the following restrictions:

(i) A party may not engage in Pre-Execution Communications with other market participants on behalf of another party unless the party for whose benefit the trade is being made has previously consented to permit such communications.

(ii) Parties to Pre-Execution Communications shall not disclose to a non-party the details of such communications or enter an Order to take advantage of information conveyed during such communications except in accordance with this Rule.

(iii) One party's Order must be entered into the Order Book and the other party's Order may not be entered into the Order Book until a period of five seconds has elapsed from the time entry of the first Order.

As used in this Rule 533(b), "**Pre-Execution Communication**" means communications between two Participants, Sponsored Access Firms, Registered Traders or Customers for the purpose of discerning interest in the execution of a transaction prior to the entry of an Order with respect to such Transaction, which shall include any discussion of the size, side of the market or price of an Order or potentially forthcoming Order.

(c) No Person may enter Orders the purpose of which is to enter into Swaps without a net change in either party's open positions but a resulting profit to one party and a loss to the other party, commonly known as a "money pass."

534. Discretionary Orders

No Participant or Sponsored Access Firm shall submit a discretionary Order to the Trading Platform for the account of another Person without the prior specific written consent of such other Person to the exercise of such discretion. An Order that gives a Participant solely time and price discretion shall not be subject to this Rule.

535. Position Limits; Exemptions

(a) The Company may establish position limits for one or more Swaps, and grant exemptions from position limits, in accordance with CFTC Regulations. A Person seeking an exemption from position limits must apply to the Market Regulation Department in the form and manner required by the Company.

(b) A Person intending to exceed position limits, including limits established pursuant to a previously approved exemption, must file the required application and receive approval from the Company prior to exceeding such limits. Notwithstanding the foregoing, a Person who establishes an exemption-eligible position in excess of position limits and files the required application with the Company shall not be in violation of this Rule provided the filing occurs within one Business Day after assuming the position. In the event the positions in excess of the limits are not deemed to be exemption-eligible, the applicant will be in violation of speculative limits for the period of time in which the excess positions remained open.

(c) The Company shall, on the basis of the application and any requested supplemental information, determine whether an exemption from position limits shall be granted. The Company may approve, deny, condition or limit any exemption request based on factors deemed by the Company to be relevant, including, but not limited to, the applicant's business needs and financial status, as well as whether the positions can be

established and liquidated in an orderly manner. A Person that has received an exemption from position limits pursuant to this Rule 535 shall be deemed to have agreed:

(i) to comply with all terms, conditions or limitations imposed by the Company with respect to the exemption;

(ii) that the Company may modify or revoke the exemption at any time;

(iii) to initiate and liquidate positions in an orderly manner; and

(iv) to promptly submit a supplemental statement to the Company whenever there is a material change to the information provided in the most recent application.

(d) A Participant or Sponsored Access Firm shall not be in violation of this Rule if it carries positions for its Customers in excess of the applicable position limits for such reasonable period of time as the firm may require to discover and liquidate the excess positions. For the purposes of this Rule, a reasonable period of time shall generally not exceed one Business Day. A Customer who exceeds the position limits as a result of maintaining positions at more than one Participant or Sponsored Access Firm shall be deemed to have waived confidentiality regarding his positions and the identity of the Clearing Firm(s) at which they are maintained. A Participant or Sponsored Access Firm carrying such positions shall not be in violation of this Rule if, upon notification by the Company, it liquidates its pro-rata share of the position in excess of the limits or otherwise ensures the Customer is in compliance with the limits within a reasonable period of time.

(e) Nothing in this Rule 535 shall in any way limit:

(i) the authority of the Company to take emergency action; or

(ii) the authority of the Company to review at any time any position owned or controlled by any Person and to direct that such position be reduced to the applicable position limit.

(f) A Person who has received written authorization from the Company for an exemption from position limits must annually file an updated application on or before the date that is one year following the approval date of the most recent application. Failure to file an updated application shall result in expiration of the exemption.

(g) No Person shall exceed position limits that may be established by the Company or the CFTC, unless an exemption is granted by the Company. Any Person making a bid or offer that would, if accepted, cause such person to exceed the applicable position limits shall be in violation of this Rule.

536. Position Accountability

(a) The Company shall establish position accountability levels for Required Transactions unless the Company has previously established position limits pursuant to Rule 535. A Person who holds or controls aggregate positions in excess of position accountability levels shall:

(i) provide, in a timely manner upon request by the Company, information regarding the nature of the position, trading strategy, and hedging information, if applicable;

(ii) be deemed to have consented, when so ordered by the Company, not to further increase the positions which exceed such position accountability levels; and

(iii) initiate and/or liquidate such positions in an orderly manner.

(b) For purposes of this Rule 536, all positions in accounts for which a Person, by power of attorney or otherwise, directly or indirectly controls trading shall be included with the positions held by such Person. The provisions of this Rule shall apply to positions held by two or more Persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by or the trading of the positions was controlled by a single Person.

537. Aggregation of Positions

For purposes of Rule 535 and Rule 536, positions in Swaps shall be aggregated in accordance with CFTC Regulations.

538. Trade Cancellations and Adjustments; Error Trade Policy

(a) *Scope.* The Company may from time to time adopt Error Trade Policies for one or more Swaps or classes of Swaps, which Policies will be posted on the Company's website and will, when adopted, be distributed by the Company to all Participants and Sponsored Access Firms. Paragraphs (b), **Error! Reference source not found.**, **Error! Reference source not found.** and (i) of this Rule **Error! Reference source not found.** apply to Swaps which have been executed at prices that were entered in error and which are the subject of an Error Trade Policy. Paragraphs **Error! Reference source not found.**-**Error! Reference source not found.** and (i) of this Rule **Error! Reference source not found.** apply to Swaps which have been executed at prices that were entered in error and which are not the subject of an Error Trade Policy. Paragraphs **Error! Reference source not found.**, (h) and (i) of this Rule apply to trade cancellations and adjustments resulting from a Trading Platform malfunction or an error by an employee of the Company.

(b) *Error Trade Policy.*

(i) Transactions in Swaps that are the subject of an Error Trade Policy shall not be subject to the provisions of this Rule other than this paragraph (b) and paragraphs **Error! Reference source not found.**, (g) and (i) of this Rule **Error! Reference source not found.**

(ii) The Company shall be authorized to cancel any Order, response to an RFQ or Indication of Interest and to cancel or adjust any transaction pursuant to an Error Trade Policy.

(c) *Cancellations and Price Adjustments (No Error Trade Policy).* The Company may cancel or adjust the price of any trade as provided in this Rule 538. All decisions of the Company to cancel or adjust a trade, or to decline to cancel or adjust a trade, shall be final. All determinations of the Company regarding the cancellation of trades or the adjustment of prices shall, subject to paragraph (i) of this Rule, be final and the Company shall not have any liability for losses arising out of determinations made by the Company pursuant to this Rule, notwithstanding the limitations on liability otherwise set forth in Rule 914.

(d) *Determination to Review a Trade (No Error Trade Policy).* The Company may determine to review a trade based on its independent analysis of market activity or upon request for review by a user of the Trading Platform. A request for review must be made within 15 minutes of the execution of the trade, and the Company shall determine whether to review a trade promptly after a such request has been received. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news, or in any other circumstance in which the Company deems it to be appropriate, the Company may determine, in its sole discretion, that a trade shall not be subject to review. Upon deciding to review a trade, the Company will promptly issue an alert to involved Participants and Sponsored Access Firms via the Trading Platform or electronic mail indicating that the trade is under review. If the Company accepts a request for review, the Company shall complete such review within one Business Day after it accepts such request unless it notifies involved Participants and Sponsored Access Firms that it is unable to complete its review during this time period.

(e) *Review of Trades (No Error Trade Policy).*

(i) In reviewing a trade, the Company will first determine whether the price of the trade is in the Non-Reviewable Range. For purpose of this Rule 538, “**Non-Reviewable Range**” means, with respect to a Swap, any price that is not more than 10% higher or lower than the most recent price of: (A) a transaction in such Swap effected pursuant to the Rules, other than a Block Trade or the Swap that is under review; (B) if the Swap is a Cleared Swap, the settlement price established therefor by a Derivatives Clearing Organization; or (C) if the prices described in clauses (A) and (B) occurred more than one Business Day before the date of the Swap that is being reviewed, the price for such Swap or an economically equivalent swap most recently reported by a Swap Data Repository.

If the Company determines that the price of a trade is inside the Non-Reviewable Range, the Company will issue an alert indicating that the trade shall stand as executed.

(ii) If the Company determines that the price of a trade is outside the Non-Reviewable Range, the Company shall have the right, in its sole discretion, to cancel or adjust the price of such trade if it believes that allowing the trade or trades to stand as executed could have a material, adverse effect on the integrity of the market or is necessary to mitigate market disrupting events caused by the improper or erroneous use of the Trading Platform or by system defects. A decision by the Company to cancel or adjust the price of a trade will be made as soon as practicable, and the Company shall notify Participants, Sponsored Access Firms, the Swap Data Repository and, if applicable, the Derivatives Clearing Organization of any such decision. The Company may consider any relevant information, including, but not limited to, the last trade price of the Swap or a better bid or offer, a more recent price for a different maturity date, the price of the same or related Swap established in another venue or another market, the market conditions at the time of the trade, Indications of Interest, and responses to an RFQ.

(f) *Liability for Losses Resulting from Price Adjustment or Cancelled Trade.*

(i) *Cancelled Trades.* A Person responsible for an Order that results in a cancelled trade may be liable for the reasonable out-of-pocket losses incurred by Persons whose trades were cancelled. Issues of liability in such cases will be determined in accordance with the arbitration procedures specified in Chapter 8.

(ii) *Price-Adjusted Trades.* A Person responsible for an Order that results in a trade price adjustment shall generally not be liable for losses, other than the price adjustment, incurred by Persons whose trade prices were adjusted. A claim for a loss pursuant to this subparagraph (ii) must be submitted to the Company, on the form provided by the Company for such purpose, within five Business Days of the price-adjusted trade giving rise to the claim. The Company shall reject any claim that is not permitted by this Rule 538 and such determination shall be final. All claims that are not rejected by the Company shall be forwarded to the party responsible for the Order(s) that resulted in the price adjustment. Such party shall, within ten Business Days of receipt of the claim, admit or deny responsibility in whole or in part, but the liability for losses for a single incident shall be limited to \$500,000. To the extent that liability is admitted, payment shall be made within ten Business Days. If liability is admitted but the total claims exceed \$500,000, the claims shall be reduced pro rata so that the total payment does not exceed \$500,000. To the extent that liability is denied, the claims shall be submitted to arbitration in accordance with Chapter 8 of these Rules.

(g) *Trade Cancellation and Adjustment Procedures.* Upon a determination by the Company that a trade shall be cancelled or that trade prices shall be adjusted, that

decision will be implemented. The cancelled trade price and any price quotes that have been adjusted shall be reflected as cancelled in the Company's official records and shall be reported by the Company to the Swap Data Repository.

(h) *Trading Platform Malfunctions and Employee Errors.* If a Participant or Sponsored Access Firm believes that an Order or RFQ was incorrectly displayed, executed and/or reported, it may request review of the Order, RFQ and any resulting transaction. Upon receipt of such a request for review, the Company will review its records to determine if the Order or RFQ was correctly displayed and/or executed by the Trading Platform or, if relevant, by an employee of the Company acting pursuant to Rule 509. If, as a result of that review, the Company determines that a mistake occurred as a result of a malfunction in the Trading Platform or as a result of an error by such employee, the transaction will be canceled or adjusted, as appropriate, but the Company shall not be liable therefor except as provided in Rule 914. The Company will document in writing all requests for review, the time and manner in which it reviewed its electronic audit trail and other information in response to the request, the outcome of that review, and any action taken by the Company in response to that review. A decision by the Company to cancel or adjust the price of a trade will be made as soon as practicable, and the Company shall notify Participants, Sponsored Access Firms and the Swap Data Repository of any such decision.

(i) *Alternative Resolution by Agreement of Parties.*

(i) With the approval of the Company, parties to a trade that is under review or that has had its price adjusted may instead mutually agree to cancel or to adjust the price of the trade.

(ii) With the approval of the Company, parties to a trade that is canceled may instead mutually agree to adjust the price of such trade to a price within the Non-Reviewable Range.

(iii) Subject to clauses (i) and (ii), parties to a trade that is canceled or that has had its price adjusted may mutually agree to a cash adjustment.

(iv) Any cancellation or adjustment made pursuant to this paragraph (i) shall be reported immediately by the parties to the Company, which shall report such cancellation or adjustment to the Swap Data Repository. The parties shall maintain a record of such cancellation or adjustment, including a record of their report of the same to the Company.

539. Message Traffic

The Company may at any time restrict, or establish utilization fees in respect of, message traffic, either with respect to all or any Participants (or some or all of their Sponsored Access Firm and/or Registered Traders) in order to safeguard the security or operations of the Company, or to preserve market integrity, fair and orderly trading, or if otherwise in the public interest.

540. Swap Data Reporting

(a) The Company will report Required Swap Creation Data to a Swap Data Repository for each Swap. The Company may provide such Required Swap Creation Data to Participants, Sponsored Access Firms and Registered Traders no earlier than the time it transmits such information to a Swap Data Repository and in a form that does not disclose the identities, or otherwise facilitate identification, of the parties to the Swap. Nothing in this Rule 540 shall prohibit the Company from disclosing to the counterparties to an executed trade, the price, size or other material terms of their executed transaction prior to transmittal of such information to Swap Data Repository.

(b) The Reporting Counterparty for each Swap executed pursuant to the Rules shall be established pursuant to CFTC Regulation 45.8. If both counterparties to a Swap executed pursuant to the Rules are equal in the hierarchy (for example, both are swap dealers), the Reporting Counterparty for such Swap shall be determined in accordance with Dodd Frank Act - Swap Transaction Reporting Party Requirements (version July 15, 2013 or such successor version as may be adopted from time to time), published by the International Swaps and Derivatives Association Inc.

(c) The Company shall from time to time designate a Swap Data Repository in respect of one or more Swaps and shall notify Participants and Sponsored Access Firms of such designation.

(d) Each Participant and Sponsored Access Firm: (i) authorizes the Company to send Required Swap Creation Data on its behalf and, if applicable, on behalf of its Customers to the relevant Swap Data Repository and agrees to take all such actions as are deemed necessary or required by such Swap Data Repository to facilitate or confirm such authorization; and (ii) consents to the maintenance of such Required Swap Creation Data by the relevant Swap Data Repository.

(e) Notwithstanding anything to the contrary herein, the Company's obligations under this Rule may be modified by, and may be subject to, no-action letters or interpretive guidance issued by the CFTC with respect to the matters set forth above.

541. Correction or Cancellation of Transaction Data

Participants and Sponsored Access Firms that become aware of an error or omission in Required Swap Creation Data for a Swap shall promptly submit corrected data to the Company and, if the error or omission relates to a Block Trade, the counterparty to such Block Trade.

CHAPTER 6 BLOCK TRADES

601. Block Trades

(a) Except as may otherwise be permitted by CFTC Regulations or interpretive guidance issued by the CFTC, Block Trades may be effected in Swaps listed for trading by the Company away from the Trading Platform but otherwise pursuant to the Rules.

(b) A Block Trade must be in a size that is equal to or in excess of the applicable minimum block size for such Swap as set forth in CFTC Regulations.

(c) A Participant or Sponsored Access Firm must receive instructions from a Customer or obtain the Customer's prior consent before entering into a Block Trade with that Customer.

(d) Except as may otherwise be permitted by Applicable Law, Participants shall not aggregate Orders for different accounts to achieve the minimum block size.

(e) The price at which a Block Trade is executed must be fair and reasonable in light of (i) the size of the Block Trade, (ii) the prices and sizes of other transactions in the same contract at the relevant time, (iii) the prices and sizes of transactions in other relevant markets, including the related swap markets, at the relevant time, and (iv) the circumstances of the markets or the Participants to the Block Trade.

(f) The Reporting Counterparty to a Block Trade must ensure that each Block Trade is submitted to the Company as soon as technologically practicable via an approved submission method. The submission must include the information required by Rule 506(b), together with such other information as the Company may require.

(g) Registered Traders and Participants involved in the execution of Block Trades must maintain written or electronic records of all such Block Trades, including an electronic timestamp reflecting the date and time each such Order was received as well as an electronic timestamp reflecting the date and time such Order was executed or cancelled.

CHAPTER 7 DISCIPLINE AND ENFORCEMENT

701. General

(a) Participants, Sponsored Access Firms, Registered Traders and other Persons within the Company's jurisdiction are subject to this Chapter 7 if they are alleged to have violated, to have aided and abetted a violation of or to be violating any Rule of the Company or any provision of Applicable Law for which the Company possesses disciplinary jurisdiction.

(b) Except when the Board reserves responsibility for an inquiry or investigation to itself or delegates its responsibility to a committee of the Board, the Company will conduct inquiries, investigations, disciplinary proceedings and appeals from disciplinary proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter 7.

(c) The Company may delegate any or all of its powers or responsibilities under this Chapter 7 to the Compliance Department, which may take any actions on behalf of the Company that the Company is permitted to take hereunder. In the event of any such delegation, references to the Company in this Chapter 7 shall be construed to be references to the Compliance Department. The Compliance Department will maintain an enforcement staff that will effectively and promptly prosecute violations in accordance with this Chapter 7. The enforcement staff may not include persons that are associated with Participants, Sponsored Access Firms or Registered Traders or with persons whose interests conflict with their enforcement duties. Further, a member of the enforcement staff may not operate under the direction or control of any Person with Trading Privileges. Any reference to the Compliance Department in this Chapter 7 shall also be a reference to the enforcement staff.

(d) Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 205(a)(i) with a potential respondent in an investigative report.

(e) No member of the staff of the Company will interfere with or attempt to influence the process or resolution of any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action. No member of the Board will interfere with or attempt to influence the process or resolution of any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action with respect to which the Board member is not a member of the relevant Review Panel, Disciplinary Panel or Appeal Panel.

(f) Upon being served with a notice of charges, the respondent may be represented by counsel or any other representative of its choosing, at its own expense, in all succeeding stages of the disciplinary process pursuant to this Chapter 7.

(g) Pursuant to this Chapter 7, the Company may hold:

(i) a Participant liable, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation of Applicable Law;

(ii) a Participant liable, and impose sanctions against such Participant, for the acts and omissions of each Sponsored Access Firm or Registered Trader authorized by, and each other agent or representative of, such Participant that constitute a violation of Applicable Law as if such violation were that of the Participant;

(iii) a Sponsored Access Firm or Registered Trader liable, and impose sanctions against such Person, for such Sponsored Access Firm's or Registered Trader's own acts and omissions that constitute a violation of Applicable Law; and

(iv) a Sponsored Access Firm or Registered Trader liable, and impose sanctions against such Person, for the acts and omissions of each agent or representative of such Sponsored Access Firm or Registered Trader that constitute a violation of Applicable Law as if such violation were that of the Sponsored Access Firm or Registered Trader.

(h) The Board shall appoint individuals at the recommendation of the Chief Compliance Officer to serve for a term of one year subject to reappointment, removal or replacement by the Board, as potential participants on Review Panels, Disciplinary Panels and Appeal Panels. The term of an individual selected as a member of a Review Panel, Disciplinary Panel or an Appeal Panel will not expire until the relevant disciplinary proceedings are complete. No member of the Compliance Department may be a member of a Review Panel, Disciplinary Panel or Appeal Panel.

(i) All information, records and documents provided to the Compliance Department pursuant to the Rules in this Chapter 7 or to a Review Panel, Disciplinary Panel or Appeal Panel, and all deliberations, testimony, information, records, materials and documents related thereto, shall be treated as confidential and shall not be disclosed except in relation to an inquiry or investigation being conducted by the Compliance Department, a hearing or other proceeding pursuant to the Rules in this Chapter 7, or as required by Applicable Law.

702. Inquiries and Investigation

(a) The Compliance Department will investigate any matter within the Company's disciplinary jurisdiction that is brought to the attention of the Compliance Department. An investigation must be commenced upon the receipt of a request from the CFTC staff or upon the discovery or receipt of information by the Company that, in the judgment of the Compliance Department, indicates a reasonable basis for finding that a violation has occurred or will occur. The Compliance Department will determine the nature and scope of its inquiries and investigations within its sole discretion.

- (b) The Compliance Department has the authority to:
 - (i) initiate and conduct inquiries and investigations;
 - (ii) prepare investigative reports and make recommendations concerning the initiation of disciplinary proceedings; and
 - (iii) prosecute alleged violations within the Company's disciplinary jurisdiction; and
 - (iv) represent the Company on appeal from any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.
- (c) Each Participant, Sponsored Access Firm, Registered Trader and any other Person subject to the Company's jurisdiction:
 - (i) is obligated to appear and testify and respond in writing to inquiries as required by the Compliance Department in connection with any inquiry, investigation, disciplinary proceeding or appeal from a decision in a disciplinary proceeding, summary imposition of a fine, summary suspension or other summary action by the Company;
 - (ii) is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the Compliance Department in connection with (A) any Rule of the Company; (B) any inquiry or investigation; or (C) any preparation by and presentation during a disciplinary proceeding or appeal from a decision in any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action by the Company; and
 - (iii) may not without good cause impede or delay any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.

703. Reports of Investigations

(a) The Compliance Department will maintain a log of all investigations and their disposition. Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 205(a)(i) with a potential respondent named in an investigative report. The Compliance Department will prepare a written report of an investigation for the Chief Compliance Officer when the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the Company's jurisdiction has occurred or is about to occur. Any such written investigation report will include the following information:

- (i) the reason(s) for initiating the investigation;

- (ii) a summary of the complaint, if any;
- (iii) all relevant facts and evidence gathered;
- (iv) the Compliance Department's analysis and conclusions; and
- (v) the recommendation of the Compliance Department as to whether disciplinary action should be pursued.

(b) For each potential respondent, the Compliance Department will recommend any one of the following actions:

- (i) closing the investigation without further action;
- (ii) resolving the investigation through an informal disposition, including the issuance of a warning letter; or
- (iii) initiating disciplinary proceedings.

(c) If the Compliance Department determines that no reasonable basis exists for finding a violation, then the written investigation report will include the following information:

- (i) the reasons for initiating the investigation;
- (ii) a summary of the complaint, if any;
- (iii) all relevant facts and evidence gathered;
- (iv) the Compliance Department's analysis and conclusions; and
- (v) a copy of any recommended warning letter as well as the Participant's disciplinary history at the Company.

(d) After reviewing the Compliance Department's written investigation report, the Chief Compliance Officer will either:

- (i) determine to proceed with the Compliance Department's recommendation to close the investigation without further action, or to resolve the investigation through an informal disposition, if such a recommendation has been made;
- (ii) forward the investigation report to a Review Panel to determine whether further action with respect to the matters discussed therein is warranted; or
- (iii) determine to proceed with the Compliance Department's recommendation to initiate disciplinary proceedings, if such a recommendation has been made.

(e) Each Compliance Department investigation must be completed in a timely manner. Absent mitigating factors, a timely manner is no later than 12 months after the date that an investigation is opened. Mitigating factors that may reasonably justify an investigation taking longer than 12 months to complete include the complexity of the investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed.

(f) In addition to any of the actions permitted pursuant to this Rule 703, the Compliance Department may issue a warning letter to the potential respondent. Such warning letter, if issued, shall not be construed as a penalty or an indication that a finding of a violation has been made. No more than one warning letter for the same potential violation may be issued to the same potential respondent during any rolling 12-month period.

704. Review Panel

(a) The Chief Compliance Officer may, at his or her discretion, convene a Review Panel to review an investigation report submitted by the Compliance Department to determine whether (i) a reasonable basis exists to believe that a violation of the Rules has occurred, and (ii) commencing disciplinary proceedings in respect of such potential violation is warranted. The chairman of the Review Panel shall be appointed by the Chief Compliance Officer.

(b) The Review Panel will review the completed investigation report promptly after receipt thereof and, within 20 days of such receipt, take one of the following actions:

(i) If the Review Panel determines that additional investigation or evidence is needed, the Review Panel shall promptly direct the Compliance Department to conduct such further investigation;

(ii) If the Review Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, the Review Panel may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision; or

(iii) If the Review Panel determines that a reasonable basis exists for finding a violation and adjudication is warranted, it must direct that the person or entity alleged to have committed the violation be served with a notice of charges.

(c) Any member of the Review Panel must promptly recuse himself or herself and notify the Chief Regulatory Officer of the recusal if such member has a relationship of a type listed in Rule 205(a)(i) with a potential respondent in an investigative report.

(d) The Review Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director in accordance with Rule 201(d). In

forming a Review Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Review Panels. No group or class of Participants may dominate or exercise disproportionate influence on a Review Panel, and no member of the Review Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Review Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Review Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Review Panel has determined the matter for which it was appointed and has notified the Chief Compliance Officer in writing of its decision, it shall be dissolved automatically. The Regulatory Oversight Committee may, at any time, remove any member of a Review Panel for cause.

705. Notice of Charges

(a) If the Chief Compliance Officer or Review Panel authorizes the initiation of disciplinary proceedings, the Compliance Department will prepare, and serve in accordance with Rule 707, a notice of charges.

(b) A notice of charges must:

(i) adequately state the acts, practices or conduct that the respondent is alleged to have engaged in;

(ii) state the Rule(s) or provision(s) of Applicable Law alleged to have been violated or about to be violated;

(iii) advise the respondent of its right to a hearing;

(iv) state the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 days after service of the notice of charges;

(v) advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and

(vi) advise the respondent that a failure to answer or to expressly deny a charge may be deemed to be an admission of such charge.

(c) Upon being served with a notice of charges, the respondent has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the disciplinary proceedings, other than a Board member, Director, member of an applicable Disciplinary Panel, Company employee or other person substantially related to the underlying investigation.

706. Answer to Notice of Charges

(a) If the respondent determines to answer a notice of charges, the respondent must file a written answer within 20 days after being served with such notice, or within such later time period determined appropriate by the Chairman of the Disciplinary Panel.

(b) To answer a notice of charges, the respondent must in writing:

- (i) specify the allegations that the respondent denies or admits;
- (ii) specify the allegations that the respondent does not have sufficient information to either deny or admit;
- (iii) specify any specific facts that contradict the notice of charges;
- (iv) specify any affirmative defenses to the notice of charges; and
- (v) sign and serve the answer on the Disciplinary Panel.

(c) Any failure by the respondent to timely serve a written answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer or expressly deny one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. A general denial by the respondent, without more, will not satisfy the foregoing requirements.

(d) If a respondent admits or fails to specifically deny any of the allegations in the notice of charges, the Disciplinary Panel shall find that the violations set forth in such allegations have been committed and shall impose a sanction for each such violation. The Disciplinary Panel shall promptly notify the respondent in writing of any sanction to be imposed pursuant to this Rule 706(d) and advise the respondent that it may request a hearing on such sanction within the time period specified in the notice. The failure to request such a hearing within such time period shall be deemed to constitute an acceptance of such sanction. Any hearing pursuant to this Rule 706(d) shall be concerned only with the sanction(s) imposed by the Disciplinary Panel pursuant to this Rule 706(d).

707. Service of Notice

Any notice of charges or other documents contemplated to be served pursuant to this Chapter 7 may be served upon the respondent either personally or by leaving the same at the respondent's place of business during business hours, or by deposit with the United States post office, postage prepaid via registered or certified mail, or by overnight delivery, addressed to the respondent at the respondent's last known place of business or residence as reflected in the books and records of the Company.

708. Settlements

(a) At any time after a notice of charges has been issued, the respondent may propose in writing an offer of settlement to anticipated or instituted disciplinary proceedings. Any offer of settlement must contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings, but must accept the jurisdiction of the Company over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed under such offer of settlement.

(b) The Disciplinary Panel may accept the offer of settlement, but may not alter the terms of a settlement offer unless the respondent or potential respondent agrees.

(c) If an offer of settlement is accepted, the Disciplinary Panel must issue a written decision specifying the Rule violations that the presiding panel has reason to believe were committed, including the basis or reasons for the presiding panel's conclusions, and any sanction to be imposed, which shall include full Customer restitution where Customer harm is demonstrated. Should an offer of settlement be accepted by the Disciplinary Panel without the agreement of the Compliance Department, such written decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, such written decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the Rule violations.

(d) The respondent or potential respondent may withdraw his or her offer of settlement at any time before final acceptance by the presiding panel.

(e) If the offer of settlement of a respondent or potential respondent is not accepted, fails to become final or is withdrawn before final acceptance by the presiding panel, the matter will proceed as if the offer had not been made and the offer (and all documents relating to it) will not become part of the record. Neither the respondent, the potential respondent, nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, any disciplinary proceedings.

(f) Any accepted settlement agreement shall include a waiver by the respondent of all rights to appeal or otherwise challenge or contest the validity of the settlement offer.

709. Disciplinary Panel

(a) The Chief Compliance Officer will appoint a Disciplinary Panel to conduct hearings in connection with any disciplinary proceedings authorized by the Chief Compliance Officer or a Review Panel to make findings and impose sanctions pursuant to this Chapter 7.

(b) The Disciplinary Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director in accordance with Rule 201(d). In forming a Disciplinary Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Disciplinary Panels. The chairman of the Disciplinary Panel shall be appointed by the Chief Compliance Officer. No group or class of Participants may dominate or exercise disproportionate influence on a Disciplinary Panel, and no member of the Disciplinary Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Disciplinary Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Disciplinary Panel has determined the matter for which it was appointed and has notified the Secretary in writing of its decision, it shall be dissolved automatically. The Board may, at any time, remove any member of a Disciplinary Panel for cause.

(c) Any of the functions of the Company or the Disciplinary Panel under this Chapter 7 may be performed by a Regulatory Service Provider pursuant to a delegation of such functions by the Company, and references to the Disciplinary Panel or the Compliance Department, as appropriate, shall be deemed to be references to such Regulatory Service Provider. Nevertheless, the Company will retain exclusive authority in all substantive decisions made by the Regulatory Service Provider, including, but not limited to, denials of access to the Trading Platform for disciplinary reasons. The Company will document any instances where its actions differ from those recommended by the Regulatory Service Provider.

(d) Within ten days of being notified of the appointment of a Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 205(a)(i) or for any other reasonable grounds, by serving written notice on the Company's General Counsel and providing a copy thereof to the Disciplinary Panel. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The general counsel will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

710. Convening Hearings of Disciplinary Proceedings

(a) All disciplinary proceedings (except for summary impositions of fines pursuant to Rule 717) will be conducted at a hearing before a Disciplinary Panel. A hearing will be conducted privately and confidentially unless the Disciplinary Panel decides that the hearing, or any part of it, should be held in public after giving each respondent the opportunity to present its, his or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, a Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

(b) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Compliance Department. The hearing shall be conducted before members of the Disciplinary Panel.

(c) The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing as he or she may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including any pre-hearing motions and the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law; nevertheless, the procedures for the hearing may not be so informal as to deny a fair hearing. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The Company will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.

(d) Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to paragraph (c) above and Rule 711, unless each respondent otherwise consents, the entire Disciplinary Panel must be present (either in person or telephonically) during the entire hearing and any related deliberations.

711. Respondent's Review of Evidence

(a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other evidence in the possession or under the control of the Company that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or which the chairman of the Disciplinary Panel deems relevant to those charges. Notwithstanding the foregoing, no respondent will have the right to review, and the Company will have no obligation to disclose, any information that is (i) protected by attorney-client privilege or the work product doctrine; (ii) was prepared by the Compliance Department or an employee of the Company but will not be offered in evidence in the disciplinary proceedings; (iii) may disclose a technique or guideline used in examinations, investigations or enforcement proceedings; or (iv) discloses the identity of a confidential source.

(b) If any books, records, documents, papers, transcripts of testimony or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.

(c) Notwithstanding anything in paragraph (b) above to the contrary, the Compliance Department:

(i) will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and

(ii) will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the notice of charges or that are relevant to those charges.

(d) For purposes of this Rule 711, information that could adversely affect competitive positions includes positions in Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of Customers, and the personal finances of the Person providing the information.

(e) Unless indicated otherwise by the chairman of the Disciplinary Panel, all such requests for access to information identified in Rule 711(a) must be made not less than ten days prior to the scheduled hearing date.

712. Conducting Hearings of Disciplinary Proceedings

(a) At a hearing conducted with a Disciplinary Panel, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. The respondent is entitled to appear personally and participate in the hearing.

(b) At a hearing conducted with a Disciplinary Panel, the Compliance Department and each respondent may:

(i) present evidence and facts deemed relevant and admissible by the chairman of the Disciplinary Panel;

(ii) call and examine witnesses (including, but not limited to, employees or agents of the Company that form part of the Compliance Department); and

(iii) cross-examine witnesses called by other parties.

(c) If a respondent has failed to timely file a written answer to a notice of charges but appears at the hearing, the respondent may not participate in the hearing (except for a hearing pursuant to Rule 706(d)) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 706.

(d) Any person entitled, required, or called upon to attend a hearing before a Disciplinary Panel pursuant to paragraph (b)(ii) above will be given reasonable notice,

confirmed in writing, specifying the date, time, and place of the hearing, and the caption of the disciplinary proceedings. The Company will require persons within its jurisdiction that are called as witnesses to appear at the hearing and produce evidence, and will make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.

(e) If, during any disciplinary proceedings, the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated, or is about to violate, a Rule of the Company or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 706. In connection with considering apparent violations pursuant to this paragraph (e), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.

(f) The Disciplinary Panel may summarily impose sanctions on any Participant, Sponsored Access Firm or Registered Trader, or other Person within the Company's jurisdiction whose actions impede the progress of a hearing.

(g) The Company will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription, and a copy of such recordings shall become a part of the record of such proceedings. If the respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Disciplinary Panel may, within his or her sole discretion, order the respondent to pay the costs for transcribing the recording of the hearing.

(h) No interlocutory appeals of rulings of any Disciplinary Panel, or chairman of the Disciplinary Panel, are permitted.

713. Decision of Disciplinary Panel

(a) Promptly following a hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.

(b) The Company will serve a copy of the written decision on the respondent and the Compliance Department. The written decision will include the following information:

(i) the notice of charges or a summary of the charges;

(ii) the answer, if any, or a summary of the answer;

(iii) a summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigation report;

(iv) a statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and other bases for such findings and conclusions with respect to each charge;

(v) an indication of each specific Rule that the respondent was found to have violated; and

(vi) a declaration of all sanctions imposed against the respondent, including the basis for such sanctions and the effective date of such sanctions.

(c) Unless a timely notice of appeal is filed pursuant to Rule 716, the order of the disciplinary proceedings will become final upon the expiration of 20 days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

714. Sanctions

(a) After notice and opportunity for hearing in accordance with these Rules, the Company will impose sanctions if a Participant, Sponsored Access Firm or Registered Trader, or other Person within the Company's jurisdiction is found to have violated any Applicable Law. Disciplinary sanctions imposed by the Company shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.

(b) The Company may impose one or more of the following sanctions or remedies:

(i) a warning letter, provided that no more than one warning letter may be issued to the same respondent found to have committed the same Rule violation within a rolling twelve month period;

(ii) censure;

(iii) limitation on the Participant's right to access all or part of the Trading Platform;

(iv) suspension of the Participant's right to access all or part of the Trading Platform for a period not to exceed 12 months;

(v) fine (subject to paragraph (c) below);

(vi) restitution or disgorgement;

(vii) expulsion or termination of a Participant, Sponsored Access Firm, Registered Trader or other Person within the Company's jurisdiction; or

(viii) any other sanction or remedy deemed to be appropriate.

(c) The Company may impose a fine of up to \$100,000 for each violation. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any Sponsored Access Firm or Registered Trader authorized by, or other agent or representative of, such Participant.

715. Costs

A Disciplinary Panel may order a respondent who has been found to have violated the Rules to pay costs associated with the disciplinary proceedings, including costs that the Disciplinary Panel believes were unnecessarily caused by the respondent, in addition to any fine or other penalty which may be imposed on such respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the Compliance Department, legal and professional assistance, the hearing, and administrative and other expenses incurred by the Disciplinary Panel.

716. Appeal from Disciplinary Panel Decision

(a) Parties to a disciplinary proceeding may appeal the decision of the Disciplinary Panel within 20 days of receiving the order of the disciplinary proceedings by filing a notice of appeal with the chief legal officer of the Company. While an appeal is pending, the effect of the written decision issued by the Disciplinary Panel (including any sanctions, remedies, or costs imposed thereby) shall be suspended.

(b) In a notice of appeal, the appellant must state in writing the grounds for appeal, including the findings of fact, conclusions, or sanctions to which the appellant objects. A written request for an appeal must specify the grounds for the appeal and the specific error or impropriety of the original decision. An appellant may appeal the written decision of a Disciplinary Panel on the grounds that (i) the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or (ii) the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the Company.

(c) The chief legal officer will forward copies of any notice of appeals received by him or her to all parties to the Disciplinary Proceedings in question other than the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the chief legal officer and serve the Compliance Department a brief supporting the notice of appeal and documents supporting the brief.

(d) Within 20 days after the last submission filed pursuant to paragraph (c) above, the Chief Compliance Officer shall appoint an Appeal Panel to consider and determine the appeal. The Appeal Panel shall be comprised of three individuals appointed by the Board as potential members of Appeal Panels, one of whom shall be appointed by the Chief Compliance Officer to serve as chairman of the Appeal Panel. The Appeal Panel must include at least one person who is qualified to serve as a Public Director in accordance with Rule 201(d). No group or class of participants may dominate or exercise disproportionate influence on an Appeal Panel. An individual may not serve on an Appeal Panel if the individual has a relationship of a

type described in Rule 205(a)(i) or was involved in the adjudication of any other stage of the same proceeding. The appeals proceeding shall be conducted before all members of the Appeal Panel.

(e) Within ten days of being notified of the appointment of an Appeal Panel, either party may seek to disqualify any individual named to the Appeal Panel for the reasons listed in Rule 205(a)(i) or for any other reasonable grounds, by serving written notice on the chief legal officer of the Company. By not timely filing a request for disqualification, the parties will be deemed to have waived any objection to the composition of the Appeal Panel. The chief legal officer will decide the merits of any such objection in his or her sole discretion. Any such decision will be final and not subject to appeal.

(f) The Appeal Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the appeal. The Appeal Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant may be able to demonstrate that the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or that the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the Company. The Appeal Panel's determination shall be based solely upon the materials submitted by the appellant pursuant to paragraph (c). The Appeal Panel's determination of whether to hold a hearing on an appeal shall be final. If the Appeal Panel grants the appellant's request for a hearing, the appellee may file and serve its brief in opposition not more than 20 days after the issuance of the determination of the Appeal Panel.

(g) An Appeal Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially unless the chairman of the Appeal Panel decides that the hearing, or any part of it, should be held in public after giving each appellant the opportunity to present its, his, or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, an Appeal Panel may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by any evidentiary or procedural rules or law.

(h) Except for good cause, the Appeal Panel will only consider on appeal the record before the Disciplinary Panel, the written exceptions filed by the parties, and the oral or written arguments of the parties. The Appeal Panel may only consider new evidence when it is satisfied that good cause exists as to why the evidence was not introduced during a prior stage of the Disciplinary Proceeding. In connection with any appeal, the Compliance Department will furnish to the Appeal Panel a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal, and briefs filed to support and oppose the appeal.

(i) After completing its review, the Appeal Panel may affirm, modify, or reverse any order of Disciplinary Proceedings under appeal in whole or in part, including increasing, decreasing, or eliminating any sanction or remedy imposed; imposing any

other sanction or remedy authorized by the Rules; or remanding the matter to the same or a different Disciplinary Panel for further Disciplinary Proceedings. The Appeal Panel may order a new hearing for good cause, or if the Appeal Panel deems it appropriate.

(j) Promptly following the appeal proceeding, the Appeal Panel will issue a written decision and provide a copy to the parties. The written decision issued by the Appeal Panel must adhere to all the requirements of Rule 713(b), to the extent that a different conclusion is reached from that issued by the Disciplinary Panel. A decision by a majority of the Appeal Panel will constitute the decision of the Appeal Panel.

(k) An Appeal Panel's written decision on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies, and costs, and the effective date of any sanction, remedy, or cost) will be the final action of the Company, and will not be subject to appeal within the Company. Disciplinary sanctions imposed by the Company shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.

717. Summary Imposition of Fines Relating to Submission of Records

(a) The Company may fine a Participant, Sponsored Access Firm or Registered Trader using a summary fine schedule for a violation of Rules regarding timely submission of accurate records.

(b) A warning letter may be issued for first-time violations, provided that no more than one warning letter may be issued per any rolling 12-month period for the same violation.

718. Summary Suspensions

(a) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer, or his or her designee, may summarily suspend a Participant's right to access the Trading Platform or the association of a Sponsored Access Firm or Registered Trader with a Participant, or take other summary action against any Participant, Sponsored Access Firm or Registered Trader, or suspend access to the Trading Platform of any other Person subject to the Company's jurisdiction, if the Company reasonably believes such immediate action is necessary to protect the best interest of the marketplace.

(b) Whenever summary action pursuant to paragraph (a) above is proposed, the Company will, if practicable, serve the party against whom the action is contemplated with written notice. If prior notice is not practicable, the Company will give notice at the earliest possible opportunity to the respondent against whom the action is brought. The notice will be prepared by the Compliance Department, and such notice will state the action, briefly state the reasons for the action, and state the effective time, date, and duration of the action taken. The notice shall be served on the respondent in accordance with Rule 707.

(c) The respondent shall be advised of its right to a hearing before a Disciplinary Panel pursuant to Rules 709-713, by filing a notice of intent with the Compliance Department within ten business days of service of notice. Filing of a notice of intent pursuant to this Rule shall not stay the Chief Compliance Officer's decision to deny access. The respondent shall have the right to be represented by legal counsel, or any other representative of its choosing and at its own expense.

(d) Promptly but no later than 20 days after filing of a notice of intent, a Disciplinary Panel will conduct a hearing concerning the summary suspension. Promptly after such hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the proceeding. The decision of a majority of the Disciplinary Panel will be the decision of the Disciplinary Panel. The Company will serve copies of the written decision of the Disciplinary Panel on the respondent and the Compliance Department. The written decision will include the following information:

- (i) a description of, and reasons for, the summary action taken;
- (ii) a summary of the evidence produced at the hearing;
- (iii) a statement of findings of fact and conclusions;
- (iv) a determination that the summary action should be affirmed, modified, or reversed; and
- (v) a declaration of any action to be taken pursuant to the determination, and the effective date and duration of such action.

(e) Any decision of a Disciplinary Panel pursuant to this Rule 718 will be the final action of the Company, and not subject to appeal within the Company upon serving the respondent with a copy of the decision.

(f) At the request of the Company, a respondent who is summarily suspended pursuant to this Rule 718 must provide access to and/or copies of books and records over which the respondent has access or control, and must furnish information to, or appear or testify before, the Company in connection with the enforcement of any Rule of the Company.

719. Rights and Responsibilities After Suspension or Termination

(a) When the right of a Participant, Sponsored Access Firm or Registered Trader to access the Trading Platform is suspended for a period of 12 months or less, none of its rights will apply during the period of the suspension, except for (i) any right such Person may have to receive rebates or similar payments that were earned, prior to the suspension period, pursuant to Rule 524, provided that such rebates or payments are not directly related to conduct giving rise to such suspension; or (ii) the right of the Participant, Sponsored Access Firm or Registered Trader to assert claims against others as provided in the Rules. Any such suspension will not relieve the Participant, Sponsored

Access Firm or Registered Trader of its obligations under the Rules to perform any transactions entered into before the suspension, or for any Company fees, costs, or charges incurred during the suspension. The Company may discipline a suspended Participant or Sponsored Access Firm or Registered Trader under this Chapter 7 for any violation of Applicable Law committed by the Participant before, during, or after the suspension.

(b) When the right of a Participant, Sponsored Access Firm or Registered Trader to access the Trading Platform is terminated, all of its rights will terminate, except for the right of the Participant or Sponsored Access Firm or Registered Trader in question to assert claims against others, as provided in the Rules. A terminated Participant, Sponsored Access Firm or Registered Trader may only seek to reinstate its right to access the Trading Platform by filing an application in accordance with Rule 303. The Company will not consider the application of a terminated Participant, Sponsored Access Firm or Registered Trader if such Participant, Sponsored Access Firm or Registered Trader has failed to appear at Disciplinary Proceedings without good cause, or has impeded the progress of Disciplinary Proceedings.

(c) A suspended or terminated Participant or Sponsored Access Firm or Registered Trader remains subject to the Rules and the jurisdiction of the Company for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, Disciplinary Proceeding, appeal of Disciplinary Proceedings, summary suspension, or other summary action as if the suspended or terminated Participant, Sponsored Access Firm or Registered Trader still had the right to access the Trading Platform.

720. Notice to the Respondent, the CFTC, and the Public

The Company will provide written notice of Disciplinary Proceedings to the parties and the CFTC consistent with CFTC Regulations. Whenever the Company suspends, expels, fines, or otherwise disciplines, or denies any Person access, to the Company, the Company will make the public disclosures required by CFTC Regulations.

CHAPTER 8 ARBITRATION

801. General

(a) Participants, Sponsored Access Firms and Registered Traders shall arbitrate through the NFA arbitration program all disputes, controversies or claims between or among themselves that relate to or arise out of any Swap or otherwise arise out of one or more transactions made or to be made pursuant to the Rules and that are based upon facts and circumstances that occurred at a time when the parties were Participants, Sponsored Access Firms or Registered Traders.

(b) Notwithstanding the foregoing, this Rule 801 does not apply to disputes between Participants, Sponsored Access Firms, Registered Traders or Customers that: (i) such Persons are required by the rules of a Self-Regulatory Organization to submit to the dispute resolution procedures of that Self-Regulatory Organization; or (ii) that such Persons have, by valid and binding agreement, committed to arbitrate or litigate in a forum other than NFA.

(c) A Participant, Sponsored Access Firm or Registered Trader that initiates arbitration or litigation relating to or arising out of any Swap or otherwise arising out of transactions made or to be made pursuant to the Rules shall submit notice thereof to the Company.

802. Forum and Arbitration Rules

(a) NFA will conduct arbitrations described in Rule 801(a) pursuant to NFA's member arbitration rules, as if each Participant or Sponsored Access Firm that is party to such arbitration were an "NFA Member," and references in such member arbitration rules to the "Associates" of an "NFA Member" shall mean and include any Sponsored Access Firm and any individual who is employed by or is an agent of a Participant or Registered Trader and who has been authorized to access the Trading Platform under the Rules.

(b) NFA will conduct arbitrations described in Rule 801(a) pursuant to NFA's rules governing the arbitration of customer disputes.

803. Penalties

A failure on the part of a Participant, Sponsored Access Firm or Registered Trader to arbitrate a dispute subject to this Chapter 8, or the commencement by any such person of a suit in any court prior to arbitrating a case this required to arbitrated pursuant to this Chapter 8, violates the Rules and shall subject such Person to Disciplinary Proceedings pursuant to Chapter 7. A Participant, Sponsored Access Firm or Registered Trader that does not arbitrate a dispute through the NFA arbitration program pursuant to Rule 801(b) shall not be deemed to have violated these Rules.

804. Claims Relating to Trade Cancellations and Adjustments

All claims relating to trade cancellations or adjustments made pursuant to Rule 538 shall be arbitrated in accordance with this Chapter 8.

**CHAPTER 9
MISCELLANEOUS**

901. Trading by Company Officials Prohibited; Misuse of Material, Non-Public Information

(a) No Company official may trade, directly or indirectly, (i) any Swap or any related financial instrument, or (ii) any swap or financial instrument where such Company official has access to material non-public information concerning such swap or financial instrument.

(b) The Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) may grant exemptions from the provisions of paragraph (a) to Company officials on a case-by-case basis under circumstances which are not contrary to the purposes of this Rule. Such circumstances may include, but are not necessarily limited to:

(i) participation in pooled investment vehicles where such Company official has no direct or indirect control over transactions effected by or for the account of the pool;

(ii) service by such Company official as an executor or administrator of an estate;

(iii) service by such Company official in any other fiduciary capacity, such as an officer of a charitable organization, in which such Company official receives no pecuniary benefit from the trading of swaps or other financial instruments;

(iv) trading in swaps or other financial instruments executed on or pursuant to the rules of a swap execution facility, a designated contract market or a national securities exchange under circumstances in which such Company official's access to material non-public information in respect of such financial instruments is sufficiently minimal or attenuated so as to be insignificant; and

(v) such other circumstances as the Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) may determine.

For the avoidance of doubt, participation by a Company official in a retirement plan sponsored by the Company shall not be deemed to constitute trading directly or indirectly in a Swap or other financial instrument, notwithstanding such plan's trading of Swaps or other financial instruments.

(c) Any Company official that has received an exemption under paragraph (b) must:

(i) furnish to the Company (or, in the case of the Chief Compliance Officer, to the Board) account statements and other documents relevant to the trading activities that are so exempted; and

(ii) inform the Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) within one Business Day of any material change of information that may affect such Company official's qualification for such exemption.

(d) Company officials, agents and independent contractors of the Company are prohibited from disclosing material non-public information obtained as a result of their employment, agency relationship or engagement with the Company where the Company official, agent or independent contractor expected or should have reasonably expected that the information disclosed may assist a Person in trading any Swap, any swap traded on another swap execution facility or other market, or any related underlying commodity or security.

(e) Terms used in this Rule 901 and not otherwise defined in the Rules shall have the meaning set forth in CFTC Regulations 1.3 and 1.59.

902. Gifts and Gratuities

Except with the prior written approval of the Chief Compliance Officer, no Participant or Sponsored Access Firm shall, directly or indirectly, give or permit to be given anything of value, including gifts and gratuities, to a Company Official in an amount that exceeds the maximum value permitted by the Company's gifts and entertainment policy as in force from time to time.

903. Proprietary Data and Personal Information; Transaction Data

(a) The Company will not use for business or marketing purposes any Proprietary Data and Personal Information collected or received for the purpose of fulfilling its regulatory obligations; provided, however, that the Company may use such Proprietary Data and Personal Information for business or marketing purposes if the Person from whom it collects or receives such Proprietary Data and Personal Information clearly consents to the Company's use of such Proprietary Data and Personal Information in such manner. Access to the Company will not be conditioned on a Person's consent to the Company's use of Proprietary Data and Personal Information for business or marketing purposes.

(b) Subject to each Participant's rights in its Participant Data, the Company owns all rights, title and interest in and to all intellectual property and other proprietary rights (including all copyright, patent, trademark or trade secret rights) in Transaction Data, and all derivative works (excluding Participant Data) based thereon. Participants, Sponsored Access Firms and other Persons affiliated with any of the foregoing may not,

except as otherwise provided in any written agreement between the parties that may specifically address such rights, distribute, sell or retransmit Transaction Data to any third party without the consent of the Company, provided that each Participant retains such rights as it may enjoy under Applicable Law with respect to Participant Data solely in the form such Participant Data was submitted to the Company by such Participant.

(c) Notwithstanding any other provision of this Rule 903, each Participant hereby grants the Company a non-exclusive, perpetual, freely transferable, irrevocable, worldwide and royalty-free license to any and all rights as such Participant may have in and to Participant Data, including, but not limited to, the right to use and disclose Participant Data, in any manner, media and jurisdiction, for the benefit of the Company and/or its Affiliates; provided, that the Company may disclose Participant Data to one or more registered entities (as such term is defined in CFTC Regulations). Except as may otherwise be permitted by Rule 905, in any written agreement between the Company and such Person, or as may be required by Applicable Law, the Company shall not otherwise disclose Participant Data other than on an aggregated basis that does not directly or indirectly identify any Participant, Sponsored Access Firm, Registered Trader, Customer or counterparty.

(d) Each Participant, Sponsored Access Firm and other Persons affiliated with any of the foregoing hereby acknowledges and agrees that the Company owns and shall retain all right, title and interest in and to the Trading Platform, all components thereof, including without limitation all related applications, all application programming interfaces, user interface designs, software and source code and any and all intellectual property rights therein, including, without limitation all registered or unregistered, as applicable copyright, trade mark, service mark, trade secret, trade name, data or database rights, design rights, moral rights, inventions, whether or not capable or protection by patent or registration, rights in commercial information or technical information, including know-how, research and development data and manufacturing methods, patent, and other intellectual property and ownership rights, including applications for the grant of any of the same, in or to the Trading Platform and all other related proprietary rights of the Company and/or any of its Affiliates (together, with any and all enhancements, corrections, bug fixes, updates and other modifications to any of the foregoing and any and all data or information of any kind, other than Proprietary Data and Personal Information and Participant Data, transmitted by means of any of the foregoing, “**Company Intellectual Property**”). Each Participant, on behalf of itself and each of its Affiliates, Sponsored Access Firms and other Persons affiliated with any of the foregoing, further acknowledges and agrees that the Company Intellectual Property is the exclusive, valuable and confidential property of the Company. Each Participant acknowledges and agrees that it shall not and shall not permit its Affiliates, Sponsored Access Firms and other Persons affiliated with any of the foregoing to, reverse engineer, copy, bug fix, correct, update, transfer, reproduce, republish, broadcast, create derivative works based on or otherwise modify, in any manner, all or any part of the Trading Platform or the Company Intellectual Property. Each Participant, further agrees to and to cause each of its Affiliates, Sponsored Access Firms and other Persons affiliated with any of the foregoing to, keep the Company Intellectual Property confidential and not to

transfer, rent, lease, loan, sell or distribute, directly or indirectly, all or any portion of the Trading Platform or any Company Intellectual Property.

904. Recording of Communications

(a) The Company or the Regulatory Services Provider may record conversations and retain copies of electronic communications between Company officials and Participants, Sponsored Access Firms, Registered Traders and Clearing Firms. Any such recordings will be retained by the Company or the Regulatory Services Provider in such manner and for such periods of time as may be required by Applicable Law, but the Company assumes no obligation to retain any such recordings. The Company and/or the Regulatory Services Provider may disclose such recordings as required by Applicable Law or upon the request of any Regulatory Authority.

(b) This Rule 904 shall be deemed to constitute the consent of each Participant, Sponsored Access Firm, Registered Trader and Customer to such recording and a waiver of any warning tone or other notice requirement arising under the laws of such Person's residence, place of organization or place of business. The Company hereby consents, for itself and its employees, to the recording of conversations between employees of the Company and employees of Participants, Sponsored Access Firms and Clearing Firms and waives, for itself and such employees, any such warning tone or other notice requirement.

905. Confidentiality

Except as provided in Rule 903, all information provided by a Participant or Sponsored Access Firm to the Company, and any passwords and Trader IDs assigned by the Company to any Person, shall be held in confidence and shall not be made known to any other Person except as follows:

(a) with the consent of the Participant or Sponsored Access Firm providing such information;

(b) to a Regulatory Authority, if the Company is requested or legally required to do so by such Regulatory Authority;

(c) pursuant to legal process;

(d) to a Derivatives Clearing Organization of which such Participant is a member or in connection with the clearing of a Swap;

(e) subject to appropriate confidentiality requirements, to any Person providing services to the Company, including but not limited to the Regulatory Services Provider;

(f) to the Board, any committee, Company officials, attorneys and auditors, and to agents and independent contractors that have been engaged by the Company who

require such information in connection with the discharge of their duties to the Company;
and

(g) as otherwise permitted under the Rules.

906. Force Majeure

Notwithstanding any other provision of the Rules, the Company shall not be obligated to perform its obligations under the Rules or any agreement with a Participant, or to compensate any Person for losses occasioned by any delay or failure of performance, to the extent a delay or failure of performance is the result of circumstances that the Company determines, in its sole discretion, may have an adverse effect upon the functions and facilities of the Company, including, but not limited to, acts of God, fire or other natural disasters, bomb threats, acts of terrorism or war or severely inclement weather.

907. Extension or Waiver of Rules

The Company may, in its sole discretion, waive, or extend the time period for performing, any act or acts designated by the Rules, but only to the extent such waiver or extension is not inconsistent with Applicable Law.

908. Effect of Amendment, Repeal or New Rule

The Company may, in compliance with the CEA and CFTC Regulations, amend or repeal any Rule and/or adopt new Rules. Any such amendment or repeal of a Rule or adoption of a new Rule, shall, upon the effective date of such amendment, repeal or adoption, as applicable, be binding on all Persons subject to the jurisdiction of the Company (regardless of when any such Person became subject to the Company's jurisdiction) and, unless otherwise required by Applicable Law, all Swaps entered into after such effective date.

909. Signatures

Rather than rely on an original signature, the Company may elect to rely on a signature that is transmitted, recorded or stored by any electronic, optical, or similar means (including but not limited to telecopy, imaging, photocopying, electronic mail, or electronic data interchange) as if it were (and the signature shall be considered and have the same effect as) a valid and binding original.

910. Governing Law; Legal Proceedings

(a) The Rules, and the rights and obligations of the Company and all other Persons under the Rules, shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts executed and performed wholly within the State of New York without regard to any provisions of New York law that would apply the substantive law of a different jurisdiction.

(b) Any action, suit or proceeding against the Company, its officers, directors, limited liability company members, employees, agents, or any member of any committee must be brought within one year from the time that a cause of action has accrued. Any such action, suit or proceeding shall be brought in the State or Federal courts located within the Borough of Manhattan in the City of New York. Each Participant expressly consents, for itself and its Sponsored Access Firms, to the jurisdiction of any such court, waives any objection to venue therein, and waives any right it may have to a trial by jury.

(c) In the event that a Participant, Sponsored Access Firm, Clearing Firm, Registered Trader or an Affiliate of any of the foregoing fails to prevail in a lawsuit or other legal proceeding instituted by such Person against the Company or any Affiliate of the Company or any of their respective officers, directors, equity holders, employees, agents, or any member of any committee, and related to the business of the Company, such Person shall pay to the Company or to such Affiliate all reasonable expenses, including attorneys' fees, incurred by the Company in the defense of such proceeding. This paragraph (c) shall not apply to Company Disciplinary Proceedings, appeals thereof, or an instance in which the Board has granted a waiver of the provisions hereof.

911. Emergencies

(a) During an Emergency, the Board may implement temporary emergency procedures and rules ("**Emergency Rules**"), subject to Applicable Law. If the Chief Executive Officer (or, in the event that the Chief Executive Officer is unavailable, the Chief Operating Officer) determines that Emergency Rules must be implemented with respect to an Emergency before a meeting of the Board can reasonably be convened, the Chief Executive Officer (or, if applicable, the Chief Operating Officer) shall have the authority, without Board action, to implement Emergency Rules with respect to such Emergency as he or she deems necessary or appropriate to respond to such Emergency.

(b) Emergency Rules may require or authorize the Company, the Board, any committee, the Chief Executive Officer (or, if the Chief Executive Officer is unavailable, the Chief Operating Officer) or any other Officer of the Company to take actions necessary or appropriate to respond to the Emergency, including:

(i) suspending or curtailing trading or limiting trading to liquidation only (in whole or in part);

(ii) extending, limiting or changing Trading Hours for one or more Swaps;

(iii) ordering the liquidation of Swaps or the reduction of positions, in consultation with relevant Derivatives Clearing Organizations if practicable;

(iv) temporarily modifying or suspending any provision of the Rules,

(v) imposing or modifying trading limits, price limits or position limits;

(vi) requiring additional margin to be collected from Customers, in consultation with relevant Derivatives Clearing Organizations if practicable;

(vii) any other action, if so directed by the CFTC.

When the Company determines that the Emergency has been reduced sufficiently to allow the Company to resume normal functioning, any such actions will be modified or terminated, as appropriate.

(c) The Company will use reasonable efforts to notify the CFTC prior to implementing, modifying or terminating an Emergency Rule. If such prior notification is not practicable, the Company will notify the CFTC as soon as reasonably practicable, but in all circumstances within 24 hours of the implementation, modification or termination of such Emergency Rule.

(d) Whenever the Company takes action to respond to an Emergency it will, where practicable, ensure that prompt notice is given to Participants and Sponsored Access Firms.

(e) When the Company determines that the Emergency has been reduced sufficiently to allow the Company to resume normal functioning, any such actions will be modified or terminated, as appropriate.

(f) Upon taking any action in response to an Emergency, the Company will document the decisions and deliberations related to such action. Such documentation will be maintained for at least five years following the date on which the Emergency ceases to exist or to affect the Company, and all such documentation will be provided to any governmental agency upon request.

(g) If the Emergency is related to a Swap that is fungible with financial products traded on another platform, the Company will attempt to coordinate its response with any directions received from the CFTC.

912. Information-Sharing Arrangements

(a) The Company may enter into information-sharing agreements or other arrangements or procedures to coordinate surveillance with other markets on which financial instruments related to the Swaps trade. As part of any information-sharing agreements or other arrangements or procedures adopted pursuant to this Rule, the Company may:

(i) provide market surveillance reports to other markets;

(ii) share information and documents concerning current and former Participants with other markets;

(iii) share information and documents concerning ongoing and completed investigations with other markets;

(iv) require its current or former Participants to provide information and documents to the Company at the request of other markets with which the Company has an information-sharing agreement or other arrangements or procedures.

(b) The Company may enter into any arrangement with any Person or body (including the CFTC, the NFA, any Self-Regulatory Organization, any exchange, market, or clearing organization, or foreign Regulatory Authority) if the Company considers such arrangement to be in furtherance of the Company's purpose or duties under the Rules or Applicable Law.

(c) The Company may disclose to any Person or entity information concerning or associated with a Participant or other Person that the Company believes is necessary and appropriate in exercising a legal or regulatory function, whether or not a formal arrangement governing the disclosure exists or a request for information was made and notwithstanding anything to the contrary in Rule 901.

913. Regulatory Services Provider

(a) The Company may contract with a Regulatory Services Provider to provide certain regulatory services to the Company pursuant to a Regulatory Services Agreement. Any of the powers or functions of the Company under the Rules may be delegated to a Regulatory Services Provider pursuant to the relevant Regulatory Services Agreement in such manner and on such terms as the Company and such Regulatory Services Provider may mutually agree. In accordance with the relevant Regulatory Services Agreement, a Regulatory Services Provider may perform certain surveillance, investigative, and regulatory functions under the Rules and the Company may provide information to such Regulatory Services Provider in connection with the performance by such Regulatory Services Provider of those functions.

(b) The Company shall retain ultimate decision-making authority with respect to any powers or functions that are delegated to a Regulatory Services Provider.

914. LIMITATION OF LIABILITY; NO WARRANTIES

(a) EXCEPT AS PROVIDED BELOW, AND EXCEPT IN INSTANCES IN WHICH THE DISCLAIMING PARTY (DEFINED BELOW) HAS BEEN FINALLY ADJUDICATED BY A COURT OF COMPETENT JURISDICTION TO HAVE ENGAGED IN FRAUD OR WILLFUL MISCONDUCT, IN WHICH CASE THE DISCLAIMING PARTY FOUND TO HAVE ENGAGED IN SUCH CONDUCT CANNOT AVAIL ITSELF OF THE PROTECTIONS IN THIS RULE 914, NEITHER THE COMPANY, NOR ANY AFFILIATE OF THE COMPANY, NOR ANY OF THEIR RESPECTIVE MANAGERS, OFFICERS, DIRECTORS, EMPLOYEES, EQUITYHOLDERS, AGENTS, CONSULTANTS OR SERVICE PROVIDERS (INCLUDING, WITHOUT LIMITATION, ANY REGULATORY SERVICES PROVIDER), NOR ANY MEMBER OF ANY COMMITTEE OR OTHER GOVERNING BODY OF ANY AFFILIATE OF THE COMPANY (EACH OF THE FOREGOING, AS APPLICABLE, THE "**DISCLAIMING PARTY**" AND, COLLECTIVELY, "**DISCLAIMING PARTIES**"), SHALL BE LIABLE TO ANY PERSON FOR ANY LOSSES ARISING OUT OF OR IN CONNECTION WITH:

(iii) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE COMPANY OR ANY OF THE COMPANY'S SYSTEMS, SERVICES OR FACILITIES; OR

(iv) ANY UNAUTHORIZED ACCESS TO OR UNAUTHORIZED USE OF ANY OF THE COMPANY'S SYSTEMS, SERVICES, EQUIPMENT OR FACILITIES BY ANY PERSON.

THE FOREGOING LIMITATION OF LIABILITY SHALL APPLY WHETHER A CLAIM IS BASED ON BREACH OF CONTRACT, TORT, INCLUDING, WITHOUT LIMITATION, NEGLIGENCE, STRICT LIABILITY, NEGLIGENT MISREPRESENTATION, RESTITUTION, BREACH OF STATUTORY DUTY, BREACH OF WARRANTY OR OTHERWISE AND WHETHER THE CLAIM IS BROUGHT DIRECTLY OR AS A THIRD-PARTY CLAIM.

ANY SYSTEMS OR SERVICES OF THE COMPANY OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, INCLUDING, WITHOUT LIMITATION, THE TRADING PLATFORM.

(c) NOTWITHSTANDING THE FOREGOING, THE COMPANY MAY ASSUME RESPONSIBILITY FOR DIRECT, OUT-OF-POCKET LOSSES DIRECTLY CAUSED BY THE GROSS NEGLIGENCE OF A DISCLAIMING PARTY. EXCLUDING THE COMPANY'S INDEMNIFICATION OBLIGATIONS UNDER RULE 914(D), THE COMPANY'S TOTAL COMBINED AGGREGATE LIABILITIES SHALL NOT IN SUCH CIRCUMSTANCES EXCEED \$100,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES ON A SINGLE CALENDAR DAY; \$200,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES IN A SINGLE CALENDAR MONTH; AND \$2,000,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES IN A SINGLE CALENDAR YEAR. IF THE NUMBER OF ALLOWED CLAIMS ARISING OUT OF ANY FAILURES OR MALFUNCTIONS ON A SINGLE DAY, SINGLE MONTH OR SINGLE YEAR CANNOT BE FULLY SATISFIED BECAUSE OF THE ABOVE DOLLAR LIMITATIONS, ALL SUCH CLAIMS SHALL BE LIMITED TO A PRO RATA SHARE OF THE MAXIMUM AMOUNT FOR THE RESPECTIVE PERIOD.

(d) NOTWITHSTANDING ANY OTHER PROVISION OF THESE RULES, THE COMPANY SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS PARTICIPANT AND ITS AFFILIATES AND ANY OF ITS OR THEIR OFFICERS, DIRECTORS, EMPLOYEES, AGENTS AND REPRESENTATIVES (EACH, A "**PARTICIPANT INDEMNITEE**") AGAINST ANY AND ALL LOSSES, DAMAGES, LIABILITIES, COSTS, AND EXPENSES, INCLUDING WITHOUT LIMITATION REASONABLE ATTORNEYS FEES AND COURT COSTS (COLLECTIVELY, "**LOSSES**") TO THE EXTENT SUCH LOSSES ARISE DIRECTLY FROM ANY CLAIM, PROCEEDING, OR CAUSE OF ACTION INITIATED BY A THIRD PARTY OTHER THAN AN AFFILIATE OF SUCH PARTICIPANT INDEMNITEE (EACH, A "**THIRD-PARTY CLAIM**") ALLEGING THAT THE TRADING PLATFORM OR ANY OTHER SYSTEMS OR SERVICES PROVIDED BY THE COMPANY, OR ANY SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES (COLLECTIVELY, THE "**COMPANY INTELLECTUAL PROPERTY**"), INFRINGE OR OTHERWISE VIOLATE ANY PATENTS, COPYRIGHTS, TRADE SECRETS OR OTHER INTELLECTUAL PROPERTY RIGHTS OF ANY PERSON; *PROVIDED THAT* THE COMPANY SHALL NOT HAVE ANY OBLIGATION UNDER THIS SENTENCE TO THE EXTENT THE ALLEGED VIOLATION RESULTS FROM (I) ANY MODIFICATION OF ANY COMPANY INTELLECTUAL PROPERTY BY OR ON BEHALF OF PARTICIPANT INDEMNITEE NOT APPROVED IN WRITING BY AN AUTHORIZED OFFICER OF THE COMPANY, (II) ANY COMBINATION OF ANY COMPANY INTELLECTUAL PROPERTY WITH ANY DATA, INFORMATION OR MATERIALS NOT PROVIDED BY OR ON BEHALF OF THE COMPANY, OR (III) ANY MISUSE OR UNAUTHORIZED USE OF ANY COMPANY INTELLECTUAL PROPERTY OR OTHER VIOLATION OF THESE RULES OR ANY AGREEMENT BETWEEN PARTICIPANT AND THE COMPANY. EACH PARTICIPANT INDEMNITEE SHALL GRANT TO THE COMPANY THE SOLE CONTROL OF THE DEFENSE AND SETTLEMENT OR OTHER COMPROMISE OF THE THIRD-PARTY CLAIM AND NOTIFY THE COMPANY IN WRITING OF ANY SUCH THIRD-PARTY CLAIM WITHIN FIFTEEN BUSINESS DAYS FOLLOWING SUCH PARTICIPANT INDEMNITEE BECOMING AWARE OF SUCH THIRD-PARTY CLAIM. THE COMPANY SHALL NOT NEGOTIATE A COMPROMISE OR SETTLEMENT OF ANY THIRD-PARTY CLAIM WITH RESPECT TO A PARTICIPANT INDEMNITEE WITHOUT THE PRIOR WRITTEN CONSENT OF SUCH PARTICIPANT INDEMNITEE (SUCH CONSENT NOT TO BE UNREASONABLY DELAYED OR WITHHELD) UNLESS SUCH COMPROMISE OR SETTLEMENT INCLUDES AN UNCONDITIONAL RELEASE OF SUCH

PARTICIPANT INDEMNITEE FROM ALL LIABILITY ARISING OUT OF SUCH THIRD-PARTY CLAIM AND DOES NOT CONTAIN AN ADMISSION OF WRONGDOING OR LIABILITY ON BEHALF OF SUCH PARTICIPANT INDEMNITEE.

This paragraph (f) shall in no way be construed to create a cause of action and shall not authorize an action that would otherwise be prohibited by the Rules. If for any reason, a court of competent jurisdiction finds that a dispute is not arbitrable, such dispute may be litigated only in accordance with Rule 910.

CHAPTER 10
CLEARED AND UNCLEARED SWAPS

1001. Cleared Swaps

(a) *Submission to Derivatives Clearing Organization.* The Company shall submit Cleared Swaps to a Derivatives Clearing Organization on behalf of the parties to such Swaps.

(b) *Risk-Based Limits.*

(i) The Company will take steps to facilitate pre-execution checks by Clearing Firms for compliance with Risk-Based Limits, and will issue notices to Clearing Firms, Participants and Sponsored Access Firms relating thereto.

(ii) Consistent with and to the extent required by CFTC Regulations (including CFTC Regulations 1.73 and 23.609):

(A) Each Clearing Firm that is a Participant shall establish Risk-Based Limits in its proprietary account;

(B) Each Clearing Firm, whether or not a Participant, shall establish Risk-Based Limits in each of its Customer accounts; and

(C) Each Clearing Firm shall to the extent practicable use automated means to screen Orders that it has authorized a Participant or Sponsored Access Firm to execute electronically and shall establish and maintain systems of risk controls reasonably designed to ensure compliance with Risk-Based Limits for all other Orders.

(iii) Prior to entering any Order for a Cleared Swap, each Participant or Sponsored Access Firm that is acting as principal shall take reasonable steps to verify that such Order, if executed, would not exceed the Risk-Based Limits established by the Participant or Sponsored Access Firm's Clearing Firm.

(iv) Prior to entering any Order for a Customer for a Cleared Swap, each Participant that is acting as Broker shall require its Customer to take reasonable steps to verify that such Order, if executed, would not exceed the Risk-Based Limits established by the Customer's Clearing Firm.

(c) *Failure to Clear.* If a Cleared Swap is affirmatively rejected by the relevant Derivatives Clearing Organization, the transaction shall be deemed void *ab initio* except where the transaction failed to clear because of a clerical or operational error or omission, in which case the Participants and/or Sponsored Access Firms and their respective Clearing Firms may agree to submit the transaction as a new transaction with identical terms (other than any erroneous terms and the time of execution). Any such resubmission shall be effected within a timeframe that is consistent with Applicable Law. A transaction that is so resubmitted but which fails to clear shall be void *ab initio* and

may not be resubmitted for clearing. 204. Confidentiality

(a) No member of the Board or any committee established by the Board or by or pursuant to the Rules will use or disclose any material non-public information obtained in connection with such member’s participation in the Board or such committee for any purpose other than the performance of his or her official duties as a member of the Board or such committee.

205. Conflicts of Interest

(a) *Named Party in Interest Conflict.*

(i) *Prohibition.* No member of the Board, any Review Panel, Disciplinary Panel or Appeal Panel will knowingly participate in such body’s deliberations or voting in any matter involving a named party in interest where such member (A) is a named party in interest, (B) is an employer, employee or fellow employee of a named party in interest, (C) has any other significant, ongoing business relationship with a named party in interest, or (D) has a family relationship with a named party in interest. For purposes of this clause (i), a “family relationship” exists between a named party in interest and a member if such party is

the member's spouse, former spouse, parent, stepparent, child, sibling, stepbrother, stepsister, grandparent, grandchild, uncle, aunt, nephew, niece or in-law.

(ii) *Disclosure.* Prior to consideration of any matter involving a named party in interest, each member of the deliberating body who does not choose to abstain from deliberations and voting will disclose to the Chief Compliance Officer whether such member has one of the relationships listed in clause (i) above with a named party in interest.

(iii) *Procedure and Determination.* The Chief Compliance Officer will determine whether any member of the relevant deliberating body who does not choose to abstain from deliberations and voting is subject to a conflicts restriction under this paragraph (a). Such determination will be based upon a review of the following information provided by such member pursuant to clause (ii) above and, where deemed by the Chief Compliance Officer, other information that is known to the Company.

(b) *Financial Interest in a Significant Action Conflict.*

(i) *Prohibition.* No member of the Board, any Review Panel, Disciplinary Panel or Appeal Panel will participate in such body's deliberations and voting on any significant action if such member has a direct and substantial financial interest in the result of the vote, as determined pursuant to clause (iii) below.

(A) the most recent large trader reports and clearing records available to the Company;

(B) information provided by such member pursuant to clause (ii) above; and

(C) any other information reasonably available to the Company, taking into consideration the exigency of the significant action being contemplated.

(iv) *Deliberation Exemption.* Any member of the Board, any Review Panel, Disciplinary Panel or Appeal Panel of the Company who would otherwise be required to abstain from deliberations and voting pursuant to clause (i) above may participate in deliberations, but not voting, if the deliberating body, after considering the factors specified below, determines that such participation would be consistent with the public interest; *provided, however,* that before reaching any such determination, the deliberating body will fully consider the information specified in clause (ii) above which is the basis for such member's substantial financial interest in the significant action that is being contemplated. In making its determination, the deliberating body will consider:

Except as otherwise required by Rules in this Chapter, the Chairman shall designate the chairman and one or more vice chairmen of each such committee. A temporary member of any such committee may be appointed, using the same process required for regular appointments to the committee, during the absence or inability to act of a regular member; such temporary appointee shall have all the rights, power, authority, duties and obligations of the regular committeeman until the latter is again present and able to act.

(b) The Company shall have a Regulatory Oversight Committee which shall consist entirely of Public Directors and shall be responsible for reporting to the Board. In general, the Regulatory Oversight Committee shall assist the Board in monitoring the

design, implementation and effectiveness of the Company's programs to promote and enforce compliance with Applicable Law and the Rules. More specifically, the Regulatory Oversight Committee shall:

(i) Monitor the sufficiency, effectiveness and independence of the Company's regulatory program; and

(ii) Oversee all facets of the regulatory program, including:

(A) trade practice and market surveillance; audits, examinations and other regulatory responsibilities with respect to Participants (including ensuring compliance with, if applicable, financial integrity, financial reporting, sales practice, recordkeeping and other requirements); and the conduct of investigations;

(B) reviewing the size and allocation of the regulatory budget and resources and the number, hiring, termination and compensation of regulatory personnel;

The Nominating Committee shall (i) annually nominate directors for the class of directors standing for election at the annual meeting of the Company for that year; and (ii) periodically review the organization and governance structure of the Company, and make such recommendations to the Board with respect thereto as it may deem appropriate.

(d) The Company shall have a Participation Committee (the "**Participation Committee**") which shall consist of not less than thirty-five percent of Public Directors and shall be responsible for reporting to the Board. The Participation Committee shall:

(i) determine the eligibility standards and requirements for initial and continuing Participant status;

(ii) approve Rules that would result in different categories or classes of Participants receiving access to the Company; and

(iii) review appeals of staff denials of Participant applications.

In reviewing appeals of staff denials of Participant applications, the Participation Committee shall not uphold any staff denial if the relevant application meets the standards and requirements prescribed by such Committee. The Participation Committee shall not, and shall not permit the Company to, restrict access or impose burdens on access in a discriminatory manner, within each category or class of Participants or between similarly situated categories or classes of Participants.

(e) One-half of the members, including the ex officio members, shall constitute a quorum of each committee provided for in this Chapter, except for the Regulatory Oversight Committee. For the Regulatory Oversight Committee, a quorum for the transaction of business shall consist of one-half of the committee members, including not less than 50 percent of the Public Directors serving as members of such committee. If at least 50 percent of the Public Directors committee members (i) are present at or (ii) have filed a waiver of attendance for a meeting after receiving an agenda prior to such meeting, the requirement that not less than 50 percent of the Public Directors committee members be present to constitute the quorum shall be deemed satisfied.

(f) Should Applicable Law establishing minimum thresholds relating to the number or percentage of Public Directors that must serve on the Board or any committee pursuant to this Rule 206 be amended, this Rule shall be deemed amended to comply with such Applicable Law without any further action of the Company to the extent permissible by law.

(d) The Chief Compliance Officer shall have the authority to inspect the books and records of all Participants and Sponsored Access Firms and the authority to require any Participant, Sponsored Access Firm or Registered Trader to appear before him or her and produce its books and records and answer questions regarding alleged violations of Rules, at the time, place and in the manner it designates. The Chief Compliance Officer may also delegate such authority to the Compliance Department.

(e) The Chief Compliance Officer shall resolve any conflict of interest pursuant to Rule 205 in consultation with the Regulatory Oversight Committee.

208. Maintenance of Books and Records by the Company

(e) The access rights of a Participant or Sponsored Access Firm hereunder may not transferred, assigned, sold or leased. Participants and Sponsored Access Firms will not be limited liability company members of the Company and will not obtain any equity or other interest in the Company, including voting rights or rights to receive any dividends or other distributions, whether arising from a dissolution, merger or consolidation involving the Company or otherwise.

(f) The Company may from time to time make available to Participants the identity of Participants and/or Sponsored Access Firms that have been given access to the Trading Platform for one or more asset classes.

(vi) cooperate promptly and fully with the Company in any investigation, inquiry, audit, examination or proceeding regarding compliance with the Rules or any Company disciplinary or arbitration proceeding; and

(vii) agree to such other terms and conditions as may be established by the Company from time to time.

(d) The requirements of paragraphs (b) and (c) may be satisfied through the provision of written representations by a Sponsored Access Firm to the Participant that provides it with sponsored access, provided that the Participant makes such writing available upon request to the Company.

(e) The Company will promptly notify a Participant in writing of its approval, or refusal to approve, the designation of a Sponsored Access Firm. The Company may, in its sole discretion, revoke or suspend the designation of a Sponsored Access Firm, and shall promptly notify the Participant of such action in accordance with procedures established by the Company.

(f) A Participant that seeks to terminate the designation of a Sponsored Access Firm shall notify the Company in writing, providing such information as the Company may require. 305. Registered Traders

(a) Each Participant and each Sponsored Access Firm shall designate one or more Registered Traders. Trader IDs will not be assigned to a Sponsored Access Firm's Registered Traders without the consent of the sponsoring Participant. A Participant or Sponsored Access Firm shall be responsible for the use of, and data or other information transmitted to, the Trading Platform by of any of its Registered Traders as well as any Swap effected in the name of Participant or Sponsored Access Firm (as applicable) by any of its Registered Traders, notwithstanding that such Swap may have been entered into as a result of a failure of security controls and/or credit controls or by an unknown or unauthorized user employing a Trader ID assigned to such Participant's or Sponsored Access Firm's Registered Traders, except in respect of any unauthorized use resulting from the failure of the Company to maintain the security of such persons' Trader IDs.

(b) Each Registered Trader must consent, in a form satisfactory to the Company, to abide by the Rules and Applicable Law prior to accessing the Company. Each Registered Trader must satisfy such requirements as may be prescribed by the Company from time to time and shall be subject to the disciplinary authority of the Company and possible fine or restriction or revocation of Trading Privileges.

(c) To designate a Registered Trader, a Participant must follow the procedures established by the Company. The Company may establish fair and reasonable criteria that individuals must fulfill to become a Registered Trader. Without limiting the generality of the foregoing, each Participant will ensure on an ongoing basis that (i) none of its Registered Traders is subject to a disqualification pursuant to any Applicable Law (unless an appropriate exemption has been obtained with respect thereto); (ii) each of its Registered Traders is located in an Authorized Jurisdiction; and (iii) each of its Registered Traders is technically proficient and conducts its business in a fair and equitable manner.

(d) The Company will promptly notify a Participant and, as applicable, a Sponsored Access Firm in writing of the approval of Registered Trader(s) or if the Company declines to approve the nomination of a Registered Trader.

(e) The Company will maintain a list of all designated Registered Traders for each Participant, and as applicable, each Sponsored Access Firm. Participant shall promptly notify the Company in writing of any change to the information that it has provided regarding its or its Sponsored Access Firms' Registered Traders.

(f) The Company may, in its sole discretion revoke or suspend the designation of a Registered Trader and shall promptly notify the Participant and, as applicable, the Sponsored Access Firm of such action.

(g) To request the termination of the designation of an individual as a Registered Trader, the Participant must follow the procedures established by the Company. The Participant shall take and, where applicable, shall cause its Sponsored Access Firm to take, immediate measures appropriate to ensure that such Registered Trader shall not have access to the Company or utilize its Trader ID, as applicable, after the effective date of any such revocation. The Company shall act as promptly as practicable to disallow Order entry by the affected Registered Trader. The Company may in its sole discretion issue notices from time to time which set forth procedures governing the manner in which Participants and/or their Sponsored Access Firms may terminate the designation of an individual as a Registered Trader and deactivate the Trader ID assigned to such Registered Trader.

306. Independent Software Vendors

Access to the Company by an ISV shall be provided in a fair and non-discriminatory manner, but a Person seeking to act as an ISV must satisfy the Company's technological integrity requirements and not adversely affect the Company's ability to comply with the CEA and CFTC Regulations. Persons seeking access to the Trading Platform via an ISV must themselves be Participants, Sponsored Access Firms or Registered Traders.

307. Required Notices

(a) Each Participant and ISV shall notify the Company, as soon as reasonably practicable, upon becoming aware of any of the following events:

(i) any suspension, expulsion, revocation or restriction of trading privileges or any fine in excess of \$500,000, through an adverse determination, voluntary settlement or otherwise, by any court, commodity or securities exchange or related clearing organization, the CFTC, Securities and Exchange Commission, or the securities commission or equivalent authority of any state, territory, the District of Columbia or foreign country, NFA, the Financial Industry Regulatory Authority, Inc. or any self-regulatory or regulatory organization;

(ii) any indictment of the Participant or ISV or any of its officers for, any conviction of the Participant or ISV or any of its officers of, or any confession of guilt or plea of guilty or nolo contendere by the Participant or ISV or any of its officers to (A) any felony or (B) any misdemeanor involving, arising from, or related to the purchase or sale of any commodity, security, futures contract, option or other financial instrument or involving or arising from fraud or moral turpitude; and

(iii) the Insolvency of the Participant or ISV, any of its Affiliates and, in the case of a Participant that is also a Clearing Firm, the Insolvency of any of its Customers that are Participants.

(b) Each Participant or ISV that is not a natural person shall notify the Company at least ten Business Days prior to any merger, acquisition, consolidation, combination, sale or other material change of ownership.

(c) A Participant shall, to the extent it has knowledge thereof, notify the Company of the occurrence of any of the events described in paragraphs (a) and (b) with respect to its Sponsored Access Firms as though references to a “Participant” in paragraphs (a) and (b) were references to a “Sponsored Access Firm.”

308. Dues, Assessments and Fees

(a) The Company has the sole power to set the dates and amounts of any dues, assessments or fees to be levied on Participants, which dues, assessments or fees will be paid to the Company when due. The Company shall charge comparable fees to Persons that receive comparable access to the Trading Platform.

(b) If a Participant fails to pay when due any Company dues, assessments or fees levied on such Participant, and any such payment obligation remains unsatisfied for thirty days after its due date, the Company may suspend, revoke, limit, condition, restrict or qualify the Participant’s access to the Company as the Company deems necessary or appropriate.

309. Trading Privileges

(a) Subject to the requirements and procedures set forth in this Chapter 3, Trading Privileges shall be offered to Participants, subject to any limitation, restriction or revocation from time to time imposed by the Company. Trading Privileges are non-transferable, non-assignable and may not be sold or leased. By virtue of obtaining Trading Privileges, a Participant shall not obtain any equity or other interest in the Company, including voting rights or rights to receive any dividends or other distributions, whether arising from a dissolution, merger, consolidation involving the Company or otherwise.

(b) The Company may deny Trading Privileges to any Person:

(i) if such Person is unable satisfactorily to demonstrate a capacity to adhere to the Rules and Applicable Law; or

(ii) for such other cause as the Company reasonably may decide.

(c) The Company may determine not to permit any Person to keep its Trading Privileges, or may condition such Trading Privileges if such Person:

(i) fails to meet any of the qualification requirements for Trading Privileges after such Trading Privileges have been approved;

(ii) fails to meet any condition placed by the Company on such Trading Privileges; or

(iii) violates any agreement with the Company, a Clearing Firm or a Derivatives Clearing Organization; or

(iv) is a Participant or Sponsored Access Firm through which a Customer trades and, in any such case, any such Customer maintains a position in any Swap that, when considered in light of the other positions maintained by the Participant through which such Customer trades and any other factors that the Company reasonably deems relevant, including, as applicable –

(A) the positions maintained by such Participant or Sponsored Access Firm, such Participant or Sponsored Access Firm's Registered Traders and other Customers,

(B) financial information provided by such Participant or Sponsored Access Firm, and

(C) the Company reasonably believes, after using reasonable efforts to consult with relevant Derivatives Clearing Organizations, that insufficient margin is maintained by such Participant or Sponsored Access Firm at its Clearing Firm,

could jeopardize the financial safety of such Participant or Sponsored Access Firm or any of such Participant or Sponsored Access Firm's other Customers.

For the avoidance of doubt, any limitation, suspension or revocation of Trading Privileges pursuant to paragraph (iv) may, in the sole discretion of the Company, (A) take the form of (x) a full suspension or revocation of Trading Privileges, (y) a requirement that the positions at issue be immediately liquidated in full or reduced to a reasonable level to be set by the Company as a condition to the Trading Privileges remaining in effect provided that the Company will use reasonable efforts to coordinate any such requirement with the relevant Derivatives Clearing Organizations, or (z) a prohibition on the use of such Trading Privileges in respect of the trades of any Customer identified by the Company, and (B) be applied to the Trading Privileges of the Participant at issue, its Registered Traders and Sponsored Access Firms, in each case, as deemed reasonably necessary by the Company for the protection of such Persons and other Participants of the Company.

(d) In the case of any suspension, revocation or limitation of the Trading Privileges of a Participant pursuant to this Rule 309, the Company, in its sole discretion, may also suspend, revoke or limit the Trading Privileges of such Participant's Registered Traders and Sponsored Access Firms as the Company deems necessary to protect other Participants, Customers and the integrity of the Company.

310. Limitations

Upon notice that a Clearing Firm has revoked any authorization granted and guarantee made by it to a Participant or Sponsored Access Firm pursuant to Rule 1002, the right of such Participant or Sponsored Access Firm and its Registered Traders to access the Company will be automatically terminated unless and until such Participant or Sponsored Access Firm has obtained an authorization and guarantee from another Clearing Firm.

311. Application of Rules and Jurisdiction

(a) Any Person initiating or executing a transaction pursuant to the Rules, directly or through a Participant or Sponsored Access Firm, expressly consents to the jurisdiction of the Company and agrees to be bound by and comply with the Rules in relation to such transactions, including, but not limited to, Rules relating to investigatory and disciplinary processes.

(b) Any Participant, Sponsored Access Firm or Registered Trader whose right to access the Company is revoked or terminated, whether pursuant to Rule 302, Rule 306 or Chapter 7, will remain bound by the Rules and Applicable Law, in each case to the extent applicable, and subject to the jurisdiction of the Company with respect to any and all matters arising from, related to, or in connection with, the status, actions or omissions of such Participant, Sponsored Access Firm or Registered Trader prior to such revocation or termination.

312. Notices from the Company

The Company will publish a notice with respect to each addition to or modification or clarification of the Rules at the time the Company files such Rules with the CFTC, as required by CFTC Regulations, and notice of any action taken to implement any Rule of the Company. Such notices will be published on the Company's website. Where such a Rule amendment could reasonably be expected to require technological, operational or systems changes by Participants, Sponsored Access Firms or Clearing Firms, the Company will (except where such Rule amendment is being adopted in connection with an Emergency) seek to provide advance email notice in a manner that is reasonably designed to enable Participants, Sponsored Access Firms and Clearing Firms, as applicable, to become aware of and familiar with, and to implement any necessary preparatory measures to be taken with respect to, such addition, modification or clarification prior to the effective date thereof.

313. Withdrawal of Participant

(a) To withdraw from the Company, a Participant must notify the Company, following such procedures as may be established by the Company.

(b) The Company will ordinarily grant such a request promptly but may, in its reasonable discretion, postpone the effective date of a Participant's withdrawal if the Company's Participation Committee or Chief Executive Officer considers it necessary for the protection of other Participants or otherwise in the interests of the Company.

(c) Based on the information provided to, and other information gathered by, the Company regarding a Participant's withdrawal request, the Company will determine whether to (i) accept the withdrawal request; (ii) postpone the effective date of the withdrawal; or (iii) impose any terms or conditions before or after the effective date of withdrawal.

(d) If the Company refuses to accept a Participant's withdrawal request or postpones the effective date of withdrawal of a Participant, the Company may waive the obligation to pay some or all of the fees, costs and charges that the Company would have imposed during the period after the date on which the requested withdrawal would have otherwise taken effect.

(e) When the Company accepts the withdrawal of a Participant, all rights and privileges of such Participant terminate (including the Trading Privileges and ability to access the Company). The accepted withdrawal of a Participant shall not affect the rights of the Company under the Rules or relieve the former Participant of its Obligations (including any contractual obligations relating to any Swaps entered into by such Participant, or the payment of any Company fees, costs, or charges incurred prior to such withdrawal). Notwithstanding the accepted withdrawal of a Participant, the withdrawn Participant remains subject to the jurisdiction of the Company for acts done and omissions made while a Participant, and must cooperate in any disciplinary proceeding under Chapter 7 as if such withdrawal had not taken place.

CHAPTER 4 BUSINESS CONDUCT

(b) In addition to the requirements of Rule 401(a), each Participant shall employ practices to monitor and enforce compliance with its internal risk limits and [subject to the limitations set forth in any Error Trade Policy](#), shall be responsible for all

Orders and transactions effected on the Company by or for the account of such Participant, its Sponsored Access Firms or by any Person using its or their Trader IDs.

(c) Each Participant or Sponsored Access Firm that is registered, or required to be registered, with the CFTC as a swap dealer or a major swap participant is responsible for compliance with the mandatory trading requirement of Section 2(h)(8) of the CEA when such Participant or Sponsored Access Firm enters into a Swap that is made available to trade within the meaning of Section 2(h)(8) of the CEA.

402. Inspections by the Company

(a) The Company may require a Participant or Sponsored Access Firm to furnish, to the extent not prohibited by Applicable Law, such information concerning the Participant or Sponsored Access Firm's business that is subject to the Rules and Company Requirements, including information relating to (i) Swaps executed pursuant to the Rules and in related derivatives markets, including in the products underlying those Swaps, as the Company deems necessary to enable the Company to perform its obligations under Applicable Law; and (ii) information requested by a Regulatory Authority relating to the Company's business as a swap execution facility and/or the Company's compliance with Applicable Law that the Company believes is maintained by, or otherwise in the possession of, a Participant or Sponsored Access Firm.

(b) A Participant or Sponsored Access Firm that is prohibited by Applicable Law from providing such information shall so notify the Company promptly after being asked to do so. The Company may, in such a case, require the Participant or Sponsored Access Firm to provide an opinion of counsel confirming the existence and effect of such prohibition.

403. Minimum Financial and Related Reporting Requirements

(a) Each FCM Participant and each IB Participant shall comply with the provisions of CFTC Regulation 1.17.

(b) Each FCM Participant and each IB Participant shall provide to the Company and to the Regulatory Services Provider, if any, a copy of such FCM Participant's Form 1-FR or FOCUS Report, reasonably contemporaneously with, and substantially in the form such report is filed with a Regulatory Authority. A Participant that is not subject to such filing requirements shall provide the Company with such financial information as the Company may require from time to time.

(c) Each Participant must notify the Company immediately upon becoming aware that it fails to satisfy minimum financial requirements applicable to such Participant and established pursuant to Applicable Law. A Participant that is unable to demonstrate to the Company that it is in compliance with such minimum financial requirements shall not engage in transactions subject to the Rules except for the purpose of closing open positions.

404. Restrictions on Activity

If the Company determines that the financial or operational condition of a Participant or one of its Affiliates is such that to allow that Participant to continue to have access to the Company would adversely affect the Company or the financial markets (including but not limited to such Participant being subject to the notification requirements of CFTC Regulation 1.12 or similar requirements of another Regulatory Authority to which such Participant is subject), the Company may limit or restrict the number or type of Swaps that may be traded by such Participant pursuant to the Rules or terminate the Participant's Trading Privileges.

405. Customers

(a) No Participant or Sponsored Access Firm may solicit or accept an Order from a Customer for the purchase or sale of a Swap unless: (i) such Participant or Sponsored Access Firm is registered with or exempt from registration with the CFTC as necessary; (ii) such Customer is an Eligible Contract Participant; (iii) to the best of its knowledge, such Customer is organized and located in an Authorized Jurisdiction; and (iv) such Participant or Sponsored Access Firm has entered into an agreement with the Customer containing such terms as may from time to time be prescribed by the Rules.

(b) Each Customer shall be the principal to all Swaps resulting from any Order or RFQ submitted on behalf of the Customer. Where a Participant or Sponsored Access Firm is acting on behalf of a Customer, the Participant or Sponsored Access Firm shall have no liability to any other party for the performance of any Swap effected on behalf of such Customer.

(c) Subject to Rule 538, disputes arising out of errors made in the transmission or execution of a Customer Order or RFQ shall be resolved by the Customer and Participant or Sponsored Access Firm in accordance with the provisions of Chapter 8.

(d) ~~(e)~~ Without prejudice to the generality of paragraph (a), a Participant or Sponsored Access Firm's agreement with a Customer must provide that the Customer agrees that all Swaps shall be governed by the Rules and, to the extent applicable to a Swap effected for the account of the Customer, the CEA and CFTC Regulations.

406. Confirmations

(a) The Company shall provide each counterparty to a Swap with a written record of all of the terms of the Swap which shall serve as a confirmation of the Swap. The economic terms specific to the transaction agreed by Participants and/or Sponsored Access Firms with respect to an Uncleared Swap shall be reflected by the Company in a written communication (the "**Trade Communication**") sent to the applicable Participants and/or Sponsored Access Firms that are party to such Uncleared Swap. The Trade Communication, together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master confirmation agreements, and incorporated industry definitions) governing such Uncleared Swap existing at the time of such commitment to which such Participants and/or Sponsored

Access Firms are party (the “**Terms Incorporated by Reference**”) shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such transaction and serve as a confirmation of such transaction (the Trade Communication and Terms Incorporated by Reference, together, the “**Confirmation**”).

(b) In satisfaction of the obligations imposed on the Company under CFTC Regulation 37.6(b), (i) each Trade Communication is deemed to incorporate the Terms Incorporated by Reference set forth in this Rule 406, and (ii) the Participants and/or Sponsored Access Firms that are party to the Uncleared Swap referenced in such Trade Communication hereby agree that the provisions of paragraph (c) shall govern any conflicting terms.

(c) In the event of any conflict between (x) the Trade Communication and (y) the Terms Incorporated by Reference, the Trade Communication shall prevail to the extent of the inconsistency.

(d) A Swap that is effected as a Block Trade shall be confirmed by the Company promptly after it is reported to the Company pursuant to Rule 601.

(e) Each Customer authorizes the Company to send confirmations of Swaps that are effected through a Participant or Sponsored Access Firm to such Participant or Sponsored Access Firm and authorizes such Participant or Sponsored Access Firm to accept such confirmations on behalf of the Customer.

407. System Security

(a) Each Participant must at all times have at least one employee or agent (the “**Responsible Person**”) designated as its administrator with respect to the use of the Trading Platform by such Participant (including its Sponsored Access Firms). The Company may prescribe such qualification standards for Responsible Persons as it may from time to time determine necessary or advisable. Among other things, each Responsible Person shall (i) control access to the Trading Platform by the Participant (including its Sponsored Access Firms) and (ii) be able to access, directly or through the Company and, if required, modify and withdraw, any and all Orders placed, or purported to be placed, by such Participant (including its Sponsored Access Firms). The Responsible Person or Responsible Persons of any Participant will also be solely responsible for any and all communications between the Company and such Participant, and any and all notices or other communications sent to such Responsible Person or Responsible Persons by the Company will be binding on such Participant. Each Participant must notify the Company promptly of any change regarding any of its Responsible Persons.

(b) Each Participant shall be responsible for controlling and monitoring all Trader IDs, other user identification codes and passwords used to access the Trading Platform (collectively, “**Trader Information**”) that are issued to such Participant by the Company and must notify the Company promptly upon becoming aware of any unauthorized disclosure or use of Trader Information or access to the Company and any other reason for deactivating Trader Information. Except in any case where there has been

a final adjudication by a court of competent jurisdiction in which the Company has been found to have failed to safeguard or control the use of such Trader Information and that such failure was grossly negligent or the result of willful misconduct by the Company (in which case the provisions of Rule 914 shall not apply), each Participant shall be bound by any actions taken through the use of its Trader Information, including the execution of transactions, whether or not such actions were authorized by such Participant or any of its Registered Traders.

(c) To the extent necessary to ensure the operational integrity of the Trading Platform, the Company may at any time restrict or limit the access of Persons to specified locations, and each Participant must ensure prompt compliance by itself and its Sponsored Access Firms with any such limitation.

408. Information Regarding Orders

(a) The Company will make information regarding Orders (including prices bid or offered), trades and any other matters it may deem appropriate available to Participants and other Persons at such times and in such manner (whether through the Trading Platform, the Company's website, market data providers or otherwise) as it may consider necessary or advisable from time to time.

(b) Each Participant or other Person receiving any such information through the Trading Platform shall not redistribute such information other than to the extent and in the manner as may be expressly permitted by the Company in writing from time to time. The foregoing limitation shall not apply to Participant Data.

409. Publication of Trade Information

The Company shall publish information on its website daily regarding volume, price ranges, open interest and settlement prices (based on non-cancelled bids, non-cancelled offers, and sales) subject to such prices accurately reflecting market conditions within the discretion of the Company. The Company shall also publish on its website on a daily basis the total quantity of Block Trades that are included in the total volume of trading. Information on settlement prices and open interest shall be provided, as applicable, by the relevant Derivatives Clearing Organization.

(c) No Person may use a Trader ID to place any Order except as permitted by these Rules, nor may any Person knowingly permit or assist the unauthorized use of a Trader ID. Each Participant and Sponsored Access Firm, on behalf of itself and each of its Registered Traders shall ensure that no Trader ID is used by any Person not authorized by these Rules. Each Participant and Registered Trader must have in place policies and procedures acceptable to the Company to ensure the proper use and protection of Trader IDs.

(d) Each Participant shall ensure the accuracy of the registration information of its Registered Traders, and those of its Sponsored Access Firms, at all times.

(e) Each Participant shall notify the Company promptly upon becoming aware of:

(f) Each Participant and Sponsored Access Firm shall be bound by any actions taken through the use of a Trader ID assigned to such Person's Registered Traders (other than any such actions resulting from the fault or negligence of the Company), including the submission of Orders and/or execution of transactions, whether or not such actions were taken or authorized by such Participant, Sponsored Access Firm or Registered Trader, as the case may be.

505. Orders

(a) As applicable, Orders may be entered electronically or, as agreed in advance with an employee of the Company, submitted by telephone, email, instant message or through such other medium as may be agreed from time to time.

(b) For certain Swaps, a workup (“**Join the Trade**” or “**JTT**”) session may commence after a transaction is executed in the Order Book. During a JTT session, Participants and Sponsored Access Firms in the triggering transaction and other Participants and Sponsored Access Firms are invited to participate in the transaction to buy or sell additional quantities of the same instrument at the previously executed price level. The Company may provide the initial counterparties to a Swap execution exclusivity or priority during a JTT session. The operation of the Order Book may or may not be suspended with respect to a Swap that is subject to a JTT session, but any pre-existing orders in the Order Book that are equal to or better than the price of a triggering transaction will be automatically included in the JTT session. Orders in the Order Book that are not filled during the JTT session will remain in the Order Book unless and until cancelled or expired. The Company will provide notice prior to the commencement of a JTT session, which notice will include the starting time and duration (if not subsequently extended by the Company) of the JTT session.

508. Request for Quote

(a) Participants and Sponsored Access Firms may initiate and respond to RFQs for Required Transactions and for Permitted Transactions.

(b) The provisions of this paragraph (b) shall apply to an RFQ that is utilized in connection with a Required Transaction.

(i) A Participant or Sponsored Access Firm may submit an anonymous or disclosed request for quote to all Participants and Sponsored Access Firms and in any case to not fewer than the minimum number of Participants and Sponsored Access Firms required under CFTC Regulations.

(ii) Participants and Sponsored Access Firms receiving such an RFQ that are Affiliates of the requester shall not be counted toward the minimum required number of market participants. In the event that Participants or Sponsored Access Firms receiving such an RFQ are Affiliates of each other, only one such Participant or Sponsored Access Firm shall be counted toward the minimum required number of market participants.

(iii) In the event a Participant or Sponsored Access Firm does not specify the other Participants or Sponsored Access Firms to whom a RFQ is to be sent, the Company’s representative shall select and communicate the RFQ to not fewer than the minimum required number of eligible Participants and/or Sponsored Access Firms in a manner consistent with such instructions as may have been given by the Participant or Sponsored Access Firm and otherwise in accordance with what the Company’s representative believes to be the best sources of liquidity to achieve high-quality execution.

(iv) At the time that the requester receives the first responsive bid or offer, the Company shall communicate to the requester any firm bid or offer pertaining to the same instrument resting on an Order Book and shall provide the

requester with the ability to execute against such firm resting bids or offers along with any responsive responses to the Request for Quote.

(v) The Trading Platform may offer the party initiating an RFQ the ability to make a counteroffer to any quotes that it receives. A requester that, upon receipt of a response to an RFQ, desires to make such a counteroffer must submit such counteroffer to not fewer than the minimum required number of eligible Participants and/or Sponsored Access Firms.

(e) The parties to a Swap that results from an RFQ shall provide the Company with such Required Swap Creation Data as is known by the parties at the time the Swap is reported to the Trading Platform.

(f) The Company shall reflect an RFQ that is not executed solely by electronic means in the Company's audit trail promptly after the execution of such RFQ.

509. Voice Execution; Brokered Trades

(a) In addition to the methods of execution set forth in Rule 507 and in Rule 508, directions to effect a Required Transaction may be given to an employee of the Company. Subject to the requirements of CFTC Regulations relating to the execution of Required Transactions and instructions that may be given by a Participant or Sponsored Access Firm, such directions may be effectuated as such employee deems appropriate, taking into account liquidity, the size and price of the Order or RFQ, the credit arrangements of the Parties to the trade (where applicable), and such other factors as such employee deems relevant in the circumstances.

(b) A Participant acting as Broker shall be entitled to enter Orders and execute transactions on the Trading Platform or pursuant to the Rules on behalf of another Participant or on behalf of a Sponsored Access Firm or Customer where such other Participant, Sponsored Access Firm or Customer has so authorized the Broker and notified the Company in the form and manner specified by the Company from time to time. A Broker that is so authorized may enter any Order, initiate or respond to an RFQ or Indication of Interest, submit a Block Trade or Brokered Trade, and enter into a Swap on behalf of such Participant, Sponsored Access Firm or Customer. In engaging in any such activity, a Broker shall comply with the Rules and be subject to the jurisdiction of the

Company to the same extent as the Participant, Sponsored Access Firm or Customer for which it acts.

(c) A Broker may arrange a Permitted Transaction between two parties that is to be submitted to the Company for execution pursuant to the Rules (a “**Brokered Trade**”). The terms of a Brokered Trade must be acknowledged by the parties to the trade before it is submitted to the Company by the Broker in a manner, and subject to the deadlines, prescribed from time to time by the Company. A Brokered Trade will not be deemed to have been effected pursuant to the Rules, or to create a binding obligation between the parties thereto, until it is received, accepted and affirmed by the Company. The Broker may, but is not required to be, be a party to such Brokered Trade, but each party must be a Participant, Sponsored Access Firm or Customer.

510. Rule Violations

It shall be prohibited for a Participant or any of its Sponsored Access Firms or Registered Traders to violate any Rule of the Company or any agreement made with the Company, or to engage in fraud, dishonorable or dishonest conduct, or conduct which is inconsistent with just and equitable principles of trade. No Person shall take action or direct another to take action based on nonpublic information regarding Orders, however acquired. The mere statement of opinions or indications of the price at which a market may open or resume trading does not constitute a violation of this Rule.

511. Fraudulent Acts Prohibited

No Participant or any of its Sponsored Access Firms or Registered Traders shall engage in any fraudulent act or any scheme to defraud, deceive, trick or mislead in connection with or related to any Company activity.

512. Fictitious or Noncompetitive Transactions Prohibited

No Participant or Sponsored Access Firm shall make any fraudulent or misleading communications relating to any transaction in a Swap.

514. Market Disruption Prohibited

Orders entered into the Trading Platform for the purpose of upsetting the equilibrium of the market in any Swap or creating a condition in which prices do not or will not reflect fair market values are prohibited, and a Participant or any of its Sponsored Access Firms or Registered Traders who makes or assists in entering any such Order with knowledge of its purpose or who, with such knowledge, in any way assists in carrying out

any plan or scheme for the entering of any such Order shall be deemed to have engaged in an act detrimental to the Company.

515. Market Manipulation Prohibited

No Participant or any of its Sponsored Access Firms or Registered Traders shall manipulate or attempt to manipulate the market in any Swap.

516. Disruptive Trading Practices Prohibited

No Person shall engage in any trading practice or conduct that constitutes a “disruptive trading practice,” as such term is described in Section 4c(a)(5) of the CEA or in interpretive guidance issued by the CFTC. A Participant, Sponsored Access Firm, Registered Trader or Broker shall not be deemed to be violating bids or offers, as used in Section 4c(a)(5) of the CEA or in interpretive guidance issued by the CFTC, to the extent such Person: (i) initiates or responds to an RFQ in accordance with Rule 508, or (ii) enters or executes an Order to buy a Cleared Swap specified for a particular DCO at a price that is higher than the lowest available offer or to sell a Cleared Swap specified for a particular DCO at a price that is lower than the highest available bid, if such lower offer or higher bid is for a Swap that is not a Cleared Swap or for a Cleared Swap that is to be cleared by another DCO.

517. Adherence to Law

No Participant or any of its Sponsored Access Firms or Registered Traders shall engage in conduct in violation of the Rules or the rules of the Derivatives Clearing Organization (insofar as the rules of the DCO relate to the reporting or clearance of any transaction in Swaps).

518. Good Faith Bids and Offers

No Participant or any of its Sponsored Access Firms or Registered Traders shall knowingly enter, or cause to be entered, bids or offers into the Trading Platform other than in good faith for the purpose of executing bona fide transactions.

520. Termination of Connection

(a) The Company, at its sole discretion, shall have the right to summarily terminate the Trading Privileges of any Participant or the access of any Trader ID to the Trading Platform. Additionally, the Company, at its sole discretion, shall have the right to

direct a Participant to immediately terminate access to the Trading Platform of any of such Participant's Sponsored Access Firms or Registered Traders.

(b) A Participant, Sponsored Access Firm or Registered Trader whose Trading Privileges are revoked or terminated, shall remain bound by the Rules and Applicable Law and subject to the jurisdiction of the Company with respect to any and all matters arising from, related to, or in connection with, the status, acts or omissions of such former Participant arising prior to such revocation or termination. Such former Participant, Registered Trader or Sponsored Access Firm must also cooperate in respect of any disciplinary proceeding arising under Chapter 7 as if such former Participant, Sponsored Access Firm, Registered Trader were still a Participant, Sponsored Access Firm or Registered Trader.

521. Prohibition of Misstatements

No Participant or any of its Sponsored Access Firms or Registered Traders shall make any knowing misstatement of a material fact to the Company, any Company Official, or any committee or Company panel.

522. Acts Detrimental to Company Prohibited

No Participant or any of its Sponsored Access Firms or Registered Traders shall engage in any act that is detrimental to the Company or access the Trading Platform in any way which could be expected to bring disrepute upon such Participant, Sponsored Access Firm or Registered Trader, or the Company. Without limiting the generality of the foregoing, it shall be deemed an act detrimental to the Company to (i) permit unauthorized use of the Trading Platform; (ii) assist any Person in obtaining unauthorized access to the Trading Platform; (iii) trade on the Trading Platform without an agreement and an established account with a Clearing Firm (with the exception of Uncleared Swaps); (iv) alter the equipment associated with the Trading Platform (except with the Company's consent); (v) interfere with the operation of the Trading Platform; (vi) intercept or interfere with information provided thereby; or (vii) in any way use the Trading Platform in a manner contrary to the Rules.

523. Supervision

A Participant shall establish, maintain and administer supervisory procedures that are reasonably designed to monitor the compliance of its Sponsored Access Firms and Registered Traders with the Rules, and such Participant may be held accountable for the actions of such Sponsored Access Firms and Registered Traders.

524. Liquidity Provider Programs

The Company, in order to provide liquidity and orderliness in a market, may from time to time adopt programs granting one or more Participants, designated as Liquidity Providers, benefits in return for assuming and adequately performing obligations. Any such program may contain:

(a) The qualifications to become a Liquidity Provider, including without limitation any minimum net capital requirements;

(b) The procedure by which a Participant may seek and receive designation as a Liquidity Provider;

(c) The obligations of a Liquidity Provider, including without limitation, maximum bid/offer spread and minimum quote size; and/or

(d) The benefits accruing to a Liquidity Provider, including without limitation, reduced transaction fees and/or the receipt of compensatory payments from the Company.

525. Responsibility for Customer Orders

(a) A Participant or Sponsored Access Firm who inadvertently fails to execute a Customer Order at the time it should have been executed may, upon discovery of such error or omission, execute such Order at the best obtainable price. Unless the Customer that has placed the Order agrees otherwise, such Order shall be executed as promptly as practicable and shall be reported to the Customer at the price at which actually executed. A Participant or Sponsored Access Firm may not adjust the price at which an Order was executed other than in accordance with instructions issued pursuant to Rule 538. A Participant or Sponsored Access Firm that agrees to compensate a Customer for such an error shall document all such payments, including the amount of any payment and the reason therefor. Such records must be provided to the Company upon request.

(b) A Participant or Sponsored Access Firm may execute an Order to rectify an error as provided in paragraph (a) without prior instructions from the Customer, but this Rule 525 shall not be construed to contravene any instructions received from a Customer respecting any such Order prior to its execution.

526. Withholding of Customer Orders Prohibited

No Participant or Sponsored Access Firm shall withhold or withdraw from the market any Customer Order, or any part of an Order, for the benefit of any Person other than the Customer for whom the Participant is placing the Order.

527. Priority of Customer Orders

(a) No Participant or Sponsored Access Firm shall knowingly enter an Order into the Trading Platform for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority, including, without limitation, an Order allowing discretion as to time and price, when such Participant or Sponsored Access Firm is in possession of a Customer Order that can be but has not been submitted to the Trading Platform.

(b) For purposes of this Rule 527, a Participant or Sponsored Access Firm will not be deemed to knowingly buy or sell a Swap or execute a discretionary Order if (i) such Participant or Sponsored Access Firm is a corporate or other legal entity consisting of more

than one individual trader, (ii) such Participant or Sponsored Access Firm has in place appropriate “firewalls” or separation of function procedures, and (iii) the Registered Trader buying or selling the Swap or executing the discretionary Order in question has no direct knowledge of the Order to buy or sell the same Swap for any other Person at the same price or at the market price or of the Customer Order for the same Swap, as the case may be.

(c) Nothing in this Rule 527 limits the ability of an “eligible account manager” to bunch Orders in accordance with CFTC Regulation 1.35(b)(5).

528. Trading Against Customer Orders

(a) *General Prohibition.* No Participant or Sponsored Access Firm in possession of a Customer Order shall knowingly take, directly or indirectly, the opposite side of such Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority.

(b) *Exceptions.* The foregoing restriction does not prohibit permissible Pre-Execution Communications conducted in accordance with Rule 533(b) and shall not apply to the following:

(i) Transactions executed pursuant to Rule 601;

(ii) A trade knowingly made by a Participant or Sponsored Access Firm in the Order Book against a Customer Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority if, in any such case, the Customer Order has first been exposed in the Order Book for a minimum of five seconds; or

(iii) Permitted Transactions.

529. Simultaneous Buying and Selling Orders

(a) Opposite Orders for different beneficial owners that are simultaneously placed by a Participant or Sponsored Access Firm with discretion (including time and price discretion) over both accounts may be entered into the Trading Platform, as long as one Order is exposed for a minimum of five seconds.

(b) Independently initiated Orders on opposite sides of the market for different beneficial account owners that are immediately executable against each other may be entered without delay provided that the Orders did not involve Pre-Execution Communications.

(c) This Rule 529 shall not apply to Permitted Transactions.

530. Disclosing Orders Prohibited

Except as permitted by Rule 533(b), no Participant or Sponsored Access Firm shall disclose an Order to buy or sell, except to a designated Company Official or the CFTC or as necessary to efficiently execute the Order, and no Participant or Sponsored Access Firm shall solicit or induce another Person to disclose Order information.

531. Wash Sales Prohibited

No Person shall buy and sell a Swap, place or accept buy and sell Orders in the same Swap, or knowingly execute or accommodate the execution of such Orders by direct or indirect means, if the Person knows or reasonably should know that the purpose of the transactions is to avoid taking a bona fide market position exposed to market risk. Buy and sell Orders for different accounts with common beneficial ownership that are entered with the intent to negate market risk or price competition shall also be deemed to violate this Rule.

532. Modification and Cancellation of Orders

Any Order that has been entered into the Trading Platform may be modified or cancelled unless and until it has been executed or has otherwise expired. Any such modification or cancellation requires that a modification Order or cancellation Order, as the case may be, with respect to the original Order be entered into the Trading Platform. Such modification or cancellation will become effective upon receipt by the Trading Platform of the modification Order or cancellation Order. Every Order automatically expires at the end of the Trading Hours on the calendar day such Order is placed, in the event of any suspension or curtailment of trading, or in the case of any failure of the Trading Platform.

533. Money Passing, Prearranged, Pre-Negotiated and Noncompetitive Trades Prohibited

(a) No Person shall prearrange or pre-negotiate any purchase or sale or noncompetitively execute any Order, except as provided in paragraph (b) below. The foregoing restriction shall not apply to Block Trades effected pursuant to Rule 601 or to Permitted Transactions.

(b) Participants, Sponsored Access Firms, Registered Traders and Customers may engage in Pre-Execution Communications with regard to Required Transactions executed or to be executed in the Order Book if one party (the first party) wishes to be assured that a contra party (the second party) will take the opposite side of the first party's Order, subject to the following restrictions:

(i) A party may not engage in Pre-Execution Communications with other market participants on behalf of another party unless the party for whose benefit the trade is being made has previously consented to permit such communications.

(ii) Parties to Pre-Execution Communications shall not disclose to a non-party the details of such communications or enter an Order to take advantage of information conveyed during such communications except in accordance with this Rule.

(iii) One party's Order must be entered into the Order Book and the other party's Order may not be entered into the Order Book until a period of five seconds has elapsed from the time entry of the first Order.

As used in this Rule 533(b), "**Pre-Execution Communication**" means communications between two Participants, Sponsored Access Firms, Registered Traders or Customers for the purpose of discerning interest in the execution of a transaction prior to the entry of an Order with respect to such Transaction, which shall include any discussion of the size, side of the market or price of an Order or potentially forthcoming Order.

(c) No Person may enter Orders the purpose of which is to enter into Swaps without a net change in either party's open positions but a resulting profit to one party and a loss to the other party, commonly known as a "money pass."

534. Discretionary Orders

No Participant or Sponsored Access Firm shall submit a discretionary Order to the Trading Platform for the account of another Person without the prior specific written consent of such other Person to the exercise of such discretion. An Order that gives a Participant solely time and price discretion shall not be subject to this Rule.

535. Position Limits; Exemptions

(a) The Company may establish position limits for one or more Swaps, and grant exemptions from position limits, in accordance with CFTC Regulations. A Person seeking an exemption from position limits must apply to the Market Regulation Department in the form and manner required by the Company.

(b) A Person intending to exceed position limits, including limits established pursuant to a previously approved exemption, must file the required application and receive approval from the Company prior to exceeding such limits. Notwithstanding the foregoing, a Person who establishes an exemption-eligible position in excess of position limits and files the required application with the Company shall not be in violation of this Rule provided the filing occurs within one Business Day after assuming the position. In the event the positions in excess of the limits are not deemed to be exemption-eligible, the applicant will be in violation of speculative limits for the period of time in which the excess positions remained open.

(c) The Company shall, on the basis of the application and any requested supplemental information, determine whether an exemption from position limits shall be granted. The Company may approve, deny, condition or limit any exemption request based on factors deemed by the Company to be relevant, including, but not limited to, the applicant's business needs and financial status, as well as whether the positions can be

established and liquidated in an orderly manner. A Person that has received an exemption from position limits pursuant to this Rule 535 shall be deemed to have agreed:

- (i) to comply with all terms, conditions or limitations imposed by the Company with respect to the exemption;
- (ii) that the Company may modify or revoke the exemption at any time;
- (iii) to initiate and liquidate positions in an orderly manner; and
- (iv) to promptly submit a supplemental statement to the Company whenever there is a material change to the information provided in the most recent application.

(d) A Participant or Sponsored Access Firm shall not be in violation of this Rule if it carries positions for its Customers in excess of the applicable position limits for such reasonable period of time as the firm may require to discover and liquidate the excess positions. For the purposes of this Rule, a reasonable period of time shall generally not exceed one Business Day. A Customer who exceeds the position limits as a result of maintaining positions at more than one Participant or Sponsored Access Firm shall be deemed to have waived confidentiality regarding his positions and the identity of the Clearing Firm(s) at which they are maintained. A Participant or Sponsored Access Firm carrying such positions shall not be in violation of this Rule if, upon notification by the Company, it liquidates its pro-rata share of the position in excess of the limits or otherwise ensures the Customer is in compliance with the limits within a reasonable period of time.

(e) Nothing in this Rule 535 shall in any way limit:

- (i) the authority of the Company to take emergency action; or
- (ii) the authority of the Company to review at any time any position owned or controlled by any Person and to direct that such position be reduced to the applicable position limit.

(f) A Person who has received written authorization from the Company for an exemption from position limits must annually file an updated application on or before the date that is one year following the approval date of the most recent application. Failure to file an updated application shall result in expiration of the exemption.

(g) No Person shall exceed position limits that may be established by the Company or the CFTC, unless an exemption is granted by the Company. Any Person making a bid or offer that would, if accepted, cause such person to exceed the applicable position limits shall be in violation of this Rule.

536. Position Accountability

(a) The Company shall establish position accountability levels for Required Transactions unless the Company has previously established position limits pursuant to

Rule 535. A Person who holds or controls aggregate positions in excess of position accountability levels shall:

(i) provide, in a timely manner upon request by the Company, information regarding the nature of the position, trading strategy, and hedging information, if applicable;

(ii) be deemed to have consented, when so ordered by the Company, not to further increase the positions which exceed such position accountability levels; and

(iii) initiate and/or liquidate such positions in an orderly manner.

(b) For purposes of this Rule 536, all positions in accounts for which a Person, by power of attorney or otherwise, directly or indirectly controls trading shall be included with the positions held by such Person. The provisions of this Rule shall apply to positions held by two or more Persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by or the trading of the positions was controlled by a single Person.

537. Aggregation of Positions

For purposes of Rule 535 and Rule 536, positions in Swaps shall be aggregated in accordance with CFTC Regulations.

538. Trade Cancellations and Adjustments; Error Trade Policy

(a) Scope. The Company may from time to time adopt Error Trade Policies for one or more Swaps or classes of Swaps, which Policies will be posted on the Company's website and will, when adopted, be distributed by the Company to all Participants and Sponsored Access Firms. Paragraphs (b), (f), (g) and (i) of this Rule 538 apply to Swaps which have been executed at prices that were entered in error and which are the subject of an Error Trade Policy. Paragraphs (c)-(g) and (i) of this Rule 538 apply to Swaps which have been executed at prices that were entered in error and which are not the subject of an Error Trade Policy. Paragraphs (g), (h) and (i) of this Rule apply to trade cancellations and adjustments resulting from a Trading Platform malfunction or an error by an employee of the Company.

(b) Error Trade Policy.

(i) Transactions in Swaps that are the subject of an Error Trade Policy shall not be subject to the provisions of this Rule other than this paragraph (b) and paragraphs (f), (g) and (i) of this Rule 538.

(ii) The Company shall be authorized to cancel any Order, response to an RFQ or Indication of Interest and to cancel or adjust any transaction pursuant to an Error Trade Policy.

(c) ~~(a)~~ *Cancellations and Price Adjustments (No Error Trade Policy)*. The Company may cancel or adjust the price of any trade as provided in this Rule 538. All decisions of the Company to cancel or adjust a trade, or to decline to cancel or adjust a trade, shall be final. All determinations of the Company regarding the cancellation of trades or the adjustment of prices shall, subject to paragraph ~~(b)~~ (i) of this Rule, be final and the Company shall not have any liability for losses arising out of determinations made by the Company pursuant to this Rule, notwithstanding the limitations on liability otherwise set forth in Rule 914.

(d) ~~(b)~~ *Determination to Review a Trade (No Error Trade Policy)*. The Company may determine to review a trade based on its independent analysis of market activity or upon request for review by a user of the Trading Platform. A request for review must be made within 15 minutes of the execution of the trade, and the Company shall determine whether to review a trade promptly after a such request has been received. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news, or in any other circumstance in which the Company deems it to be appropriate, the Company may determine, in its sole discretion, that a trade shall not be subject to review. Upon deciding to review a trade, the Company will promptly issue an alert to involved Participants and Sponsored Access Firms via the Trading Platform or electronic mail indicating that the trade is under review. If the Company accepts a request for review, the Company shall complete such review within one Business Day after it accepts such request unless it notifies involved Participants and Sponsored Access Firms that it is unable to complete its review during this time period.

(e) ~~(c)~~ *Review of Trades (No Error Trade Policy)*.

(i) In reviewing a trade, the Company will first determine whether the price of the trade is in the Non-Reviewable Range. For purpose of this Rule 538, “**Non-Reviewable Range**” means, with respect to a Swap, any price that is not more than 10% higher or lower than the most recent price of: (A) a transaction in such Swap effected pursuant to the Rules, other than a Block Trade or the Swap that is under review; (B) if the Swap is a Cleared Swap, the settlement price established therefor by a Derivatives Clearing Organization; or (C) if the prices described in clauses (A) and (B) occurred more than one Business Day before the date of the Swap that is being reviewed, the price for such Swap or an economically equivalent swap most recently reported by a Swap Data Repository. If the Company determines that the price of a trade is inside the Non-Reviewable Range, the Company will issue an alert indicating that the trade shall stand as executed.

(ii) If the Company determines that the price of a trade is outside the Non-Reviewable Range, the Company shall have the right, in its sole discretion, to cancel or adjust the price of such trade if it believes that allowing the trade or trades to stand as executed could have a material, adverse effect on the integrity of the market or is necessary to mitigate market disrupting events caused by the improper or erroneous use of the Trading Platform or by system defects. A decision by the Company to cancel or adjust the price of a trade will be made as soon as practicable, and the Company shall notify Participants, Sponsored Access Firms, the Swap Data

Repository and, if applicable, the Derivatives Clearing Organization of any such decision. The Company may consider any relevant information, including, but not limited to, the last trade price of the Swap or a better bid or offer, a more recent price for a different maturity date, the price of the same or related Swap established in another venue or another market, the market conditions at the time of the trade, Indications of Interest, and responses to an RFQ.

(f) ~~(d)~~ *Liability for Losses Resulting from Price Adjustment or Cancelled Trade.*

(i) *Cancelled Trades.* A Person responsible for an Order that results in a cancelled trade may be liable for the reasonable out-of-pocket losses incurred by Persons whose trades were cancelled. Issues of liability in such cases will be determined in accordance with the arbitration procedures specified in Chapter 8.

(ii) *Price-Adjusted Trades.* A Person responsible for an Order that results in a trade price adjustment shall generally not be liable for losses, other than the price adjustment, incurred by Persons whose trade prices were adjusted. A claim for a loss pursuant to this subparagraph (ii) must be submitted to the Company, on the form provided by the Company for such purpose, within five Business Days of the price-adjusted trade giving rise to the claim. The Company shall reject any claim that is not permitted by this Rule 538 and such determination shall be final. All claims that are not rejected by the Company shall be forwarded to the party responsible for the Order(s) that resulted in the price adjustment. Such party shall, within ten Business Days of receipt of the claim, admit or deny responsibility in whole or in part, but the liability for losses for a single incident shall be limited to \$500,000. To the extent that liability is admitted, payment shall be made within ten Business Days. If liability is admitted but the total claims exceed \$500,000, the claims shall be reduced pro rata so that the total payment does not exceed \$500,000. To the extent that liability is denied, the claims shall be submitted to arbitration in accordance with Chapter 8 of these Rules.

(g) ~~(e)~~ *Trade Cancellation and Adjustment Procedures.* Upon a determination by the Company that a trade shall be cancelled or that trade prices shall be adjusted, that decision will be implemented. The cancelled trade price and any price quotes that have been adjusted ~~will~~shall be reflected as cancelled in the Company's official records and shall be reported by the Company to the Swap Data Repository.

(h) *Trading Platform Malfunctions and Employee Errors.* If a Participant or Sponsored Access Firm believes that an Order or RFQ was incorrectly displayed, executed and/or reported, it may request review of the Order, RFQ and any resulting transaction. Upon receipt of such a request for review, the Company will review its records to determine if the Order or RFQ was correctly displayed and/or executed by the Trading Platform or, if relevant, by an employee of the Company acting pursuant to Rule 509. If, as a result of that review, the Company determines that a mistake occurred as a result of a malfunction in the Trading Platform or as a result of an error by such employee, the transaction will be canceled or adjusted, as appropriate, but the Company shall not be liable

therefor except as provided in Rule 914. The Company will document in writing all requests for review, the time and manner in which it reviewed its electronic audit trail and other information in response to the request, the outcome of that review, and any action taken by the Company in response to that review. A decision by the Company to cancel or adjust the price of a trade will be made as soon as practicable, and the Company shall notify Participants, Sponsored Access Firms and the Swap Data Repository of any such decision.

(i) ~~(f)~~ *Alternative Resolution by Agreement of Parties.*

(i) With the approval of the Company, parties to a trade that is under review or that has had its price adjusted may instead mutually agree to cancel or to adjust the price of the trade.

(ii) With the approval of the Company, parties to a trade that is canceled may instead mutually agree to adjust the price of such trade to a price within the Non-Reviewable Range.

(iii) Subject to clauses (i) and (ii), parties to a trade that is canceled or that has had its price adjusted may mutually agree to a cash adjustment.

(iv) Any cancellation or adjustment made pursuant to this paragraph (f) shall be reported immediately by the parties to the Company, which shall report such cancellation or adjustment to the Swap Data Repository. The parties shall maintain a record of such cancellation or adjustment, including a record of their report of the same to the Company.

539. Message Traffic

The Company may at any time restrict, or establish utilization fees in respect of, message traffic, either with respect to all or any Participants (or some or all of their Sponsored Access Firm and/or Registered Traders) in order to safeguard the security or operations of the Company, or to preserve market integrity, fair and orderly trading, or if otherwise in the public interest.

540. Swap Data Reporting

(a) The Company will report Required Swap Creation Data to a Swap Data Repository for each Swap. The Company may provide such Required Swap Creation Data to Participants, Sponsored Access Firms and Registered Traders no earlier than the time it transmits such information to a Swap Data Repository and in a form that does not disclose the identities, or otherwise facilitate identification, of the parties to the Swap. Nothing in this Rule 540 shall prohibit the Company from disclosing to the counterparties to an executed trade, the price, size or other material terms of their executed transaction prior to transmittal of such information to Swap Data Repository.

(b) The Reporting Counterparty for each Swap executed pursuant to the Rules shall be established pursuant to CFTC Regulation 45.8. If both counterparties to a Swap executed pursuant to the Rules are equal in the hierarchy (for example, both are swap

dealers), the Reporting Counterparty for such Swap shall be determined in accordance with Dodd Frank Act - Swap Transaction Reporting Party Requirements (version July 15, 2013 or such successor version as may be adopted from time to time), published by the International Swaps and Derivatives Association Inc.

(c) The Company shall from time to time designate a Swap Data Repository in respect of one or more Swaps and shall notify Participants and Sponsored Access Firms of such designation.

(d) Each Participant and Sponsored Access Firm: (i) authorizes the Company to send Required Swap Creation Data on its behalf and, if applicable, on behalf of its Customers to the relevant Swap Data Repository and agrees to take all such actions as are deemed necessary or required by such Swap Data Repository to facilitate or confirm such authorization; and (ii) consents to the maintenance of such Required Swap Creation Data by the relevant Swap Data Repository.

(e) Notwithstanding anything to the contrary herein, the Company's obligations under this Rule may be modified by, and may be subject to, no-action letters or interpretive guidance issued by the CFTC with respect to the matters set forth above.

541. ~~Errors~~; Correction or Cancellation of Transaction Data

~~(a) — Participants and Sponsored Access Firms that become aware of an error or omission in Required Swap Creation Data for a Swap shall promptly submit corrected data to the Company and, if the error or omission relates to a Block Trade, the counterparty to such Block Trade.~~

~~(b) — If a Participant or Sponsored Access Firm believes that an Order or RFQ was incorrectly displayed, executed and/or reported, it may request review of the Order, RFQ or any resulting transaction. Upon receipt of such a request for review, the Company will review its records to determine if the Order or RFQ was correctly displayed and/or executed by the Trading Platform or, if relevant, by an employee of the Company acting pursuant to Rule 509. If, as a result of that review, the Company determines that a mistake occurred as a result of a malfunction in the Trading Platform or as a result of an error by such employee, the transaction will be canceled or adjusted, as appropriate, but the Company shall not be liable therefor except as provided in Rule 914. The Company will document in writing all requests for review, the time and manner in which it reviewed its electronic audit trail and other information in response to the request, the outcome of that review, and any action taken by the Company in response to that review.~~

~~(c) — A decision by the Company to cancel or adjust the price of a trade will be made as soon as practicable, and the Company shall notify Participants, Sponsored Access Firms and the Swap Data Repository of any such decision.~~

CHAPTER 6 BLOCK TRADES

601. Block Trades

(a) Except as may otherwise be permitted by CFTC Regulations or interpretive guidance issued by the CFTC, Block Trades may be effected in Swaps listed for trading by the Company away from the Trading Platform but otherwise pursuant to the Rules.

(b) A Block Trade must be in a size that is equal to or in excess of the applicable minimum block size for such Swap as set forth in CFTC Regulations.

(c) A Participant or Sponsored Access Firm must receive instructions from a Customer or obtain the Customer's prior consent before entering into a Block Trade with that Customer.

(d) Except as may otherwise be permitted by Applicable Law, Participants shall not aggregate Orders for different accounts to achieve the minimum block size.

(e) The price at which a Block Trade is executed must be fair and reasonable in light of (i) the size of the Block Trade, (ii) the prices and sizes of other transactions in the same contract at the relevant time, (iii) the prices and sizes of transactions in other relevant markets, including the related swap markets, at the relevant time, and (iv) the circumstances of the markets or the Participants to the Block Trade.

(f) The Reporting Counterparty to a Block Trade must ensure that each Block Trade is submitted to the Company as soon as technologically practicable via an approved submission method. The submission must include the information required by Rule 506(b), together with such other information as the Company may require.

(g) Registered Traders and Participants involved in the execution of Block Trades must maintain written or electronic records of all such Block Trades, including an electronic timestamp reflecting the date and time each such Order was received as well as an electronic timestamp reflecting the date and time such Order was executed or cancelled.

CHAPTER 7 DISCIPLINE AND ENFORCEMENT

701. General

(a) Participants, Sponsored Access Firms, Registered Traders and other Persons within the Company's jurisdiction are subject to this Chapter 7 if they are alleged to have violated, to have aided and abetted a violation of or to be violating any Rule of the Company or any provision of Applicable Law for which the Company possesses disciplinary jurisdiction.

(b) Except when the Board reserves responsibility for an inquiry or investigation to itself or delegates its responsibility to a committee of the Board, the Company will conduct inquiries, investigations, disciplinary proceedings and appeals from disciplinary proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter 7.

(c) The Company may delegate any or all of its powers or responsibilities under this Chapter 7 to the Compliance Department, which may take any actions on behalf of the Company that the Company is permitted to take hereunder. In the event of any such delegation, references to the Company in this Chapter 7 shall be construed to be references to the Compliance Department. The Compliance Department will maintain an enforcement staff that will effectively and promptly prosecute violations in accordance with this Chapter 7. The enforcement staff may not include persons that are associated with Participants, Sponsored Access Firms or Registered Traders or with persons whose interests conflict with their enforcement duties. Further, a member of the enforcement staff may not operate under the direction or control of any Person with Trading Privileges. Any reference to the Compliance Department in this Chapter 7 shall also be a reference to the enforcement staff.

(d) Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 205(a)(i) with a potential respondent in an investigative report.

(e) No member of the staff of the Company will interfere with or attempt to influence the process or resolution of any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action. No member of the Board will interfere with or attempt to influence the process or resolution of any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action with respect to which the Board member is not a member of the relevant Review Panel, Disciplinary Panel or Appeal Panel.

(f) Upon being served with a notice of charges, the respondent may be represented by counsel or any other representative of its choosing, at its own expense, in all succeeding stages of the disciplinary process pursuant to this Chapter 7.

(g) Pursuant to this Chapter 7, the Company may hold:

(i) a Participant liable, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation of Applicable Law;

(ii) a Participant liable, and impose sanctions against such Participant, for the acts and omissions of each Sponsored Access Firm or Registered Trader authorized by, and each other agent or representative of, such Participant that constitute a violation of Applicable Law as if such violation were that of the Participant;

(iii) a Sponsored Access Firm or Registered Trader liable, and impose sanctions against such Person, for such Sponsored Access Firm's or Registered Trader's own acts and omissions that constitute a violation of Applicable Law; and

(iv) a Sponsored Access Firm or Registered Trader liable, and impose sanctions against such Person, for the acts and omissions of each agent or representative of such Sponsored Access Firm or Registered Trader that constitute a violation of Applicable Law as if such violation were that of the Sponsored Access Firm or Registered Trader.

(h) The Board shall appoint individuals at the recommendation of the Chief Compliance Officer to serve for a term of one year subject to reappointment, removal or replacement by the Board, as potential participants on Review Panels, Disciplinary Panels and Appeal Panels. The term of an individual selected as a member of a Review Panel, Disciplinary Panel or an Appeal Panel will not expire until the relevant disciplinary proceedings are complete. No member of the Compliance Department may be a member of a Review Panel, Disciplinary Panel or Appeal Panel.

(i) All information, records and documents provided to the Compliance Department pursuant to the Rules in this Chapter 7 or to a Review Panel, Disciplinary Panel or Appeal Panel, and all deliberations, testimony, information, records, materials and documents related thereto, shall be treated as confidential and shall not be disclosed except in relation to an inquiry or investigation being conducted by the Compliance Department, a hearing or other proceeding pursuant to the Rules in this Chapter 7, or as required by Applicable Law.

702. Inquiries and Investigation

(a) The Compliance Department will investigate any matter within the Company's disciplinary jurisdiction that is brought to the attention of the Compliance Department. An investigation must be commenced upon the receipt of a request from the CFTC staff or upon the discovery or receipt of information by the Company that, in the judgment of the Compliance Department, indicates a reasonable basis for finding that a violation has occurred or will occur. The Compliance Department will determine the nature and scope of its inquiries and investigations within its sole discretion.

- (b) The Compliance Department has the authority to:
 - (i) initiate and conduct inquiries and investigations;
 - (ii) prepare investigative reports and make recommendations concerning the initiation of disciplinary proceedings; and
 - (iii) prosecute alleged violations within the Company's disciplinary jurisdiction; and
 - (iv) represent the Company on appeal from any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.
- (c) Each Participant, Sponsored Access Firm, Registered Trader and any other Person subject to the Company's jurisdiction:
 - (i) is obligated to appear and testify and respond in writing to inquiries as required by the Compliance Department in connection with any inquiry, investigation, disciplinary proceeding or appeal from a decision in a disciplinary proceeding, summary imposition of a fine, summary suspension or other summary action by the Company;
 - (ii) is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the Compliance Department in connection with (A) any Rule of the Company; (B) any inquiry or investigation; or (C) any preparation by and presentation during a disciplinary proceeding or appeal from a decision in any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action by the Company; and
 - (iii) may not without good cause impede or delay any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.

703. Reports of Investigations

(a) The Compliance Department will maintain a log of all investigations and their disposition. Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 205(a)(i) with a potential respondent named in an investigative report. The Compliance Department will prepare a written report of an investigation for the Chief Compliance Officer when the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the Company's jurisdiction has occurred or is about to occur. Any such written investigation report will include the following information:

- (i) the reason(s) for initiating the investigation;

- (ii) a summary of the complaint, if any;
- (iii) all relevant facts and evidence gathered;
- (iv) the Compliance Department's analysis and conclusions; and
- (v) the recommendation of the Compliance Department as to whether disciplinary action should be pursued.

(b) For each potential respondent, the Compliance Department will recommend any one of the following actions:

- (i) closing the investigation without further action;
- (ii) resolving the investigation through an informal disposition, including the issuance of a warning letter; or
- (iii) initiating disciplinary proceedings.

(c) If the Compliance Department determines that no reasonable basis exists for finding a violation, then the written investigation report will include the following information:

- (i) the reasons for initiating the investigation;
- (ii) a summary of the complaint, if any;
- (iii) all relevant facts and evidence gathered;
- (iv) the Compliance Department's analysis and conclusions; and
- (v) a copy of any recommended warning letter as well as the Participant's disciplinary history at the Company.

(d) After reviewing the Compliance Department's written investigation report, the Chief Compliance Officer will either:

- (i) determine to proceed with the Compliance Department's recommendation to close the investigation without further action, or to resolve the investigation through an informal disposition, if such a recommendation has been made;
- (ii) forward the investigation report to a Review Panel to determine whether further action with respect to the matters discussed therein is warranted; or
- (iii) determine to proceed with the Compliance Department's recommendation to initiate disciplinary proceedings, if such a recommendation has been made.

(e) Each Compliance Department investigation must be completed in a timely manner. Absent mitigating factors, a timely manner is no later than 12 months after the date that an investigation is opened. Mitigating factors that may reasonably justify an investigation taking longer than 12 months to complete include the complexity of the investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed.

(f) In addition to any of the actions permitted pursuant to this Rule 703, the Compliance Department may issue a warning letter to the potential respondent. Such warning letter, if issued, shall not be construed as a penalty or an indication that a finding of a violation has been made. No more than one warning letter for the same potential violation may be issued to the same potential respondent during any rolling 12-month period.

704. Review Panel

(a) The Chief Compliance Officer may, at his or her discretion, convene a Review Panel to review an investigation report submitted by the Compliance Department to determine whether (i) a reasonable basis exists to believe that a violation of the Rules has occurred, and (ii) commencing disciplinary proceedings in respect of such potential violation is warranted. The chairman of the Review Panel shall be appointed by the Chief Compliance Officer.

(b) The Review Panel will review the completed investigation report promptly after receipt thereof and, within 20 days of such receipt, take one of the following actions:

(i) If the Review Panel determines that additional investigation or evidence is needed, the Review Panel shall promptly direct the Compliance Department to conduct such further investigation;

(ii) If the Review Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, the Review Panel may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision; or

(iii) If the Review Panel determines that a reasonable basis exists for finding a violation and adjudication is warranted, it must direct that the person or entity alleged to have committed the violation be served with a notice of charges.

(c) Any member of the Review Panel must promptly recuse himself or herself and notify the Chief Regulatory Officer of the recusal if such member has a relationship of a type listed in Rule 205(a)(i) with a potential respondent in an investigative report.

(d) The Review Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director in accordance with Rule 201(d). In forming a Review Panel, the Chief Compliance Officer shall draw panel members from the

individuals appointed by the Board as potential members of Review Panels. No group or class of Participants may dominate or exercise disproportionate influence on a Review Panel, and no member of the Review Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Review Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Review Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Review Panel has determined the matter for which it was appointed and has notified the Chief Compliance Officer in writing of its decision, it shall be dissolved automatically. The Regulatory Oversight Committee may, at any time, remove any member of a Review Panel for cause.

705. Notice of Charges

(a) If the Chief Compliance Officer or Review Panel authorizes the initiation of disciplinary proceedings, the Compliance Department will prepare, and serve in accordance with Rule 707, a notice of charges.

(b) A notice of charges must:

(i) adequately state the acts, practices or conduct that the respondent is alleged to have engaged in;

(ii) state the Rule(s) or provision(s) of Applicable Law alleged to have been violated or about to be violated;

(iii) advise the respondent of its right to a hearing;

(iv) state the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 days after service of the notice of charges;

(v) advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and

(vi) advise the respondent that a failure to answer or to expressly deny a charge may be deemed to be an admission of such charge.

(c) Upon being served with a notice of charges, the respondent has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the disciplinary proceedings, other than a Board member, Director, member of an applicable Disciplinary Panel, Company employee or other person substantially related to the underlying investigation.

706. Answer to Notice of Charges

(a) If the respondent determines to answer a notice of charges, the respondent must file a written answer within 20 days after being served with such notice, or within such later time period determined appropriate by the Chairman of the Disciplinary Panel.

(b) To answer a notice of charges, the respondent must in writing:

(i) specify the allegations that the respondent denies or admits;

(ii) specify the allegations that the respondent does not have sufficient information to either deny or admit;

(iii) specify any specific facts that contradict the notice of charges;

(iv) specify any affirmative defenses to the notice of charges; and

(v) sign and serve the answer on the Disciplinary Panel.

(c) Any failure by the respondent to timely serve a written answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer or expressly deny one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. A general denial by the respondent, without more, will not satisfy the foregoing requirements.

(d) If a respondent admits or fails to specifically deny any of the allegations in the notice of charges, the Disciplinary Panel shall find that the violations set forth in such allegations have been committed and shall impose a sanction for each such violation. The Disciplinary Panel shall promptly notify the respondent in writing of any sanction to be imposed pursuant to this Rule 706(d) and advise the respondent that it may request a hearing on such sanction within the time period specified in the notice. The failure to request such a hearing within such time period shall be deemed to constitute an acceptance of such sanction. Any hearing pursuant to this Rule 706(d) shall be concerned only with the sanction(s) imposed by the Disciplinary Panel pursuant to this Rule 706(d).

707. Service of Notice

Any notice of charges or other documents contemplated to be served pursuant to this Chapter 7 may be served upon the respondent either personally or by leaving the same at the respondent's place of business during business hours, or by deposit with the United States post office, postage prepaid via registered or certified mail, or by overnight delivery, addressed to the respondent at the respondent's last known place of business or residence as reflected in the books and records of the Company.

708. Settlements

(a) At any time after a notice of charges has been issued, the respondent may propose in writing an offer of settlement to anticipated or instituted disciplinary

proceedings. Any offer of settlement must contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings, but must accept the jurisdiction of the Company over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed under such offer of settlement.

(b) The Disciplinary Panel may accept the offer of settlement, but may not alter the terms of a settlement offer unless the respondent or potential respondent agrees.

(c) If an offer of settlement is accepted, the Disciplinary Panel must issue a written decision specifying the Rule violations that the presiding panel has reason to believe were committed, including the basis or reasons for the presiding panel's conclusions, and any sanction to be imposed, which shall include full Customer restitution where Customer harm is demonstrated. Should an offer of settlement be accepted by the Disciplinary Panel without the agreement of the Compliance Department, such written decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, such written decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the Rule violations.

(d) The respondent or potential respondent may withdraw his or her offer of settlement at any time before final acceptance by the presiding panel.

(e) If the offer of settlement of a respondent or potential respondent is not accepted, fails to become final or is withdrawn before final acceptance by the presiding panel, the matter will proceed as if the offer had not been made and the offer (and all documents relating to it) will not become part of the record. Neither the respondent, the potential respondent, nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, any disciplinary proceedings.

(f) Any accepted settlement agreement shall include a waiver by the respondent of all rights to appeal or otherwise challenge or contest the validity of the settlement offer.

709. Disciplinary Panel

(a) The Chief Compliance Officer will appoint a Disciplinary Panel to conduct hearings in connection with any disciplinary proceedings authorized by the Chief Compliance Officer or a Review Panel to make findings and impose sanctions pursuant to this Chapter 7.

(b) The Disciplinary Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director in accordance with Rule 201(d). In forming a Disciplinary Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Disciplinary Panels. The chairman of the Disciplinary Panel shall be appointed by the Chief Compliance

Officer. No group or class of Participants may dominate or exercise disproportionate influence on a Disciplinary Panel, and no member of the Disciplinary Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Disciplinary Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Disciplinary Panel has determined the matter for which it was appointed and has notified the Secretary in writing of its decision, it shall be dissolved automatically. The Board may, at any time, remove any member of a Disciplinary Panel for cause.

(c) Any of the functions of the Company or the Disciplinary Panel under this Chapter 7 may be performed by a Regulatory Service Provider pursuant to a delegation of such functions by the Company, and references to the Disciplinary Panel or the Compliance Department, as appropriate, shall be deemed to be references to such Regulatory Service Provider. Nevertheless, the Company will retain exclusive authority in all substantive decisions made by the Regulatory Service Provider, including, but not limited to, denials of access to the Trading Platform for disciplinary reasons. The Company will document any instances where its actions differ from those recommended by the Regulatory Service Provider.

(d) Within ten days of being notified of the appointment of a Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 205(a)(i) or for any other reasonable grounds, by serving written notice on the Company's General Counsel and providing a copy thereof to the Disciplinary Panel. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The general counsel will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

710. Convening Hearings of Disciplinary Proceedings

(a) All disciplinary proceedings (except for summary impositions of fines pursuant to Rule 717) will be conducted at a hearing before a Disciplinary Panel. A hearing will be conducted privately and confidentially unless the Disciplinary Panel decides that the hearing, or any part of it, should be held in public after giving each respondent the opportunity to present its, his or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, a Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

(b) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Compliance Department. The hearing shall be conducted before members of the Disciplinary Panel.

(c) The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing as he or she may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including any pre-hearing motions and the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law; nevertheless, the procedures for the hearing may not be so informal as to deny a fair hearing. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The Company will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.

(d) Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to paragraph (c) above and Rule 711, unless each respondent otherwise consents, the entire Disciplinary Panel must be present (either in person or telephonically) during the entire hearing and any related deliberations.

711. Respondent's Review of Evidence

(a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other evidence in the possession or under the control of the Company that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or which the chairman of the Disciplinary Panel deems relevant to those charges. Notwithstanding the foregoing, no respondent will have the right to review, and the Company will have no obligation to disclose, any information that is (i) protected by attorney-client privilege or the work product doctrine; (ii) was prepared by the Compliance Department or an employee of the Company but will not be offered in evidence in the disciplinary proceedings; (iii) may disclose a technique or guideline used in examinations, investigations or enforcement proceedings; or (iv) discloses the identity of a confidential source.

(b) If any books, records, documents, papers, transcripts of testimony or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.

(c) Notwithstanding anything in paragraph (b) above to the contrary, the Compliance Department:

(i) will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and

(ii) will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to

support the allegations or proposed sanctions in the notice of charges or that are relevant to those charges.

(d) For purposes of this Rule 711, information that could adversely affect competitive positions includes positions in Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of Customers, and the personal finances of the Person providing the information.

(e) Unless indicated otherwise by the chairman of the Disciplinary Panel, all such requests for access to information identified in Rule 711(a) must be made not less than ten days prior to the scheduled hearing date.

712. Conducting Hearings of Disciplinary Proceedings

(a) At a hearing conducted with a Disciplinary Panel, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. The respondent is entitled to appear personally and participate in the hearing.

(b) At a hearing conducted with a Disciplinary Panel, the Compliance Department and each respondent may:

- (i) present evidence and facts deemed relevant and admissible by the chairman of the Disciplinary Panel;
- (ii) call and examine witnesses (including, but not limited to, employees or agents of the Company that form part of the Compliance Department); and
- (iii) cross-examine witnesses called by other parties.

(c) If a respondent has failed to timely file a written answer to a notice of charges but appears at the hearing, the respondent may not participate in the hearing (except for a hearing pursuant to Rule 706(d)) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 706.

(d) Any person entitled, required, or called upon to attend a hearing before a Disciplinary Panel pursuant to paragraph (b)(ii) above will be given reasonable notice, confirmed in writing, specifying the date, time, and place of the hearing, and the caption of the disciplinary proceedings. The Company will require persons within its jurisdiction that are called as witnesses to appear at the hearing and produce evidence, and will make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.

(e) If, during any disciplinary proceedings, the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated, or is about to violate, a

Rule of the Company or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 706. In connection with considering apparent violations pursuant to this paragraph (e), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.

(f) The Disciplinary Panel may summarily impose sanctions on any Participant, Sponsored Access Firm or Registered Trader, or other Person within the Company's jurisdiction whose actions impede the progress of a hearing.

(g) The Company will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription, and a copy of such recordings shall become a part of the record of such proceedings. If the respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Disciplinary Panel may, within his or her sole discretion, order the respondent to pay the costs for transcribing the recording of the hearing.

(h) No interlocutory appeals of rulings of any Disciplinary Panel, or chairman of the Disciplinary Panel, are permitted.

713. Decision of Disciplinary Panel

(a) Promptly following a hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.

(b) The Company will serve a copy of the written decision on the respondent and the Compliance Department. The written decision will include the following information:

(i) the notice of charges or a summary of the charges;

(ii) the answer, if any, or a summary of the answer;

(iii) a summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigation report;

(iv) a statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and other bases for such findings and conclusions with respect to each charge;

(v) an indication of each specific Rule that the respondent was found to have violated; and

(vi) a declaration of all sanctions imposed against the respondent, including the basis for such sanctions and the effective date of such sanctions.

(c) Unless a timely notice of appeal is filed pursuant to Rule 716, the order of the disciplinary proceedings will become final upon the expiration of 20 days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

714. Sanctions

(a) After notice and opportunity for hearing in accordance with these Rules, the Company will impose sanctions if a Participant, Sponsored Access Firm or Registered Trader, or other Person within the Company's jurisdiction is found to have violated any Applicable Law. Disciplinary sanctions imposed by the Company shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.

(b) The Company may impose one or more of the following sanctions or remedies:

(i) a warning letter, provided that no more than one warning letter may be issued to the same respondent found to have committed the same Rule violation within a rolling twelve month period;

(ii) censure;

(iii) limitation on the Participant's right to access all or part of the Trading Platform;

(iv) suspension of the Participant's right to access all or part of the Trading Platform for a period not to exceed 12 months;

(v) fine (subject to paragraph (c) below);

(vi) restitution or disgorgement;

(vii) expulsion or termination of a Participant, Sponsored Access Firm, Registered Trader or other Person within the Company's jurisdiction; or

(viii) any other sanction or remedy deemed to be appropriate.

(c) The Company may impose a fine of up to \$100,000 for each violation. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any Sponsored Access Firm or Registered Trader authorized by, or other agent or representative of, such Participant.

715. Costs

A Disciplinary Panel may order a respondent who has been found to have violated the Rules to pay costs associated with the disciplinary proceedings, including costs that the Disciplinary Panel believes were unnecessarily caused by the respondent, in addition to any fine or other penalty which may be imposed on such respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the Compliance Department, legal and professional assistance, the hearing, and administrative and other expenses incurred by the Disciplinary Panel.

716. Appeal from Disciplinary Panel Decision

(a) Parties to a disciplinary proceeding may appeal the decision of the Disciplinary Panel within 20 days of receiving the order of the disciplinary proceedings by filing a notice of appeal with the chief legal officer of the Company. While an appeal is pending, the effect of the written decision issued by the Disciplinary Panel (including any sanctions, remedies, or costs imposed thereby) shall be suspended.

(b) In a notice of appeal, the appellant must state in writing the grounds for appeal, including the findings of fact, conclusions, or sanctions to which the appellant objects. A written request for an appeal must specify the grounds for the appeal and the specific error or impropriety of the original decision. An appellant may appeal the written decision of a Disciplinary Panel on the grounds that (i) the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or (ii) the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the Company.

(c) The chief legal officer will forward copies of any notice of appeals received by him or her to all parties to the Disciplinary Proceedings in question other than the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the chief legal officer and serve the Compliance Department a brief supporting the notice of appeal and documents supporting the brief.

(d) Within 20 days after the last submission filed pursuant to paragraph (c) above, the Chief Compliance Officer shall appoint an Appeal Panel to consider and determine the appeal. The Appeal Panel shall be comprised of three individuals appointed by the Board as potential members of Appeal Panels, one of whom shall be appointed by the Chief Compliance Officer to serve as chairman of the Appeal Panel. The Appeal Panel must include at least one person who is qualified to serve as a Public Director in accordance with Rule 201(d). No group or class of participants may dominate or exercise disproportionate influence on an Appeal Panel. An individual may not serve on an Appeal Panel if the individual has a relationship of a type described in Rule 205(a)(i) or was involved in the adjudication of any other stage of the same proceeding. The appeals proceeding shall be conducted before all members of the Appeal Panel.

(e) Within ten days of being notified of the appointment of an Appeal Panel, either party may seek to disqualify any individual named to the Appeal Panel for the reasons listed in Rule 205(a)(i) or for any other reasonable grounds, by serving written

notice on the chief legal officer of the Company. By not timely filing a request for disqualification, the parties will be deemed to have waived any objection to the composition of the Appeal Panel. The chief legal officer will decide the merits of any such objection in his or her sole discretion. Any such decision will be final and not subject to appeal.

(f) The Appeal Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the appeal. The Appeal Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant may be able to demonstrate that the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or that the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the Company. The Appeal Panel's determination shall be based solely upon the materials submitted by the appellant pursuant to paragraph (c). The Appeal Panel's determination of whether to hold a hearing on an appeal shall be final. If the Appeal Panel grants the appellant's request for a hearing, the appellee may file and serve its brief in opposition not more than 20 days after the issuance of the determination of the Appeal Panel.

(g) An Appeal Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially unless the chairman of the Appeal Panel decides that the hearing, or any part of it, should be held in public after giving each appellant the opportunity to present its, his, or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, an Appeal Panel may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by any evidentiary or procedural rules or law.

(h) Except for good cause, the Appeal Panel will only consider on appeal the record before the Disciplinary Panel, the written exceptions filed by the parties, and the oral or written arguments of the parties. The Appeal Panel may only consider new evidence when it is satisfied that good cause exists as to why the evidence was not introduced during a prior stage of the Disciplinary Proceeding. In connection with any appeal, the Compliance Department will furnish to the Appeal Panel a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal, and briefs filed to support and oppose the appeal.

(i) After completing its review, the Appeal Panel may affirm, modify, or reverse any order of Disciplinary Proceedings under appeal in whole or in part, including increasing, decreasing, or eliminating any sanction or remedy imposed; imposing any other sanction or remedy authorized by the Rules; or remanding the matter to the same or a different Disciplinary Panel for further Disciplinary Proceedings. The Appeal Panel may order a new hearing for good cause, or if the Appeal Panel deems it appropriate.

(j) Promptly following the appeal proceeding, the Appeal Panel will issue a written decision and provide a copy to the parties. The written decision issued by the Appeal Panel must adhere to all the requirements of Rule 713(b), to the extent that a

different conclusion is reached from that issued by the Disciplinary Panel. A decision by a majority of the Appeal Panel will constitute the decision of the Appeal Panel.

(k) An Appeal Panel's written decision on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies, and costs, and the effective date of any sanction, remedy, or cost) will be the final action of the Company, and will not be subject to appeal within the Company. Disciplinary sanctions imposed by the Company shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.

717. Summary Imposition of Fines Relating to Submission of Records

(a) The Company may fine a Participant, Sponsored Access Firm or Registered Trader using a summary fine schedule for a violation of Rules regarding timely submission of accurate records.

(b) A warning letter may be issued for first-time violations, provided that no more than one warning letter may be issued per any rolling 12-month period for the same violation.

718. Summary Suspensions

(a) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer, or his or her designee, may summarily suspend a Participant's right to access the Trading Platform or the association of a Sponsored Access Firm or Registered Trader with a Participant, or take other summary action against any Participant, Sponsored Access Firm or Registered Trader, or suspend access to the Trading Platform of any other Person subject to the Company's jurisdiction, if the Company reasonably believes such immediate action is necessary to protect the best interest of the marketplace.

(b) Whenever summary action pursuant to paragraph (a) above is proposed, the Company will, if practicable, serve the party against whom the action is contemplated with written notice. If prior notice is not practicable, the Company will give notice at the earliest possible opportunity to the respondent against whom the action is brought. The notice will be prepared by the Compliance Department, and such notice will state the action, briefly state the reasons for the action, and state the effective time, date, and duration of the action taken. The notice shall be served on the respondent in accordance with Rule 707.

(c) The respondent shall be advised of its right to a hearing before a Disciplinary Panel pursuant to Rules 709-713, by filing a notice of intent with the Compliance Department within ten business days of service of notice. Filing of a notice of intent pursuant to this Rule shall not stay the Chief Compliance Officer's decision to deny access. The respondent shall have the right to be represented by legal counsel, or any other representative of its choosing and at its own expense.

(d) Promptly but no later than 20 days after filing of a notice of intent, a Disciplinary Panel will conduct a hearing concerning the summary suspension. Promptly after such hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the proceeding. The decision of a majority of the Disciplinary Panel will be the decision of the Disciplinary Panel. The Company will serve copies of the written decision of the Disciplinary Panel on the respondent and the Compliance Department. The written decision will include the following information:

- (i) a description of, and reasons for, the summary action taken;
- (ii) a summary of the evidence produced at the hearing;
- (iii) a statement of findings of fact and conclusions;
- (iv) a determination that the summary action should be affirmed, modified, or reversed; and
- (v) a declaration of any action to be taken pursuant to the determination, and the effective date and duration of such action.

(e) Any decision of a Disciplinary Panel pursuant to this Rule 718 will be the final action of the Company, and not subject to appeal within the Company upon serving the respondent with a copy of the decision.

(f) At the request of the Company, a respondent who is summarily suspended pursuant to this Rule 718 must provide access to and/or copies of books and records over which the respondent has access or control, and must furnish information to, or appear or testify before, the Company in connection with the enforcement of any Rule of the Company.

719. Rights and Responsibilities After Suspension or Termination

(a) When the right of a Participant, Sponsored Access Firm or Registered Trader to access the Trading Platform is suspended for a period of 12 months or less, none of its rights will apply during the period of the suspension, except for (i) any right such Person may have to receive rebates or similar payments that were earned, prior to the suspension period, pursuant to Rule 524, provided that such rebates or payments are not directly related to conduct giving rise to such suspension; or (ii) the right of the Participant, Sponsored Access Firm or Registered Trader to assert claims against others as provided in the Rules. Any such suspension will not relieve the Participant, Sponsored Access Firm or Registered Trader of its obligations under the Rules to perform any transactions entered into before the suspension, or for any Company fees, costs, or charges incurred during the suspension. The Company may discipline a suspended Participant or Sponsored Access Firm or Registered Trader under this Chapter 7 for any violation of Applicable Law committed by the Participant before, during, or after the suspension.

(b) When the right of a Participant, Sponsored Access Firm or Registered Trader to access the Trading Platform is terminated, all of its rights will terminate, except for the right of the Participant or Sponsored Access Firm or Registered Trader in question to assert claims against others, as provided in the Rules. A terminated Participant, Sponsored Access Firm or Registered Trader may only seek to reinstate its right to access the Trading Platform by filing an application in accordance with Rule 303. The Company will not consider the application of a terminated Participant, Sponsored Access Firm or Registered Trader if such Participant, Sponsored Access Firm or Registered Trader has failed to appear at Disciplinary Proceedings without good cause, or has impeded the progress of Disciplinary Proceedings.

(c) A suspended or terminated Participant or Sponsored Access Firm or Registered Trader remains subject to the Rules and the jurisdiction of the Company for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, Disciplinary Proceeding, appeal of Disciplinary Proceedings, summary suspension, or other summary action as if the suspended or terminated Participant, Sponsored Access Firm or Registered Trader still had the right to access the Trading Platform.

720. Notice to the Respondent, the CFTC, and the Public

The Company will provide written notice of Disciplinary Proceedings to the parties and the CFTC consistent with CFTC Regulations. Whenever the Company suspends, expels, fines, or otherwise disciplines, or denies any Person access, to the Company, the Company will make the public disclosures required by CFTC Regulations.

CHAPTER 8 ARBITRATION

801. General

(a) Participants, Sponsored Access Firms and Registered Traders shall arbitrate through the NFA arbitration program all disputes, controversies or claims between or among themselves that relate to or arise out of any Swap or otherwise arise out of one or more transactions made or to be made pursuant to the Rules and that are based upon facts and circumstances that occurred at a time when the parties were Participants, Sponsored Access Firms or Registered Traders.

(b) Notwithstanding the foregoing, this Rule 801 does not apply to disputes between Participants, Sponsored Access Firms, Registered Traders or Customers that: (i) such Persons are required by the rules of a Self-Regulatory Organization to submit to the dispute resolution procedures of that Self-Regulatory Organization; or (ii) that such Persons have, by valid and binding agreement, committed to arbitrate or litigate in a forum other than NFA.

(c) A Participant, Sponsored Access Firm or Registered Trader that initiates arbitration or litigation relating to or arising out of any Swap or otherwise arising out of transactions made or to be made pursuant to the Rules shall submit notice thereof to the Company.

802. Forum and Arbitration Rules

(a) NFA will conduct arbitrations described in Rule 801(a) pursuant to NFA's member arbitration rules, as if each Participant or Sponsored Access Firm that is party to such arbitration were an "NFA Member," and references in such member arbitration rules to the "Associates" of an "NFA Member" shall mean and include any Sponsored Access Firm and any individual who is employed by or is an agent of a Participant or Registered Trader and who has been authorized to access the Trading Platform under the Rules.

(b) NFA will conduct arbitrations described in Rule 801(a) pursuant to NFA's rules governing the arbitration of customer disputes.

803. Penalties

A failure on the part of a Participant, Sponsored Access Firm or Registered Trader to arbitrate a dispute subject to this Chapter 8, or the commencement by any such person of a suit in any court prior to arbitrating a case this required to arbitrated pursuant to this Chapter 8, violates the Rules and shall subject such Person to Disciplinary Proceedings pursuant to Chapter 7. A Participant, Sponsored Access Firm or Registered Trader that does not arbitrate a dispute through the NFA arbitration program pursuant to Rule 801(b) shall not be deemed to have violated these Rules.

804. Claims Relating to Trade Cancellations and Adjustments

All claims relating to trade cancellations or adjustments made pursuant to Rule 538 shall be arbitrated in accordance with this Chapter 8.

**CHAPTER 9
MISCELLANEOUS**

901. Trading by Company Officials Prohibited; Misuse of Material, Non-Public Information

(a) No Company official may trade, directly or indirectly, (i) any Swap or any related financial instrument, or (ii) any swap or financial instrument where such Company official has access to material non-public information concerning such swap or financial instrument.

(b) The Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) may grant exemptions from the provisions of paragraph (a) to Company officials on a case-by-case basis under circumstances which are not contrary to the purposes of this Rule. Such circumstances may include, but are not necessarily limited to:

(i) participation in pooled investment vehicles where such Company official has no direct or indirect control over transactions effected by or for the account of the pool;

(ii) service by such Company official as an executor or administrator of an estate;

(iii) service by such Company official in any other fiduciary capacity, such as an officer of a charitable organization, in which such Company official receives no pecuniary benefit from the trading of swaps or other financial instruments;

(iv) trading in swaps or other financial instruments executed on or pursuant to the rules of a swap execution facility, a designated contract market or a national securities exchange under circumstances in which such Company official's access to material non-public information in respect of such financial instruments is sufficiently minimal or attenuated so as to be insignificant; and

(v) such other circumstances as the Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) may determine.

For the avoidance of doubt, participation by a Company official in a retirement plan sponsored by the Company shall not be deemed to constitute trading directly or indirectly in a Swap or other financial instrument, notwithstanding such plan's trading of Swaps or other financial instruments.

(c) Any Company official that has received an exemption under paragraph (b) must:

(i) furnish to the Company (or, in the case of the Chief Compliance Officer, to the Board) account statements and other documents relevant to the trading activities that are so exempted; and

(ii) inform the Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) within one Business Day of any material change of information that may affect such Company official's qualification for such exemption.

(d) Company officials, agents and independent contractors of the Company are prohibited from disclosing material non-public information obtained as a result of their employment, agency relationship or engagement with the Company where the Company official, agent or independent contractor expected or should have reasonably expected that the information disclosed may assist a Person in trading any Swap, any swap traded on another swap execution facility or other market, or any related underlying commodity or security.

(e) Terms used in this Rule 901 and not otherwise defined in the Rules shall have the meaning set forth in CFTC Regulations 1.3 and 1.59.

902. Gifts and Gratuities

Except with the prior written approval of the Chief Compliance Officer, no Participant or Sponsored Access Firm shall, directly or indirectly, give or permit to be given anything of value, including gifts and gratuities, to a Company Official in an amount that exceeds the maximum value permitted by the Company's gifts and entertainment policy as in force from time to time.

903. Proprietary Data and Personal Information; Transaction Data

(a) The Company will not use for business or marketing purposes any Proprietary Data and Personal Information collected or received for the purpose of fulfilling its regulatory obligations; provided, however, that the Company may use such Proprietary Data and Personal Information for business or marketing purposes if the Person from whom it collects or receives such Proprietary Data and Personal Information clearly consents to the Company's use of such Proprietary Data and Personal Information in such manner. Access to the Company will not be conditioned on a Person's consent to the Company's use of Proprietary Data and Personal Information for business or marketing purposes.

(b) Subject to each Participant's rights in its Participant Data, the Company owns all rights, title and interest in and to all intellectual property and other proprietary rights (including all copyright, patent, trademark or trade secret rights) in Transaction Data, and all derivative works (excluding Participant Data) based thereon. Participants, Sponsored Access Firms and other Persons affiliated with any of the foregoing may not,

except as otherwise provided in any written agreement between the parties that may specifically address such rights, distribute, sell or retransmit Transaction Data to any third party without the consent of the Company, provided that each Participant retains such rights as it may enjoy under Applicable Law with respect to Participant Data solely in the form such Participant Data was submitted to the Company by such Participant.

(c) Notwithstanding any other provision of this Rule 903, each Participant hereby grants the Company a non-exclusive, perpetual, freely transferable, irrevocable, worldwide and royalty-free license to any and all rights as such Participant may have in and to Participant Data, including, but not limited to, the right to use and disclose Participant Data, in any manner, media and jurisdiction, for the benefit of the Company and/or its Affiliates; provided, that the Company may disclose Participant Data to one or more registered entities (as such term is defined in CFTC Regulations). Except as may otherwise be permitted by Rule 905, in any written agreement between the Company and such Person, or as may be required by Applicable Law, the Company shall not otherwise disclose Participant Data other than on an aggregated basis that does not directly or indirectly identify any Participant, Sponsored Access Firm, Registered Trader, Customer or counterparty.

(d) Each Participant, Sponsored Access Firm and other Persons affiliated with any of the foregoing hereby acknowledges and agrees that the Company owns and shall retain all right, title and interest in and to the Trading Platform, all components thereof, including without limitation all related applications, all application programming interfaces, user interface designs, software and source code and any and all intellectual property rights therein, including, without limitation all registered or unregistered, as applicable copyright, trade mark, service mark, trade secret, trade name, data or database rights, design rights, moral rights, inventions, whether or not capable or protection by patent or registration, rights in commercial information or technical information, including know-how, research and development data and manufacturing methods, patent, and other intellectual property and ownership rights, including applications for the grant of any of the same, in or to the Trading Platform and all other related proprietary rights of the Company and/or any of its Affiliates (together, with any and all enhancements, corrections, bug fixes, updates and other modifications to any of the foregoing and any and all data or information of any kind, other than Proprietary Data and Personal Information and Participant Data, transmitted by means of any of the foregoing, "**Company Intellectual Property**"). Each Participant, on behalf of itself and each of its Affiliates, Sponsored Access Firms and other Persons affiliated with any of the foregoing, further acknowledges and agrees that the Company Intellectual Property is the exclusive, valuable and confidential property of the Company. Each Participant acknowledges and agrees that it shall not and shall not permit its Affiliates, Sponsored Access Firms and other Persons affiliated with any of the foregoing to, reverse engineer, copy, bug fix, correct, update, transfer, reproduce, republish, broadcast, create derivative works based on or otherwise modify, in any manner, all or any part of the Trading Platform or the Company Intellectual Property. Each Participant, further agrees to and to cause each of its Affiliates, Sponsored Access Firms and other Persons affiliated with any of the foregoing to, keep the Company Intellectual Property confidential and not to transfer, rent, lease, loan, sell or distribute, directly or indirectly, all or any portion of the Trading Platform or any Company Intellectual Property.

904. Recording of Communications

(a) The Company or the Regulatory Services Provider may record conversations and retain copies of electronic communications between Company officials and Participants, Sponsored Access Firms, Registered Traders and Clearing Firms. Any such recordings will be retained by the Company or the Regulatory Services Provider in such manner and for such periods of time as may be required by Applicable Law, but the Company assumes no obligation to retain any such recordings. The Company and/or the Regulatory Services Provider may disclose such recordings as required by Applicable Law or upon the request of any Regulatory Authority.

(b) This Rule 904 shall be deemed to constitute the consent of each Participant, Sponsored Access Firm, Registered Trader and Customer to such recording and a waiver of any warning tone or other notice requirement arising under the laws of such Person's residence, place of organization or place of business. The Company hereby consents, for itself and its employees, to the recording of conversations between employees of the Company and employees of Participants, Sponsored Access Firms and Clearing Firms and waives, for itself and such employees, any such warning tone or other notice requirement.

905. Confidentiality

Except as provided in Rule 903, all information provided by a Participant or Sponsored Access Firm to the Company, and any passwords and Trader IDs assigned by the Company to any Person, shall be held in confidence and shall not be made known to any other Person except as follows:

(a) with the consent of the Participant or Sponsored Access Firm providing such information;

(b) to a Regulatory Authority, if the Company is requested or legally required to do so by such Regulatory Authority;

(c) pursuant to legal process;

(d) to a Derivatives Clearing Organization of which such Participant is a member or in connection with the clearing of a Swap;

(e) subject to appropriate confidentiality requirements, to any Person providing services to the Company, including but not limited to the Regulatory Services Provider;

(f) to the Board, any committee, Company officials, attorneys and auditors, and to agents and independent contractors that have been engaged by the Company who require such information in connection with the discharge of their duties to the Company; and

(g) as otherwise permitted under the Rules.

906. Force Majeure

Notwithstanding any other provision of the Rules, the Company shall not be obligated to perform its obligations under the Rules or any agreement with a Participant, or to compensate any Person for losses occasioned by any delay or failure of performance, to the extent a delay or failure of performance is the result of circumstances that the Company determines, in its sole discretion, may have an adverse effect upon the functions and facilities of the Company, including, but not limited to, acts of God, fire or other natural disasters, bomb threats, acts of terrorism or war or severely inclement weather.

907. Extension or Waiver of Rules

The Company may, in its sole discretion, waive, or extend the time period for performing, any act or acts designated by the Rules, but only to the extent such waiver or extension is not inconsistent with Applicable Law.

908. Effect of Amendment, Repeal or New Rule

The Company may, in compliance with the CEA and CFTC Regulations, amend or repeal any Rule and/or adopt new Rules. Any such amendment or repeal of a Rule or adoption of a new Rule, shall, upon the effective date of such amendment, repeal or adoption, as applicable, be binding on all Persons subject to the jurisdiction of the Company (regardless of when any such Person became subject to the Company's jurisdiction) and, unless otherwise required by Applicable Law, all Swaps entered into after such effective date.

909. Signatures

Rather than rely on an original signature, the Company may elect to rely on a signature that is transmitted, recorded or stored by any electronic, optical, or similar means (including but not limited to telecopy, imaging, photocopying, electronic mail, or electronic data interchange) as if it were (and the signature shall be considered and have the same effect as) a valid and binding original.

910. Governing Law; Legal Proceedings

(a) The Rules, and the rights and obligations of the Company and all other Persons under the Rules, shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts executed and performed wholly within the State of New York without regard to any provisions of New York law that would apply the substantive law of a different jurisdiction.

(b) Any action, suit or proceeding against the Company, its officers, directors, limited liability company members, employees, agents, or any member of any committee must be brought within one year from the time that a cause of action has accrued. Any such action, suit or proceeding shall be brought in the State or Federal courts located within the Borough of Manhattan in the City of New York. Each Participant expressly consents, for

itself and its Sponsored Access Firms, to the jurisdiction of any such court, waives any objection to venue therein, and waives any right it may have to a trial by jury.

(c) In the event that a Participant, Sponsored Access Firm, Clearing Firm, Registered Trader or an Affiliate of any of the foregoing fails to prevail in a lawsuit or other legal proceeding instituted by such Person against the Company or any Affiliate of the Company or any of their respective officers, directors, equity holders, employees, agents, or any member of any committee, and related to the business of the Company, such Person shall pay to the Company or to such Affiliate all reasonable expenses, including attorneys' fees, incurred by the Company in the defense of such proceeding. This paragraph (c) shall not apply to Company Disciplinary Proceedings, appeals thereof, or an instance in which the Board has granted a waiver of the provisions hereof.

911. Emergencies

(a) During an Emergency, the Board may implement temporary emergency procedures and rules ("**Emergency Rules**"), subject to Applicable Law. If the Chief Executive Officer (or, in the event that the Chief Executive Officer is unavailable, the Chief Operating Officer) determines that Emergency Rules must be implemented with respect to an Emergency before a meeting of the Board can reasonably be convened, the Chief Executive Officer (or, if applicable, the Chief Operating Officer) shall have the authority, without Board action, to implement Emergency Rules with respect to such Emergency as he or she deems necessary or appropriate to respond to such Emergency.

(b) Emergency Rules may require or authorize the Company, the Board, any committee, the Chief Executive Officer (or, if the Chief Executive Officer is unavailable, the Chief Operating Officer) or any other Officer of the Company to take actions necessary or appropriate to respond to the Emergency, including:

- (i) suspending or curtailing trading or limiting trading to liquidation only (in whole or in part);
- (ii) extending, limiting or changing Trading Hours for one or more Swaps;
- (iii) ordering the liquidation of Swaps or the reduction of positions, in consultation with relevant Derivatives Clearing Organizations if practicable;
- (iv) temporarily modifying or suspending any provision of the Rules,
- (v) imposing or modifying trading limits, price limits or position limits;
- (vi) requiring additional margin to be collected from Customers, in consultation with relevant Derivatives Clearing Organizations if practicable;
- (vii) any other action, if so directed by the CFTC.

When the Company determines that the Emergency has been reduced sufficiently to allow the Company to resume normal functioning, any such actions will be modified or terminated, as appropriate.

(c) The Company will use reasonable efforts to notify the CFTC prior to implementing, modifying or terminating an Emergency Rule. If such prior notification is not practicable, the Company will notify the CFTC as soon as reasonably practicable, but in all circumstances within 24 hours of the implementation, modification or termination of such Emergency Rule.

(d) Whenever the Company takes action to respond to an Emergency it will, where practicable, ensure that prompt notice is given to Participants and Sponsored Access Firms.

(e) When the Company determines that the Emergency has been reduced sufficiently to allow the Company to resume normal functioning, any such actions will be modified or terminated, as appropriate.

(f) Upon taking any action in response to an Emergency, the Company will document the decisions and deliberations related to such action. Such documentation will be maintained for at least five years following the date on which the Emergency ceases to exist or to affect the Company, and all such documentation will be provided to any governmental agency upon request.

(g) If the Emergency is related to a Swap that is fungible with financial products traded on another platform, the Company will attempt to coordinate its response with any directions received from the CFTC.

912. Information-Sharing Arrangements

(a) The Company may enter into information-sharing agreements or other arrangements or procedures to coordinate surveillance with other markets on which financial instruments related to the Swaps trade. As part of any information-sharing agreements or other arrangements or procedures adopted pursuant to this Rule, the Company may:

(i) provide market surveillance reports to other markets;

(ii) share information and documents concerning current and former Participants with other markets;

(iii) share information and documents concerning ongoing and completed investigations with other markets;

(iv) require its current or former Participants to provide information and documents to the Company at the request of other markets with which the Company has an information-sharing agreement or other arrangements or procedures.

(b) The Company may enter into any arrangement with any Person or body (including the CFTC, the NFA, any Self-Regulatory Organization, any exchange, market, or clearing organization, or foreign Regulatory Authority) if the Company considers such arrangement to be in furtherance of the Company's purpose or duties under the Rules or Applicable Law.

(c) The Company may disclose to any Person or entity information concerning or associated with a Participant or other Person that the Company believes is necessary and appropriate in exercising a legal or regulatory function, whether or not a formal arrangement governing the disclosure exists or a request for information was made and notwithstanding anything to the contrary in Rule 901.

913. Regulatory Services Provider

(a) The Company may contract with a Regulatory Services Provider to provide certain regulatory services to the Company pursuant to a Regulatory Services Agreement. Any of the powers or functions of the Company under the Rules may be delegated to a Regulatory Services Provider pursuant to the relevant Regulatory Services Agreement in such manner and on such terms as the Company and such Regulatory Services Provider may mutually agree. In accordance with the relevant Regulatory Services Agreement, a Regulatory Services Provider may perform certain surveillance, investigative, and regulatory functions under the Rules and the Company may provide information to such Regulatory Services Provider in connection with the performance by such Regulatory Services Provider of those functions.

(b) The Company shall retain ultimate decision-making authority with respect to any powers or functions that are delegated to a Regulatory Services Provider.

914. LIMITATION OF LIABILITY; NO WARRANTIES

(a) EXCEPT AS PROVIDED BELOW, AND EXCEPT IN INSTANCES IN WHICH THE DISCLAIMING PARTY (DEFINED BELOW) HAS BEEN FINALLY ADJUDICATED BY A COURT OF COMPETENT JURISDICTION TO HAVE ENGAGED IN FRAUD OR WILLFUL MISCONDUCT, IN WHICH CASE THE DISCLAIMING PARTY FOUND TO HAVE ENGAGED IN SUCH CONDUCT CANNOT AVAIL ITSELF OF THE PROTECTIONS IN THIS RULE 914, NEITHER THE COMPANY, NOR ANY AFFILIATE OF THE COMPANY, NOR ANY OF THEIR RESPECTIVE MANAGERS, OFFICERS, DIRECTORS, EMPLOYEES, EQUITYHOLDERS, AGENTS, CONSULTANTS OR SERVICE PROVIDERS (INCLUDING, WITHOUT LIMITATION, ANY REGULATORY SERVICES PROVIDER), NOR ANY MEMBER OF ANY COMMITTEE OR OTHER GOVERNING BODY OF ANY AFFILIATE OF THE COMPANY (EACH OF THE FOREGOING, AS APPLICABLE, THE "**DISCLAIMING PARTY**" AND, COLLECTIVELY, "**DISCLAIMING PARTIES**"), SHALL BE LIABLE TO ANY PERSON FOR ANY LOSSES ARISING OUT OF OR IN CONNECTION WITH:

(iii) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE COMPANY OR ANY OF THE COMPANY'S SYSTEMS, SERVICES OR FACILITIES; OR

(iv) ANY UNAUTHORIZED ACCESS TO OR UNAUTHORIZED USE OF ANY OF THE COMPANY'S SYSTEMS, SERVICES, EQUIPMENT OR FACILITIES BY ANY PERSON.

THE FOREGOING LIMITATION OF LIABILITY SHALL APPLY WHETHER A CLAIM IS BASED ON BREACH OF CONTRACT, TORT, INCLUDING, WITHOUT LIMITATION, NEGLIGENCE, STRICT LIABILITY, NEGLIGENT MISREPRESENTATION, RESTITUTION, BREACH OF STATUTORY DUTY, BREACH OF WARRANTY OR OTHERWISE AND WHETHER THE CLAIM IS BROUGHT DIRECTLY OR AS A THIRD-PARTY CLAIM.

(b) THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OR REPRESENTATIONS PROVIDED BY THE COMPANY OR ANY OTHER DISCLAIMING PARTY RELATING TO ANY SYSTEMS OR SERVICES OF THE COMPANY OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, INCLUDING THE TRADING PLATFORM AND THE COMPANY HEREBY SPECIFICALLY DISCLAIMS, OVERRIDES AND EXCLUDES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER WARRANTIES, CONDITIONS, OTHER CONTRACTUAL TERMS, REPRESENTATIONS, INDEMNITIES AND GUARANTEES WITH RESPECT TO THE SERVICES, WHETHER EXPRESS, IMPLIED OR STATUTORY, ARISING BY LAW, CUSTOM, PRIOR ORAL OR WRITTEN STATEMENTS BY THE COMPANY OR ANY OTHER DISCLAIMING PARTY OR OTHERWISE (INCLUDING BUT NOT LIMITED TO, AS TO TITLE, SATISFACTORY QUALITY, ACCURACY, COMPLETENESS, UNINTERRUPTED USE, NON-INFRINGEMENT, TIMELINESS, TRUTHFULNESS, SEQUENCE AND ANY IMPLIED WARRANTIES, CONDITIONS AND OTHER CONTRACTUAL TERMS ARISING FROM TRANSACTION USAGE, COURSE OF DEALING OR COURSE OF PERFORMANCE) RELATING TO ANY SYSTEMS OR SERVICES OF THE COMPANY OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, INCLUDING, WITHOUT LIMITATION, THE TRADING PLATFORM.

(c) NOTWITHSTANDING THE FOREGOING, THE COMPANY MAY ASSUME RESPONSIBILITY FOR DIRECT, OUT-OF-POCKET LOSSES DIRECTLY CAUSED BY THE GROSS NEGLIGENCE OF A DISCLAIMING PARTY. EXCLUDING THE COMPANY'S INDEMNIFICATION OBLIGATIONS UNDER RULE 914(D), THE COMPANY'S TOTAL COMBINED AGGREGATE LIABILITIES SHALL NOT IN SUCH CIRCUMSTANCES EXCEED \$100,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES ON A SINGLE CALENDAR DAY; \$200,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES IN A SINGLE CALENDAR MONTH; AND \$2,000,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES IN A SINGLE CALENDAR YEAR. IF THE NUMBER OF ALLOWED CLAIMS ARISING OUT OF ANY FAILURES OR MALFUNCTIONS ON A SINGLE DAY, SINGLE MONTH OR SINGLE YEAR CANNOT BE FULLY SATISFIED BECAUSE OF THE ABOVE DOLLAR LIMITATIONS, ALL SUCH CLAIMS SHALL BE LIMITED TO A PRO RATA SHARE OF THE MAXIMUM AMOUNT FOR THE RESPECTIVE PERIOD.

(d) NOTWITHSTANDING ANY OTHER PROVISION OF THESE RULES, THE COMPANY SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS PARTICIPANT AND ITS AFFILIATES AND ANY OF ITS OR THEIR OFFICERS, DIRECTORS, EMPLOYEES, AGENTS AND REPRESENTATIVES (EACH, A "**PARTICIPANT INDEMNITEE**") AGAINST ANY AND ALL LOSSES, DAMAGES, LIABILITIES, COSTS, AND EXPENSES, INCLUDING WITHOUT LIMITATION REASONABLE ATTORNEYS FEES AND COURT COSTS (COLLECTIVELY, "**LOSSES**") TO THE EXTENT SUCH LOSSES ARISE DIRECTLY FROM ANY CLAIM, PROCEEDING, OR CAUSE OF ACTION INITIATED BY A THIRD PARTY OTHER THAN AN AFFILIATE OF SUCH PARTICIPANT INDEMNITEE (EACH, A "**THIRD-PARTY CLAIM**") ALLEGING THAT THE TRADING PLATFORM OR ANY OTHER SYSTEMS OR SERVICES PROVIDED BY THE COMPANY, OR ANY SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES (COLLECTIVELY, THE "**COMPANY INTELLECTUAL PROPERTY**"), INFRINGE OR OTHERWISE VIOLATE ANY PATENTS, COPYRIGHTS, TRADE SECRETS OR OTHER INTELLECTUAL PROPERTY RIGHTS OF ANY PERSON; *PROVIDED THAT* THE COMPANY SHALL NOT HAVE ANY OBLIGATION UNDER THIS SENTENCE TO THE EXTENT THE ALLEGED VIOLATION RESULTS FROM (I) ANY MODIFICATION OF ANY COMPANY INTELLECTUAL PROPERTY BY OR ON BEHALF OF PARTICIPANT INDEMNITEE NOT APPROVED IN WRITING BY AN AUTHORIZED OFFICER OF THE COMPANY, (II) ANY COMBINATION OF ANY COMPANY INTELLECTUAL PROPERTY WITH ANY DATA, INFORMATION OR MATERIALS NOT PROVIDED BY OR ON BEHALF OF THE COMPANY, OR (III) ANY MISUSE OR UNAUTHORIZED USE OF ANY COMPANY INTELLECTUAL PROPERTY OR OTHER VIOLATION OF THESE RULES OR ANY AGREEMENT BETWEEN PARTICIPANT AND THE COMPANY. EACH PARTICIPANT INDEMNITEE SHALL GRANT TO THE COMPANY THE SOLE CONTROL OF THE DEFENSE AND SETTLEMENT OR OTHER COMPROMISE OF THE THIRD-PARTY CLAIM AND NOTIFY THE COMPANY IN WRITING OF ANY SUCH THIRD-PARTY CLAIM WITHIN FIFTEEN BUSINESS DAYS FOLLOWING SUCH PARTICIPANT INDEMNITEE BECOMING AWARE OF SUCH THIRD-PARTY CLAIM. THE COMPANY SHALL NOT NEGOTIATE A COMPROMISE OR SETTLEMENT OF ANY THIRD-PARTY CLAIM WITH RESPECT TO A PARTICIPANT INDEMNITEE WITHOUT THE PRIOR WRITTEN CONSENT OF SUCH PARTICIPANT INDEMNITEE (SUCH CONSENT NOT TO BE UNREASONABLY DELAYED OR WITHHELD) UNLESS SUCH COMPROMISE OR SETTLEMENT INCLUDES AN UNCONDITIONAL RELEASE OF SUCH PARTICIPANT INDEMNITEE FROM ALL LIABILITY ARISING OUT OF SUCH THIRD-PARTY CLAIM AND DOES NOT CONTAIN AN ADMISSION OF WRONGDOING OR LIABILITY ON BEHALF OF SUCH PARTICIPANT INDEMNITEE.

Any such claim against a Disclaiming Party shall be brought within one year from the time that a cause of action has accrued. This paragraph (f) shall in no way be construed to create a cause of action and shall not authorize an action that would otherwise be prohibited by the Rules. If for any reason, a court of competent jurisdiction finds that a dispute is not arbitrable, such dispute may be litigated only in accordance with Rule 910.

915. Communications To and From the Company

(a) Each Participant, Sponsored Access Firm and Clearing Firm must provide the Company with its current electronic mail address and telephone number and the electronic mail address and telephone number of (i) in the case of a Participant or Sponsored Access Firm, any person who may use a Trader ID assigned to such Participant or Sponsored Access Firm, and (ii) in the case of a Clearing Firm, any person who may set risk controls with respect to a Participant or Sponsored Access Firm for which such Clearing Firm provides clearing services with respect to Cleared Swaps. Each Participant, Sponsored Access Firm and Clearing Firm must immediately (and in any event within 24 hours) update the contact information described in this paragraph (a) whenever it changes.

(b) Communications from the Company to Participants, Sponsored Access Firms and Clearing Firms may be transmitted by electronic mail or posted on the Company’s website. Communications made to a Participant, Sponsored Access Firm or Clearing Firm shall also be deemed to have been made to its Registered Traders and other employees and agents, and each Participant, Registered Trader and Clearing Firm shall be responsible for conveying such communications to such Persons as appropriate.

CHAPTER 10
CLEARED AND UNCLEARED SWAPS

1001. Cleared Swaps

(a) *Submission to Derivatives Clearing Organization.* The Company shall submit Cleared Swaps to a Derivatives Clearing Organization on behalf of the parties to such Swaps.

(b) *Risk-Based Limits.*

(i) The Company will take steps to facilitate pre-execution checks by Clearing Firms for compliance with Risk-Based Limits, and will issue notices to Clearing Firms, Participants and Sponsored Access Firms relating thereto.

(ii) Consistent with and to the extent required by CFTC Regulations (including CFTC Regulations 1.73 and 23.609):

(A) Each Clearing Firm that is a Participant shall establish Risk-Based Limits in its proprietary account;

(B) Each Clearing Firm, whether or not a Participant, shall establish Risk-Based Limits in each of its Customer accounts; and

(C) Each Clearing Firm shall to the extent practicable use automated means to screen Orders that it has authorized a Participant or Sponsored Access Firm to execute electronically and shall establish and maintain systems of risk controls reasonably designed to ensure compliance with Risk-Based Limits for all other Orders.

(iii) Prior to entering any Order for a Cleared Swap, each Participant or Sponsored Access Firm that is acting as principal shall take reasonable steps to verify that such Order, if executed, would not exceed the Risk-Based Limits established by the Participant or Sponsored Access Firm's Clearing Firm.

(iv) Prior to entering any Order for a Customer for a Cleared Swap, each Participant that is acting as Broker shall require its Customer to take reasonable steps to verify that such Order, if executed, would not exceed the Risk-Based Limits established by the Customer's Clearing Firm.

(c) *Failure to Clear.* If a Cleared Swap is affirmatively rejected by the relevant Derivatives Clearing Organization, the transaction shall be deemed void *ab initio* except where the transaction failed to clear because of a clerical or operational error or omission, in which case the Participants and/or Sponsored Access Firms and their respective Clearing Firms may agree to submit the transaction as a new transaction with identical terms (other than any erroneous terms and the time of execution). Any such resubmission shall be effected within a timeframe that is consistent with Applicable Law. A transaction that is so resubmitted but which fails to clear shall be void *ab initio* and may not be

resubmitted for clearing. In the event a transaction is void *ab initio*, the Company will notify the Participants and/or Sponsored Access Firms, their Clearing Firms and the Swap Data Repository in accordance with applicable CFTC Regulations and guidance. No Participant, Sponsored Access Firm or Customer may enforce an agreement or other arrangement with another Participant, Sponsored Access Firm or Customer that provides for the assessment of liability or payment of damages between the parties to a Cleared Swap in the event that such Cleared Swap is rejected for clearing, or require such an agreement or arrangement as a condition to trading with such other Participant, Sponsored Access Firm or Customer in respect of any Cleared Swap.

(d) *No Liability.* Except as otherwise required by Applicable Law, the Company shall be under no obligation to ensure that Swaps are successfully cleared and shall have no liability with respect to a Swap that fails to clear for any reason.

1002. Clearing Firm Requirements

(a) A Clearing Firm may, but is not required to be, a Participant or Sponsored Access Firm, but a Clearing Firm that seeks to effect transactions on the Trading Platform for its own account or the account of any Customer must be a Participant or Sponsored Access Firm. A Participant that is also a Clearing Firm shall have all of the obligations under these Rules applicable to Participants and Clearing Firms.

(b) Each Participant that is not a Clearing Firm and that is trading Cleared Swaps as principal, and each Sponsored Access Firm that is not a Clearing Firm and that is trading Cleared Swaps as principal, must obtain prior authorization from a Clearing Firm that will guarantee Participant's or Sponsored Access Firm's Cleared Swaps to the Derivatives Clearing Organization, subject to applicable Risk-Based Limits, or enter into an appropriate arrangement with a Person that has such an authorization from a Clearing Firm. Where a Participant or Sponsored Access Firm utilizes the services of multiple Clearing Firms, a Clearing Firm shall only be responsible to the extent that it has agreed to clear a particular Cleared Swap.

(c) Each Participant acting as Broker for a Customer shall obtain from the Customer confirmation from the Customer that it has obtained prior authorization from a Clearing Firm that will guarantee Customer's Cleared Swaps to the Derivatives Clearing Organization, subject to applicable Risk-Based Limits, or enter into an appropriate arrangement with a Person that has such an authorization from a Clearing Firm. Where a Customer uses the services of multiple Clearing Firms, a Clearing Firm shall be responsible only to the extent that it has agreed to clear a particular Cleared Swap.

(d) A Clearing Firm may at any time, upon written notice to the Company, revoke any authorization made by it to a Participant, Sponsored Access Firm, Customer or Registered Trader. Such authorization will remain in effect for all Cleared Swaps for which Orders were submitted to the Trading Platform prior to the Company's acknowledgement of the revocation, which the Company shall undertake to effectuate as promptly as practicable. Upon the effectiveness of the revocation of an authorization given pursuant to this Rule 1002, the right of the Participant, Sponsored Access Firm, Customer

or Registered Trader to enter into Cleared Swaps will be automatically terminated. Such a Participant, Sponsored Access Firm or Customer must obtain another authorization from a Clearing Firm before its right to access the Trading Platform to trade Cleared Swaps will be reinstated.

(e) Each Participant, Sponsored Access Firm, and Customer must assist its Clearing Firm and the Derivatives Clearing Organization in the clearing of its Cleared Swaps.

(f) As used in this Rule 1002 –

(i) the term “Cleared Swap” means a Swap from and after the time it has been accepted for clearing by a Derivatives Clearing Organization; and

(ii) the definition of the term “Cleared Swap” in Rule 101 shall not apply.

(g) A Clearing Firm that is a Participant may, and a Clearing Firm that is not also a Participant shall, appoint at least one of its employees to act as an Authorized Representative in accordance with such procedures as the Company may require. An Authorized Representative’s access and use of the Trading Platform shall be restricted to administrative and credit control functionalities, and an Authorized Representative shall not have Trading Privileges unless he or she is also a Registered Trader. The Company shall provide each Clearing Firm with one or more user identifications, initial passwords, digital certificates and/or other devices (collectively, “**Authenticators**”) necessary to enable its Authorized Representatives to access the Company’s systems as appropriate, and Clearing Firm shall be responsible for providing Authenticators to its Authorized Representatives. Each Clearing Firm authorizes the Company to act on or, as applicable, transmit any instructions the Company receives from Clearing Firm pursuant to methods designated by the Company. Clearing Firm will take appropriate steps to maintain, and ensure that its Authorized Representatives maintain, the confidentiality of Authenticators and secure the Authenticators from unauthorized use. Clearing Firm shall not permit anyone other than an Authorized Representative to have access to the Company’s systems and shall immediately notify the Company in writing of any loss, theft, unauthorized use or misuse of an Authenticator.

1003. Uncleared Swaps

A Participant or Sponsored Access Firm may enter into an Uncleared Swap only with a counterparty with which such Participant or Sponsored Access Firm has swap trading relationship documentation that meets the requirements of Applicable Law. GFI SWAPS EXCHANGE LLC

Notice to Participants

Notice No.:	14-11
Issue Date:	June 11, 2014
Effective Date:	June 25, 2014
Subject:	Announcement of Error Trade Policy governing classes of Credit Default Swaps listed by GFI Swaps Exchange LLC

Summary: Announcement of Error Trade Policy governing classes of Credit Default Swaps listed by GFI Swaps Exchange LLC

1. Introduction

In an effort to strike an appropriate balance between trade certainty and erroneous price discovery, GFI Swaps Exchange LLC (the “Company”) has introduced an Error Trade Policy (the “Policy”) to promptly address transactions that are executed at clearly erroneous prices substantially inconsistent with the last trade price of the contract or alternative determination of the contract’s fair value. Market integrity is enhanced when exchanges that operate electronic trading systems have in place well-defined policies and procedures pursuant to which requests to cancel clearly erroneous trades may be promptly considered and resolved.

2. The Policy

Unless otherwise stated below, capitalized terms shall have the meaning ascribed to such term in the Company rulebook (the “Rules”), which now contains changes to Rules 101, 401, 405, 525, 538 and 541 to accommodate the Policy. A full copy of the submission to the CFTC can be found at <http://www.gfigroup.com/markets/swaps-exchange/overview.aspx>. This Policy supplements and clarifies the Rules regarding erroneous trades. This Policy shall only govern those classes of credit default swaps listed by the Company, and for the avoidance of doubt, shall not govern Brokered Trades or trades executed using the assistance of a GFI employee. The Company is providing the following guidance on the manner in which it intends to handle alleged error claims by

Participants and Sponsored Access Firms utilizing the Trading Platform or transactions reviewed under the Company's own motion pursuant to the Policy. Any alleged error claims made by Customers should be directed to the Participant that has handled the Customer transaction or with whom such Customer carries an account. The Company's Policy has been designed to preserve the integrity of transactions transacted on the Trading Platform by creating an appropriate balance between trade certainty and erroneous price discovery.

I. **Overview of the Policy.**

Only transactions with an execution price substantially inconsistent with the market price at the time of execution (as further described herein) will be eligible for consideration as an error by the Company under the Policy. The Company will make the determination taking into account the circumstances at the time of the transaction, the preservation of the integrity of the market and the maintenance of a fair and orderly marketplace. The Rules provide the Company with discretion to delete Orders, cancel trades, or suspend the market in conjunction with this Policy. In exceptional circumstances, for any trades or Orders that fall outside of this Policy, the Company may, in its sole discretion, cancel or let such trade or Order stand, and shall endeavor for such determination to be made within 60 minutes after the trade or Order is executed. In making this determination, the Company may consider the following: general volatility of market conditions, reasons for the error or market disruption events.

Block and Brokered Trades submitted to the Trading Platform will not be subject to this Policy, and may be cancelled upon mutual agreement of and per the instructions of the two counterparties to such Block or Brokered Trade. Additionally, bilateral transactions submitted to the Trading Platform will not be subject to this Policy. Rather, those transactions may be cancelled upon mutual agreement of and per the instructions of the two counterparties to such transaction. Notwithstanding the foregoing, in exceptional circumstances, the counterparties to a disputed bilateral transaction may appeal to the Company for a final determination of such transaction, such determination being final and binding upon the counterparties with no liability to the Company and enforceable by the aggrieved party solely via the alternative dispute resolution provisions contained in the Rules.

Under normal market conditions, the Company will only cancel transactions in such circumstances that the transaction price is not representative of the market value of the respective transaction at the time such transaction is effected. Any transactions where the only error is the quantity of the contract traded, as opposed to the price at which such contracts were traded, will not be subject to cancellation under this Policy. Users of the Trading Platform are responsible for ensuring the accuracy of the price, size, side, type and all other material terms of the Order entered into on the Trading Platform. Simple assertion by a Participant or Sponsored Access Firm that it made a mistake in entering an order or a quote, or that it failed to pay attention or to update a quote, will not alone be sufficient to establish that a transaction was erroneous and/or subject for consideration as an error under this Policy.

II. Determination to Review a Trade.

The Company may determine to review a trade based on its independent analysis of market activity or upon request for review by a user of the Trading Platform. A request for review must be made within five minutes of the execution of the trade, and the Company shall determine whether to review a trade promptly after such a request has been received. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news, or in any other circumstance in which the Company deems it to be appropriate, the Company may determine, in its sole discretion, that a trade shall not be subject to review. Upon deciding to review a trade, the Company will promptly issue an alert to involved Participants and Sponsored Access Firms via the Trading Platform or electronic mail indicating that the trade is under review.

A. Non-Reviewable Range.

In reviewing a trade, the Company will first determine whether the price of the trade is in the Non-Reviewable Range. “**Non-Reviewable Range**” means, with respect to a Swap, any transaction executed within a price range that will not, under normal market conditions, be cancelled. A component of market integrity is the assurance that once executed, other than in exceptional circumstances, a transaction will stand and not be subject to cancellation. The Company determines parameters above or below a Company set anchor price (defined herein) for each contract, agreement or transaction within which a transaction alleged as an error transaction may not be cancelled. Such parameters define the Non-Reviewable Range. The anchor price (which is set by the Company and is based on the most liquid contract maturity date, which is typically the “5 year” maturity date as commonly used in the market) may be, at the Company’s discretion: (A) the prior day’s settlement price, or (B) if the price described in clause (A) occurred more than one Business Day before the date of the Swap that is being reviewed, the price for such Swap or an economically equivalent swap most recently reported by a Swap Data Repository. The Non-Reviewable Range applicable to each contract, agreement or transaction will be listed in a table on the Company’s website, which may be updated from time to time by the Company.

The determination as to when to shift the anchor price will be made by the Company. If the Company determines that the anchor price is not representative of the current market price, or was not representative of the market price at the time that a trade error was alleged, then the Company reserves the right at its sole discretion to update the relevant anchor price(s).

Based on and subject to the procedure outlined above, if the Company determines that the price of a trade is inside the Non-Reviewable Range, the trade shall stand as executed and shall not be considered erroneous. If the Company determines that a transaction price is outside the Non-Reviewable Range, the trade shall be cancelled. The decision of the Company is final.

B. Consequential transactions.

Consequential Transactions shall be defined herein as trades that result in “packaged trades” as such term is commonly known in the market based on applicable CFTC guidance. Where Consequential Transactions based on the price of the alleged error transaction are executed simultaneously with the alleged error transaction or before the Company has notified the market of the alleged error transaction, the Policy and the determination will apply to the original alleged error transactions and all Consequential Transactions to the extent that such Consequential Transactions were also executed on the Trading Platform.

Where Consequential Transactions based on the price of the alleged error transaction are executed after the Company has notified the market of the alleged error transaction, and where the Company, after consultation, subsequently determines that the alleged error transaction is cancelled, these Consequential Transactions, other than in exceptional circumstances, shall be cancelled. The decision of the Company will be final. The Company may take into consideration whether the alleged error transaction triggered contingent Orders or resulted in the execution of spread transactions or whether another user of the Trading Platform relied on the price to execute Consequential Transactions.

C. Company’s unilateral right with respect to clearly erroneous trades.

The Company has the unilateral right to cancel any trade that is clearly erroneous, even where there has been no request from a user of the Trading Platform, in the interest of maintaining a fair and orderly market. The Company may consider numerous factors in making this determination, including:

1. Numerical factors (i.e. volume and volatility)
2. Material news impacting the instrument
3. Suspicious trading activity
4. System malfunctions or disruptions
5. Locked or crossed market
6. Volume and volatility for the product
7. General volatility of market conditions
8. Reason for the error
9. Market disruption events

All decisions of the Company are final.

III. Trade Cancellation Procedures.

Upon a determination by the Company that a trade shall be cancelled, the Company shall take such reasonable steps to ensure that the decision will be implemented. The cancelled trade price will be reflected as cancelled in the Company’s official records and shall be reported by the Company to the Swap Data Repository.

IV. Contact Information.

All requests to cancel transactions and all materials submitted pursuant to this Policy shall be submitted within the time parameters specified herein via email to control@gfexchange.com. The Company, in its sole and absolute discretion, reserves the right to reject or accept any requests or material that is not received within the time parameters specified herein.

The Policy includes Non Reviewable Range (“NRR”) levels for all contracts on the Trading Platform. NRR levels are subject to change without prior notification. Ranges are applied around the current anchor price. In the tables below, the values represent the range around the anchor price. Company staff has the authority to expand the NRR levels on any contract to two (2) times the levels shown below in volatile market conditions without prior notice.
